9. Brief: I am Dr. Amrita Rajput an experienced professor with 27+ years. possessing experience in quality development of students by infusing knowledge through traditional as well as modern mode of teaching. Combines a focus on student achievement with a passion for scholar work through hands on training and skill development. I am art & craft appreciator and our culture, heritage and crafts over the last few decades is vanishing and I believe in Promoting rare and exclusive crafts. design, art and culture, and self-exploration. Indian art and craft have traditionally been the country's cultural backbone. Reviving and promoting artistic practices shows individual determination. I am passionate about commemorating and presenting our nation's art. We should also appreciate creativity, empower craftspeople, span generations, and promote India's artistic superiority.
