

## **SHUBHAM KUMAR SURYAVANSHI**

**Assistant Professor, School of Computer Application**

**Email:** shubham.suryawanshi@sageuniversity.edu.in,  
shubham23022001@gmail.com

**Contact No:** +91- 7000925966

**ORCID:** 0009-0003-1631-5496

### **Educational Qualification:**

MCA Cloud Computing(Sage University)

### **Total Experience:**

Total experience: 1.5years

### **Areas of Interest:**

Cloud Computing, Windows administration, Virtualization, SQL, PHP, Java.

### **Brief Profile:**

Mr. Shubham Kumar Suryavanshi is a dedicated cloud professional with a Master's degree in Computer Applications (Cloud Computing) from Sage University Bhopal. With 1 year of hands-on experience in AWS, he has demonstrated expertise in cloud technologies, virtualization, and network systems management. His knowledge encompasses key subjects, including Windows Server, Virtualization, and Cloud Security.

He has practical experience as an IT Administrator and AWS Administrator, where he effectively managed network infrastructure, configured EC2 instances, and deployed web applications. He is skilled in designing hands-on labs to enhance student learning and has successfully supported teams in various academic programs.

### **FDP Attended:**

- Successfully completed Faculty Development Program on "Building Web Development Solutions with Cloud Computing," requiring 20 hours of commitment, organized in collaboration with AICTE and EY GDS.

### **International/National Conference & Workshops Attended:**

- Best Paper award "Dron and Emerging technologies in Agricultural" presenting paper in recent Advances in science and Engineering (CSI, IETE and ABRF) - 2022 conference at sage Bhopal.

### **Awards/Recognitions:**

- **AWS Academy** Graduate - AWS Academy Cloud Foundations.
- cloud security 2024 by **paloalto**.
- **Oracle Cloud** Infrastructure 2024 Certified Foundations Associate.
- Introduction to Cyber security 2022 from **cisco**.
