

Name of the faculty: Rakesh Kumar Verma

Designation: Assistant Professor

Email: rakesh.v@sageuniversity.edu.in, v.rakesh1331@gmail.com

Contact No: +91-8817339221

Educational Qualification: M.Tech (CSE) Patel College of Science & Technology RGPV-Bhopal,
B.E (CSE) College of Engineering Roorkee-Uttaranchal

Total Experience: 10 years

Areas of Interest:

C, C++, Java, Data Structure, DBMS

Brief Profile:

Rakesh Kumar Verma holds M.Tech degree in Computer Science & Engineering from Patel College of Science & Technology RGPV, Bhopal, and B.E from College of Engineering Uttaranchal India. He has about 10 years of experience in teaching and research in different areas of Computer Science and currently working as Assistant Professor in the School of Advanced Computing. His area of interest is programming like C, C++, Java, Data Structure and DBMS.

PAPER PUBLICATIONS

- “Robust Image Watermarking Using LWT Transform and Stacking Ensemble Classifier”, published in **Springer**, October 2021. **[Main Author]**
- “Exploring the Robustness of Digital Watermarking Algorithms Based on Transform Function and Machine Learning”, published in **“Turkish Journal of Computing and Mathematics”**, Volume 12, Number 11, 2021. **[Main Author]**

- “AdaptiveJobSchedulingonComputationalGridforResource Allocation and Job Completion Based on Feature Selection” published inInternational Journal of Master of Engineering Research and Technology (**IJMERT**),Volume2,IssueIII,2015. [**MainAuthor**]

ACHIEVEMENTS

- NPTEL Certification in Introduction to Programming in C (Feb-April 2022).
- Attended 2 days ISTE workshop organized by IIT-BOMBAY on “Aakash for Education”.
- Attended 2 days ISTE workshop organized by IIT-BOMBAY on “Research Methods in Educational Technology”.
- Attended 2 weeks ISTE Workshop organized by IIT-BOMBAY on “Database Management Systems”.
