About the University

Sanjeev Agrawal Global Educational (SAGE) University Bhopal with its impeccable academia, colossal campus, leading-edge educational framework and extensive façade is the irst choice of students for education in the beautiful city of lakes Bhopal. Sanjeev Agrawal Global Educational (SAGE) University Bhopal is established and functions under the patronage of Shri Agrawal Educational Public Trust.

Sanjeev Agrawal Global Educational University, Bhopal with its propounded world-class infrastructure and educational setup transforms student's passion into the profession. SUB offers the best in class facilities for students to secure their future. Sanjeev Agrawal Global Educational (SAGE) University Bhopal thrives for the goal, wherein we make students industry-ready with world-class education to make them match the pace of fast-moving Global Society. SUB make lives better by producing leaders of society, such that, they can serve our communities at global level. The educational innovation which we strive makes SAGE University Bhopal the top most university in MP, Central India.

About the Conference

International Conference on Current development in Engineering and Technology (CCET-2023) is organized by SAGE University, Bhopal to address various issues to thrive the conception of intelligent solutions in future.

The scope of engineering and technology is as compelling as it is necessary. In order to remain on the incisive edge, one must be continually observant, when it comes to following up with the latest trends, distinguishing the most constraining challenges, or conducting their own research. The prime objective of this two-day conference is to bring experts, researchers and innovators from academia, R & D and industry working in the various fields of engineering & technology together and provide them a forum for knowing what is happening in the research arena, identifying and conceptualize new ideas and sharing their valuable findings and thoughts. The conference will also feature prominent keynote speakers to create research interest in the minds of young graduates to pursue research as their career. It will facilitate and promote interdisciplinary research among researchers and help in reducing the gaps between different disciplines.

All accepted and presented papers will be included in CCET- 2023 Conference Proceedings.

Call for Paper

The conference is open for both academicians (researchers, professors, research associates, doctoral students and other members of student's community) and industry delegates. Original Research Papers & Case Studies are invited on the conference theme in the area of Engineering and Technology. The broad areas/ sub-areas that will be of interest for the conference are:-

Track-1 : Computer Science and Engineering
1.1 Artificial Intelligence
1.2 Internet of Things
1.3 Data Mining and Ontology
1.4 Network Security
1.5 Soft Computing, Fuzzy System and ANN
1.6 Computer Vision and Pattern Recognition
1.7 Social Network Mining
1.8 Blockchain
1.9 Cloud Computing & Green Computing
1.10 Human Computer Interaction

Track -2 : Electronics and Electrical Engineering
2.1 Satellite, Space and Wireless Communication
2.2 VLSI Design
2.3 Spectrum Efficient Management, Sensing and Cognitive Radio
2.4 Optical Communication and Photonics
2.5 Image and Signal Processing
2.6 Control of Power Electronics
2.7 Electrical Machines Design and Drives
2.8 Energy Harvest and Storage
2.9 Power Electronics Converter and Design Issues
2.10 Renewable Energy Systems
2.11 Communication Systems Engineering

Track-3 : Mechanical and Civil Engineering
3.1 Thermal Engineering Fluid
3.2 Energy/Biofuel /Biomass
3.3 Solar Energy
3.4 Structural Engineering
3.5 Transportation & Environmental Engineering
3.6 Construction Engineering and management

Note: Other relevant research papers may also be considered after extensive review for presentation and publication.

Conference Deadline:

Paper Submission Opens	:	01/10/2023
Paper Submission Closes	:	15/12/2023
