Meri Marzi Drive:

Azadi Apna

Career
Choose
Karne Ki

On April 20, 2024, SAGE University Bhopal camps resonated with a unique blend of enthusiasm and vibrant talent as the School of Performing Arts, Design and Journalism & Mass Communication proudly commenced the "Meri Marzi Drive: Azadi Apna Career Choose Karne Ki". To inspire young minds to chart their paths and break away from conventional norms, the Meri Marzi Drive was a resounding success, leaving an indelible mark on both participants and attendees.

It was a day brimming with enthusiasm and raw talent, as students stood centre stage to celebrate their individuality and passion. The Royal Sage Hall buzzed with excitement as participants showcased their unique talents in dance, music, fashion, and a thrilling battle of the bands competition. The event was a breath of fresh air in a world where conformity often rules the roost. Here, at "Meri Marzi," uniqueness was not just accepted but celebrated with gusto.

We were honoured to have a panel of esteemed judges, including Alok Dixit and Akriti Jain for dance, Dr. Venus Tarkaswar and Dr. Ashwini Rangnekar for singing, Tajwar Khan and Nayantara Singh for the fashion show, and Umesh Tarkaswar and Ankur for the battle of the bands. Their expertise added a touch of professionalism to the event.

The response was overwhelming, with a total of 134 participants from 31 schools, colleges, and universities across Bhopal. The presence of over 500 attendees, including parents, guardians, teachers, and students from SIRT, further highlighted the success of the event.

"Meri Marzi" was more than just a competition; it was a celebration of self-expression, creativity, and the power of dreams. The event left a lasting impression on all who attended, inspiring them to chart their paths and break away from conventional norms.

8 Sports

Tournaments
More than a game...

Sports

At SAGE University Bhopal, students from 13 universities recently gathered for an exciting E-sports event on April 5 and 6. They competed in popular games like BGMI and Valorant, showing off their gaming skills and having a great time. Laughter filled the gaming arena as new friendships formed and victories were celebrated with high-fives and cheers.

The event, organized under the Association of Indian Universities, was inaugurated by Mr. Karan Khurana, Executive Director of Sage Group, along with Dr. Rajesh Tripathi, Chairman of All India Council of Physical Education, as the Chief Guest. Special recognition was given to Mr. Zahran Binjave, Operational Head of "Mogo," the events partner e-sports company, and Mr. Anirudh Joshi, Regional Manager of EUSAI Sports. The SAAC team of the university coordinated for the success of the event.

Hearty Congratulations

SIRT-P for Global Recognition

SIRT-Pharmacy, SAGE University, Bhopal have achieved global recognition by being listed on the prestigious FIP World List of Pharmacy Schools. Dr. Neeraj Upmanyu, Pro Vice-Chancellor of SAGE University, played a pivotal role in this accomplishment. This international recognition highlights the institutions' exceptional standards and quality of education. It signifies a significant milestone for SIRT-Pharmacy, SAGE University and solidifies their leadership positions in pharmacy education worldwide. This achievement reflects the dedication and commitment of the faculty, staff, and students towards excellence in academia and research

A Case Study on Marketing **Insight**

On April 16, 2024, the School of Management hosted an engaging Case Study led by Dr. Anamika Rawat. This experiential learning session, titled "A Marketing Insight," was tailored for BBA IV semester students. The outcome was promising, as students notably honed their problem-solving abilities through active participation.

Entrepreneurship Insight Session

Students from the School of Management and Commerce engaged in an interactive session with N Raghuraman on April 10, 2024. During the session, Mr Raghuraman provided valuable insights into entrepreneurship, motivating and guiding the students towards entrepreneurial endeavours, and exploring entrepreneurial opportunities.

Students Section

The School of Journalism and Mass Communication organized a SAGE Talk on "Positive Thinking in Life". The invited speaker was Col. Shailesh Gaur, Indian Army (Veteran). Dr. (H). Rajesh Bijronia, Assistant Professor, co-ordinated the SAGE Talk.

Sage Talk!

#ConnectOfflineWithSage

A Visit to **Parle-G**

The School of Commerce organized an enriching industrial visit to Parle -G on April 8, 2024. Students gained firsthand insights into manufacturing processes and business operations. The visit provided a valuable learning experience and enhanced their understanding of real-world commerce.

A Visit to **NITTTR Bhopal and SIEMENS Center of Excellence**

The School of Management organized an educational visit to NITTTR Bhopal and SIEMENS Center of Excellence on April 10, 2024. This industrial trip provided students with practical exposure to cutting-edge technologies and management practices. It served as a valuable opportunity for students to bridge theoretical knowledge with real-world applications, enhancing their understanding of management principles.

A Visit to **Netlink Software**

The School of Engineering and Technology successfully organized an industrial visit at Netlink Software Pvt. Ltd. for the students. The purpose of the visit was to provide students with company exposure and enhancement of their knowledge of current trends and technologies. More than 50 students participated in the visit. The advisor of the visit was Dr. Mukesh Dixit, HOD, School of Engineering and Technology and coordinated by Ms. Medhavi Bhargava and Mr. Harendra Singh.

A Visit to

Siemens Center of Excellence at the National Institute of Technical Teachers Training and Research

The School of Advanced Computing organized a visit of 45 students on April 10, 2024 to the Siemens Center of Excellence at the National Institute of Technical Teachers Training and Research (NITTTR) in Bhopal. This visit was organized as part of our educational initiative to expose students to cutting-edge technologies and industrial practices. The advisor of the visit was Dr. Gaurav Shrivastava, HOD, School of Advanced Computing and coordinated by : Mr. Nitin Choudhary, Assistant Professor.

A Visit to

Kerwa Dam

Department of Aquaculture, The School of Agriculture, recently organized a field visit to Kerwa Dam in Bhopal, where 15 Master of Fisheries Science (MFSc) students engaged in hands-on learning about Aquatic Ecology. This educational excursion was overseen by Dr. Shriparna Saxena, the Head of the Department of Aquaculture. Coordinated by Mr. Ratnakar Mishra, Dr. Mahendra Yadav, and Somashree Bhakta, the students conducted a River Walk and collected Macrophytes. Additionally, they analyzed the Water Quality Parameters of the dam.

Language and Communication

Training

Training and Placement Cell hosted a session led by Mr. Raghuraman and Dr. Sanjay Sharma, focusing on language and communication skills. Trainers gathered to enrich their expertise in this vital area, exploring strategies and techniques. The session aimed to enhance their ability to effectively convey ideas and engage with diverse audiences. Participants were left equipped with valuable insights to elevate their training endeavours.

A Session on Basic Values

SAGE University in Bhopal held a very successful training session for fourth-class staff members. Dr. Sanjay Sharma led a session focusing on basic values specifically for this group. The session aimed to instill fundamental principles and ethics among the staff. Overall, it was a valuable opportunity for the fourth-class staff to enhance their understanding and practice of essential values.

In today's competitive job market, it's crucial to prepare students for the transition from academia to the professional world. To address this, Sage University Bhopal has introduced a thorough pre-placement training program. This program aims to equip students with the skills, knowledge, and confidence required for success in their chosen careers. The training department conducts various activities such as written tests, group discussions, psychometric tests, personal interviews, and job-specific training for different placement drives in fields like management, pharmacy, commerce, agriculture, and engineering. Recently, a mock placement drive for Medtronic was organized for final year B. Pharma students, where trainers provided insights on written and psychometric tests.

TCS NQT **B.Tech Training**

The training program conducted by Quantitative Aptitude trainers aimed to equip students with the necessary skills to succeed in TCS. This program focused on enhancing student's quantitative and logical reasoning abilities.

Drive Mission100

SAGE University conducted a drive outlining a comprehensive strategy for achieving 100% student engagement at our university, emphasizing spreading awareness of various op-tions, identifying the current status and empowering them to maximize their potential to achieve personal and professional success. There were two activities under this drive.

Discussion on Career Goal sheets

Engaging discussions were held with final-year students of the School of Agriculture regarding their career goal sheets. Facilitators encouraged students to articulate their aspirations and plans for the future. The session aimed to align their academic pursuits with their career objectives, fostering clarity and direction. Overall, it provided a valuable opportunity for students to reflect on their career paths and set meaningful goals.

Resume Writing Workshop

Corporate Relations Cell conducted a resume writing workshop tailored for students of the School of Agriculture. The workshop aimed to equip students with essential skills for crafting effective resumes to enhance their job prospects. Participants gained valuable insights into presenting their academic and professional achievements attractively.

Placement Drive

Corporate Relations Cell organized a placement drive with STAR UNION Dai Ichi for MBA students, resulting in the placement of four students.

SEMINAR

The Role of HR in Driving Sustainability

The School of Management & Arohan HR Club proudly hosted an illuminating Expert Seminar on 'The Role of HR in Driving Sustainability', featuring Ms. Suneha Shrivastav & Ms. Sonali Gajbhiye from GenNext Pvt. Ltd on March 20, 2024. The event was marked by wisdom and insights, expertly coordinated by Dr. Khushboo Sandhu & Ms. Saloni Sharma.

Cyber Fusion

The School of Engineering and Technology hosted Cyber Fusion, by Mentorbot. Leading the seminar was Mr. Abhishek Chouriya, the founder of Mentorbot, with Dr. Mukesh Dixit, Head of the School of Engineering & Technology, serving as the advisor. Coordination was handled by Mr. Nikhil Chaurasia, an Assistant Professor, while moderation duties were shared between Dr. Priyanka Gupta and Mr. Harsh Rathore, Assistant Professors at the School of Engineering and Technology.

Dr. Mukesh Dixit

Head of Department, School of Engineering & Technology

- Selected as National Advisory Technical Committee Member in IEEE International Conference on “Advances in Computing Research on Science Engineering and Technology (ACROSET 2024) in Acropolis Institute of Technology & Research, Indore
- Reviewed a paper titled “Congestion Control in IP Networks using Machine Learning” at the IEEE International Conference on Advances in Computing Research on Science Engineering and Technology (ACROSET 2024) at Acropolis Institute of Technology & Research, Indore.
- Reviewed a paper titled “Driving Towards Safety: Examining the Role of Drowsiness Detection Systems in Accident Prevention” at the IEEE International Conference on Advances in Computing Research on Science Engineering and Technology (ACROSET 2024) in Acropolis Institute of Technology & Research, Indore.
- Pledged for Energy Conservation Initiatives and received a Certificate of Appreciation from the Ministry of Power, Government of India.

Dr. Gourav Shrivastava

HOD, School of Advanced Computing & Computer Application

- Received certificate for completion of a course on “Prompt Engineering” from Infosys Springboard on March 22, 2024.
- Appointed as a reviewer in the International Conference on Distributed Computing and Optimization Techniques (ICDCOT-2024) organized by SJB Institute of Technology, Bengaluru on March 15&16, 2024.

Mr. Ashwani Gupta
Head of Placements

- Delivered a session to the Counselling Calling Team on placement achievement and deliverables.

Dr. Vishakha Srivastava
Professor, School of Design

- Participated in The She Trades Commonwealth Programme, which was a peer-to-peer learning session and 2-day gender-responsive training by an ITC expert.

Ms. Ankita Singh
Associate Professor, School of Management

Registered a design of a Smartboard for education

Dr. Mohit Kamthania
Associate Professor, School of Sciences

- Certified for Oral Presentation at the International Conference "Multidisciplinary Studies, Technological Innovations & Research" organized by the Institute of Applied Medicines and Research, Ghaziabad held on March 15 & 16, 2024.

Dr. Abhilasha Dwivedi
Associate Professor, School of Sciences

- Invited as a resource person at Govt. Girls Geetanjali College for a one-day workshop on the topic "Instrumentation", funded by MPHEQIP-World Bank Program
- Attended a two-day, hands-on workshop on methods in Recombinant DNA Technology, sponsored by SERB and hosted at IISER.

Dr. Kirti Jain
Associate Professor, School of Advanced Computing

- Selected as a member of the National Advisory Committee for the forthcoming IEEE international conference (ACROSET) to be held at Acropolis Institute of Technology and Research in Indore on September 27-28, 2024.

Dr. Rakhi Jain

Associate Professor, SIRT Pharmacy

- Participated in the SERB-sponsored two-day hands-on workshop Methods in Recombinant DNA Technology held at IISER Bhopal on April 18-19, 2024.

Dr. Mahima Nand

Associate Professor, School Of Design

- Selected as a National Mentor for the Association of Designers of India.

Dr. Shikha Ujjainia

Assistant professor, School of Management

- Granted with an AI-powered Sentinel Geo Water Analyser patent.

Ms. Aditi Kichlu

Assistant Professor, School of Commerce

- Attended a 6-day FDP on 'Teaching Management Theories and Practices' organized by the Institute of Professional Education and Research in association with the Faculty of Management, Barkatullah University.

Mr. Rahul Vishwakarma

Assistant Professor, School of Commerce

- Attended a 1-day workshop conducted by Office Master on Excel Using AI on March 31, 2024.

Ms. Neha Jain

Assistant Professor, School of Law

- Attended a 7-day Faculty Development Program (virtual) organized by Vivekananda College of Law, Bengaluru on the topic, 'Interpretation of Statutes' from March 11 – 18, 2024

Dr. Simran Singh

Assistant Professor, School of Law

- Attended a 7-day Faculty Development Program (virtual) organized by

Vivekananda College of Law, Bengaluru on the topic,'Interpretation of Statutes' from March 11 – 18, 2024.

Mr. Anosh Nathaniel

Assistant Professor, SAGE College of Nursing

- Received the Atmamanthan Award on April 3, 2024.

Ms. Isha Rajput

Assistant Professor, School of Sciences

- Attended an Expert Talk on the topic "Modern Techniques in Facial Identification - Update," hosted by SIFS, India, on March 23, 2024.

Ms. Nikita Tomar

Assistant Professor, School of Sciences

- Appointed as an external examiner for practical examination at IEHE Bhopal.

Ms. Shreya Tiwari

Assistant Professor, School of Sciences

- Appointed as an external examiner for practical examination at LNCT Bhopal.
- Invited as an expert lecturer by the School of Agriculture on the topic: "Hands-on training on Callus Culture."

Ms. Hiranamee Patidar

Assistant Professor, School of Sciences

- Appointed as an external examiner for practical examination at IEHE Bhopal.

Ms. Harshita Verma

Assistant Professor, School of Sciences

- Appointed as an external examiner at IEHE Bhopal.

Medhavi Bhargava

Assistant Professor, School of Engineering and Technology

- Attended a national conference on “Digi Edu-2024 Transforming Education and Learning System” organized by the Central University of Himachal Pradesh
- Contributed as a Technical Reviewer for the 2024 First International Conference on Advances in Modern Age Technologies for Health and Engineering Science AMATHE 2024. Also reviewed 5 research papers for the conference.
- Attended 5 days Faculty Development Program titled “Interdisciplinary Frontiers: Wave Mechanics, AI and Non-traditional Machining Processes organized by the School of Electronics and Engineering at Vellore Institute of Technology, Chennai.

Dr. Rakesh Kumar Verma

Assistant Professor, School of Engineering & Technology

- Pledged for Energy Conservation Initiatives and received a Certificate of Appreciation from the Ministry of Power, Government of India.

Mr. Atesh Kumar

Assistant Professor, School of Engineering & Technology

- Pledged for the Road Safety 2024.

Mr. Gopal Patidar

Assistant Professor, School of Computer Application

- Participated in National Faculty Development Program on “Data Analytics using Power BI and Tableau” organized by Faculty of IT and CS - Parul University - Gujarat, Atria Institute of Technology- Karnataka & Amity Pune – Maharashtra in Collaboration with ExcelR Edtech Pvt. Ltd. held on March 11 to 15, 2024.

Mr. Bhavesh Shah

Assistant Professor, School of Computer Application

- Participated in National Faculty Development Program on “Data

Analytics using Power BI and Tableau” organized by Faculty of IT and CS - Parul University - Gujarat, Atria Institute of Technology- Karnataka & Amity Pune – Maharashtra in Collaboration with ExcelR Edtech Pvt. Ltd. held on March 11 to 15, 2024.

Mr. Lokesh Sahu

Assistant Professor, School of Computer Application

- Participated in National Faculty Development Program on “Data Analytics using Power BI and Tableau” organized by Faculty of IT and CS - Parul University-Gujarat, Atria Institute of Technology- Karnataka & Amity Pune- Maharashtra in Collaboration with ExcelR Edtech Pvt. Ltd. held on March 11 to 15, 2024.

Mr. Rijvan Beg

Assistant Professor, School of Computer Application

- Participated in National Faculty Development Program on “Data Analytics using Power BI and Tableau” organized by Faculty of IT and CS - Parul University - Gujarat, Atria Institute of Technology- Karnataka & Amity Pune – Maharashtra in Collaboration with ExcelR Edtech Pvt. Ltd. held on March 11 to 15, 2024.
- Participated in the 5-day Faculty Development Program on “Recent Trends and Applications in Data Science”, organized by the Department of Computer Science, Sister Nivedita University, Kolkata, India.

Dr. Deepti Bhatnagar

Assistant Professor, School of Performing Arts

- Invited as an External Examiner for Music exam of B.A final year students at M.L.B Govt. P.G College.

Mr. Rahul Tiwari

Assistant Professor, School of Performing Arts

- Directed and Presented a play “Kaal Kothari” at SAGE Box Theatre after conducting 15 days workshop.
- Hosted a dance drama “Aao Man Ki Gaanthein Kholein” presented in the 9th Nritya Aangan National Dance Festival 2024 organized by Kalandhika Bhopal associated with the Ministry of Culture, GOI at Shaheed Bhawan Bhopal.

Priyanka Gupta

Assistant Professor, School of Engineering and Technology

- Successfully awarded her Ph.D.

Dr. Tadmishwar Nath Mishra

Assistant Professor (Mathematics), School of Engineering and Technology

- Invited as a mentor in the MTTs programme to be held at ICT Mumbai during the period May 20 to June 15, 2024.

Dr. Rajesh Bijronia

Assistant Professor, School of Journalism and Mass Communication

- Invited as a Judge for 'SAGE UTSAV' a photography competition, at SIRT Bhopal

Ar. Kanak Sahu

Assistant Professor, School Of Design

- Presented a conference paper in March 2024, titled "Green Campus Initiatives" at Govt Women's Polytechnic Indore.

Ms. Shivangi Masani,

(Assistant Professor, School of Arts, Humanities and Social Science)

- Presented a paper entitled 'Dr. BR Ambedkar and his Views on Development of India' in the National Conference attended on Multidisciplinary Research in Education, Human Resource Development and Sustainable Development, organized by Madhya Pradesh Management Association, Social Science and Management Welfare Association & Radiant group of Institutions, Jabalpur, M.P, India on March 17, 2024.

Ms. Radhika Sahu

(Assistant Professor, School of Arts, Humanities and Social Science)

- Presented a paper entitled 'Toxic Positivity: a Psychological Perspective in ANAND AMRIT 2024, a one-day National Conference on Mindfulness, Spirituality and Sustainable Happiness, held on March 20, 2024 by Shri Vaishnav Vidyapeeth Vishwavidyalaya, Indore.

The background of the top half of the page features several stacks of books and papers. On the left, a large stack of books is visible, with some pages fanned out. On the right, there are smaller stacks of books. The overall aesthetic is clean and academic, with a light blue gradient background.

Publications

Dr. Neelam Shukla

Head of Department, Arts, Humanities and Social Sciences

- Published a book chapter titled “MOOC” in the book ‘ICT Development in Education and Special Education’.
ISBN 978-93-6081-262-1 & Pg. No. 116-120

Dr. Kirti Jain

Associate Professor, School of Advance School

- Published research paper along with her Ph.D student on Title: “ A Review on crop Disease Classification and Prevention of Pest using Deep Transfer Ensemble Learning in Agriculture” in IEEE Explore.
