Name of the faculty: Nitin Choudhary

Designation: Assistant Professor, School of Advanced Computing

Email: Choudhary.nitin27@gmail.com

Contact No: +91- 9009442243

ORCID: 0009-0001-7424-2278

Educational Qualification:

 M.Tech (CSE) (RGPV), B.Tech.(IT) (RGPV)

Total Experience:

Academic: 12 years

Areas of Interest

Cloud Computing, Internet of Things, Data Science.

Brief Profile:

Mr. Nitin Choudhary holds M.Tech. in Computer Science from RGPV University, He has about 12 years of experience in teaching and research in different areas of Computer Science and currently working as an Assistant Professor in the School of Advanced Computing. He has published four research papers in reputed International Journals and conferences.

Research publications in International Journal:

➤ Nitin Choudhary "An Efficient Method for Indian Number Plate Recognition" communicated in International Journal of Engineering and Advanced Technology (IJEAT) ISSN: 2249-8958 (Online), Volume-7 Issue-1, October 2017

➤   Nitin Choudhary "Dynamic and Public Auditing with Fair Arbitration for Cloud Data" published in International Journal of Scientific Research in Computer Science, Engineering and Information Technology © 2017 IJSRCSEIT | Volume 2 | Issue 3 | ISSN : 2456-3307

International/National Conference & Workshops Attended:

➤ Attended the Coordinator's Workshop on the C & C++" organised by **IIT, Bombay** on 15 February 2020.

➤ Attended the Coordinator's Workshop on the "ARDUINO" held at **IIT, Bombay** on 18 January 2020.

FDP Attended:

➤ Successfully completed Faculty Development Program on "Cloud Computing" organized by **RGPV from 11-june-2018 to 13-june-2018.**

➤ Successfully completed Faculty Development Program on "Introduction to Internet of Things" organized **by NPTEL.**

➤ Attended and completed one-week online Faculty Development Program on"PYTHON Web Application Framework using FLASK & DJANGO" from 1-6 June 2020 organized by Department of CSE, Pragati Engineering College (Autonomous), in association with **Spoken Tutorial, IIT Bombay**.

Workshops/Seminars/Conference Organized:

➤ Two day Workshop conduction on the topic "JAVA Programming" on 22 -Nov- 2023 to 23-Nov-2023.

➤ Organising Expert Lecture on " Networking Infrastructure & it's Security" on 3rd October 2023.

➤ One day Webinar conduction on "5G Tech and Digital Transformation" on 5th June 2021.

➤ One day Webinar conduction on "How to come up with an Innovative Idea?" on 8th May 2021.

➤ Workshop Coordinator for the workshop on"C & C++" conducted by **IIT, Bombay** on 29 Feb 2020.

➤ Workshop Coordinator for the workshop on"ARDUINO" conducted by **IIT, Bombay** on 8 February 2020.
