SAGE CAREER DAY 2024

*Transforming your passion
into profession*

SAGE University Bhopal successfully hosted the prestigious SAGE Career Day 2024 on June 7, 2024. The event honored students selected through the 2023-24 campus placements across educational institutions under the SAGE Group, where students shared their placement orders. Shri Gautam Tetawal, Minister of Skill Development and Employment Department, Madhya Pradesh Govt. was invited as a Chief Guest and was welcomed by Chancellor, Er. Sanjeev Agrawal. The program commenced with the lighting of the lamp and Saraswati Vandana. Ar. Shivani Agrawal, Executive Director, The SAGE Group, highlighted the achievements and endeavors of SAGE Group's Training Placement

Department. Shri Gautam Tetawal praised SAGE Group's efforts in the field of education and encouraged all students for their bright futures. Encouraging students to work on innovative ideas and skill development, he said, "You have just spread your wings, your flight is yet to come. Every challenge makes you stronger." He wished the students success in their future endeavors and inspired them to contribute to the economic, cultural, and social development of the country. Chancellor Er. Sanjeev Agrawal shed light on SAGE Group's successful journey in the field of education since its inception in 2003. He discussed SAGE Group's efforts for students' better careers. Today, many of our students are working in top companies, enhancing the reputation of their city and state. He expressed gratitude to the Chief

Minister and the Government of Madhya Pradesh for their support of SAGE Group's initiatives. The program was attended by senior officials of SAGE Group, faculty members, industry experts, and students. At the end of the program, selected students were proffered their placement letters. SAGE Group's educational institutions have so far provided placement opportunities from 500+ companies to 2500+ students. To provide excellent education and better employment opportunities, SAGE Group is associated with more than 150 national and international institutes. Our students are currently holding senior positions in many top companies like Google, Tata, Walmart, Reliance, Infosys, Wipro, and Adani. At the end of the Career Day, Er. Sanjeev Agrawal congratulated the guests and presented them with mementos.

MOCK INTERVIEW SERIES

The training team conducted a series of mock interviews to prepare students for the upcoming placement drives. These mock sessions were designed to simulate real interview environments, providing students with practical experience and constructive feedback. The focus was on improving interview skills, building confidence, and addressing individual weaknesses, ensuring that students are well-equipped to succeed in their actual interviews.

ASSESSMENT SERIES

The training team conducted a series of assessments for students to enhance their readiness for placement drives. The AMCAT SVAR test was administered to evaluate candidates on pronunciation, fluency, intonation, listening skills, language anticipation, and spoken English comprehension. Additionally, the AMCAT MOCK AI test utilized advanced machine learning and Artificial Intelligence technology to assess students' body posture, facial expressions, and voice modulations. These assessments provided valuable insights into each student's communication abilities and overall presentation skills. The initiative aimed to ensure students were well-prepared and confident for interviews.

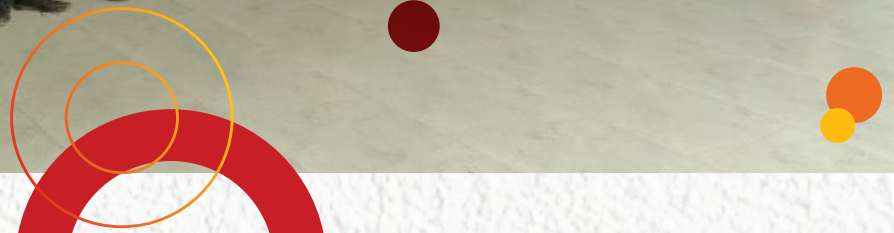

SAGE IGNITE MENTORSHIP PROGRAM

The training team initiated the Sage IGNITE Mentorship Program to prepare students for both life and career. This comprehensive program included mentorship sessions with trainers. Additionally, life skills training addressed financial literacy, work-life balance, and stress management. Students provided positive feedback, noting increased confidence and clarity regarding their career paths. Overall, the program significantly enhanced students' preparedness for future challenges, and it is part of a continuous process that will persist throughout their time at the university, demonstrating the training team's commitment to their holistic development.

SERIES OF INTERNSHIP SESSIONS

A series of highly informative internship sessions were conducted to prepare students for their professional careers. These sessions provided valuable insights into industry expectations, practical skills, and career development strategies. Students gained hands-on experience and knowledge essential for their future careers. The program aimed to bridge the gap between academic learning and professional application.
