A MONTHLY NEWSLETTER OF SUB VOL.4, ISSUE 8

# 77th Independence Day Celebration

Amidst an air filled with patriotism and pride, SAGE University Bhopal commemorated the 77th Independence Day of India with a grand flag hoisting ceremony on August 15, 2023. Hon'ble Executive Director of SAGE University Bhopal, Ar. Shivani Agrawal, a distinguished personality known for her contributions to education and leadership, led the flag hoisting with unwavering pride.

Under the theme "Mera Mati Mera Desh," the occasion was further embellished by honoring the bravery and sacrifice of the nation's heroes. Ten courageous soldiers were recognized and awarded by the University for their Dedication to safeguarding the nation's integrity and sovereignty. The students of SAGE University Bhopal came together to sing patriotic songs that echoed the sentiments of unity and pride.

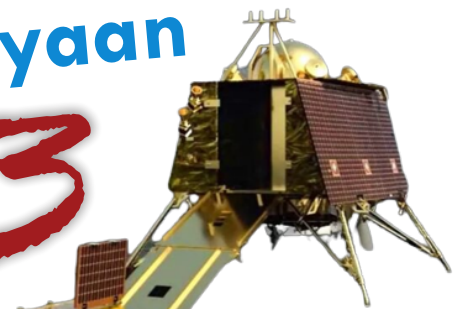

## Congratulations

# Inauguration

## SAGE Retail Sports Store

On the occasion of Independence Day, the SAGE Retail Sports Store was inaugurated on this significant day. Ar. Shivani Agrawal, Hon'ble Executive Director, SAGE University Bhopal along with Dr. Madhu Bhandarkar, President of EUSAI, and Mr. Virendra Bhandarkar, Ex Director of Sports Authority of India, inaugurated the store. This initiative aimed to promote physical fitness and a culture of sportsmanship among the students.

Meri Marzi Drive:

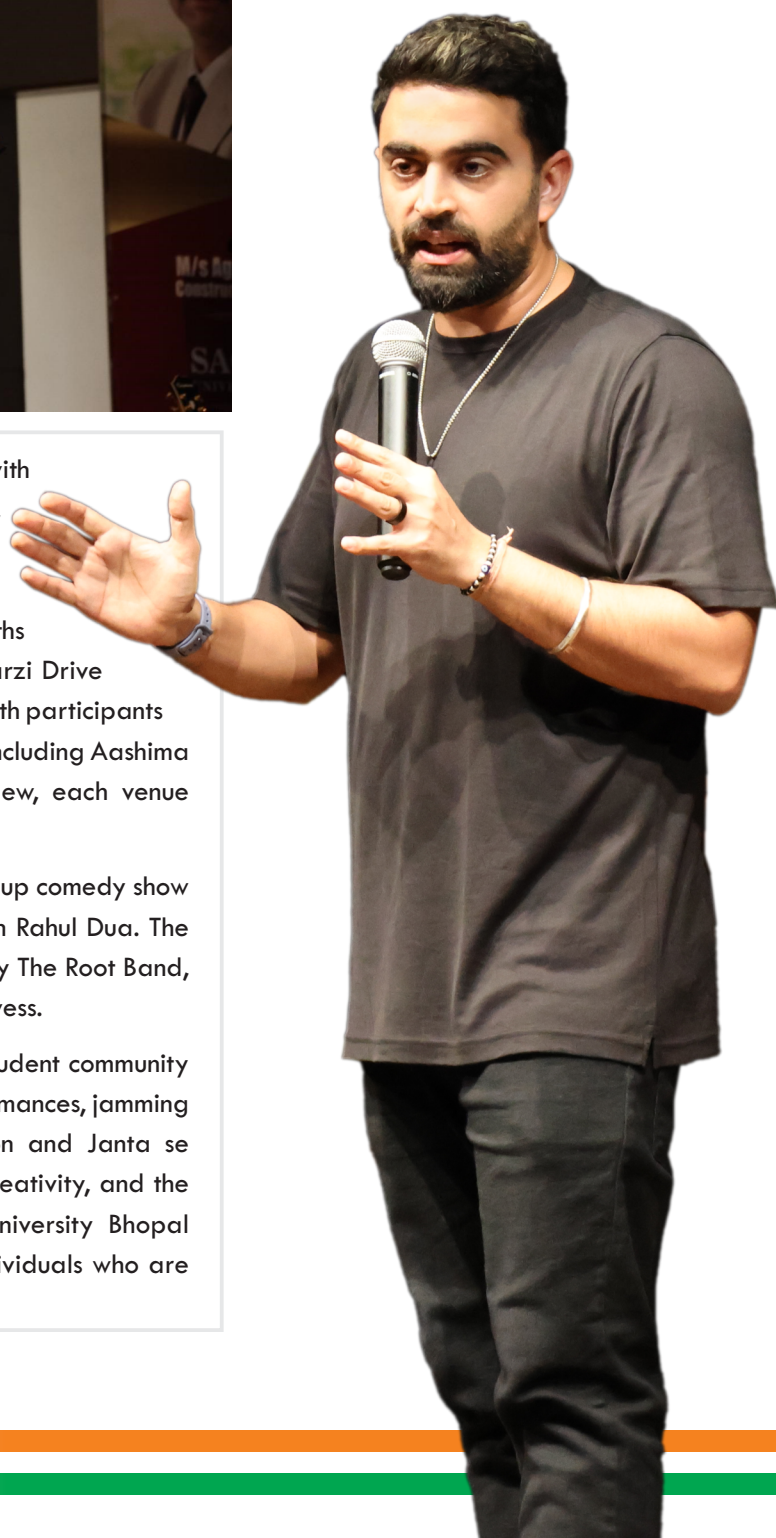

# Azadi Apna Career Choose Karne Ki

The corridors of SAGE University Bhopal reverberated with a unique blend of enthusiasm from July 29 to August 4, 2023, as the university proudly presented the "Meri Marzi Drive: Azadi Apna Career Choose Karne Ki". With the goal of inspiring young minds to chart their own paths and break away from conventional norms, the Meri Marzi Drive was a resounding success, leaving an indelible mark on both participants and attendees. The event took place at multiple venues, including Aashima Mall, Shahpura, Rani Kamlapati Station, and Lake View, each venue contributing to the campaign's widespread impact.

The main highlight of this drive was the uproarious stand-up comedy show titled "O Hello" by the exceptionally talented comedian Rahul Dua. The evening was further illuminated by a live performance by The Root Band, captivating the audience with their energetic musical prowess.

Throughout the drive, faculty members along with the student community showcased their talents in various events like band performances, jamming sessions, management games, crime scene investigation and Janta se Journalist. The event was a tribute to self-expression, creativity, and the power of dreams. It's by hosting this drive; SAGE University Bhopal reiterated its commitment to nurturing well-rounded individuals who are unafraid to challenge conventions.

# Meri Marzi Drive

# Meri Marzi Drive

# Aahvanam आहवानम् 2023

SAGE University Bhopal ushered in a new academic year with grandeur and inspiration through its induction program "Aahvanam" held on August 21 at the Royal SAGE Hall. The event was a heartwarming welcome to the UG and PG students of 3rd, 5th, and 7th semesters across all schools, setting the tone for a fulfilling and enriching journey ahead.

The event witnessed the presence of esteemed guests, adding depth and value to the occasion. Ar. Shiwani Agrawal, the visionary Executive Director of SAGE University Bhopal, led a live SWOT analysis session, offering students a practical approach to self-assessment and goal setting. Shri Pandit Vijay Shankar Mehta, renowned for his wisdom and motivational talks, shared the admirable traits of Hanuman Ji from Indian mythology. Honourable Vice Chancellor Dr. V. K. Jain also graced the occasion with his esteemed presence.

Mr. Suraj Sharma and Dr. Shyama Pandit, faculty members from the School of Performing Arts along with their students, added an artistic dimension to the event. "Aahvanam" was a resounding success, setting the stage for the students' path to success and enlightenment at SAGE University Bhopal.

## WELCOME

First Year 3<sup>rd</sup>, 5<sup>th</sup> & 7<sup>th</sup> SEMESTER  
UG/PG STUDENTS

# Mock Placement Drive

Corporate Relations Cell (CRC) conducted a Mock Placement Drive on August 24, 2023, exclusively for seventh-semester B Pharma students. The drive aimed to provide students with a simulated placement experience, including a written test, group discussion, technical interview, and HR interview.

#### Event Highlights:

1. **Written Test:** Students showcased their theoretical knowledge and problem-solving skills.
2. **Group Discussion:** Students engaged in discussions on industry trends and ethical considerations, demonstrating communication and teamwork skills.
3. **Technical Interview:** Expert faculty evaluated students' understanding of drug development, quality assurance, and emerging trends.
4. **HR Interview:** Soft skills, career aspirations, and adaptability were assessed, providing students with valuable feedback.

The Mock Placement Drive bridged the gap between academia and industry by preparing students for real-world interviews. The event's success underscored SAGE University's commitment to shaping industry-ready pharmacy professionals.

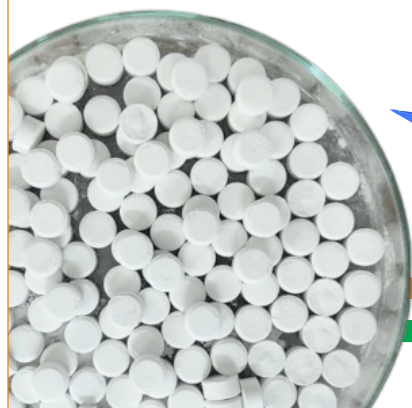

## Pharmacy Promotion Week

SIRT-Pharmacy, SAGE University Bhopal conducted a one week career guidance series & training program under the 'Meri Marzi Campaign' for aspirants to encourage them to choose pharmacy as a career. Experts from different fields of pharmacy along with university alumni conducted expert sessions.

The event ended with a hands-on workshop on Cosmeceuticals and Tablet Formulation in which students prepared 300 paracetamol tablets by wet granulation technique and also learnt about marketed cosmetics and their methods of preparation. Dr. Jitendra Banweer, Dean, SIRT-Pharmacy presided as the advisor for the event, while Dr. NPS Sengar, HOD, was the convener.

# Parthenium Awareness Week 2023

SAGE School of Agriculture celebrated "Parthenium Awareness Week 2023" as per ICAR guidelines on August 16, 2023 to spread awareness about Parthenium as it is one of the most noxious weeds affecting the crops in addition to human & animal health. Dr. Deepak Kher, Dean, School of Agriculture delivered an expert lecture on the topic "Harmful Effects of Parthenium on Human & Animal Health & Importance of Parthenium Eradication". Students identified and eradicated Parthenium weed from the SAGE premise. They also took a pledge to keep the campus Parthenium free. The awareness campaign was coordinated by Dr. Smriti Singh.

Webinar on

**"Discover**  
One Thing Which Will

Make You a  
**Hero"**

SAGE School of Management organized an inspirational career seminar with world-renowned author and life coach Mr. N Raghuraman on July 21, 2023. The session was conducted under the aegis of 'Meri Marzi' campaign and encouraged students to pave their path to success.

# "Prabandhotsav"

## Management Week Celebration

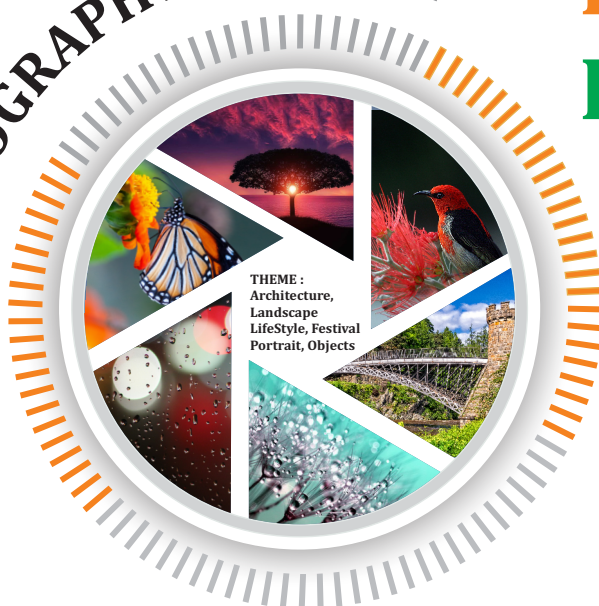

SAGE School of Management celebrated AIMS Management Week "Prabandhotsav" from August 1 - 7, 2023. The event was coordinated by Ms. Vinita Jain, Mr. Aman Shukla and Ms. Aditi Kichlu. Both online and offline events were conducted on the theme "ESG (Environmental, social and governance) through the lens of SDGs". The events were planned, executed and mapped with each of the 17 goals in mind. All the students of the school of management participated with great enthusiasm.

# 'World Photography Day'

## PHOTOGRAPHY CONTEST

SAGE School of Journalism & Mass Communication organised a Photography Contest on the theme 'Architecture, Landscape, Lifestyle, Festival, Portrait and Objects' to celebrate World Photography Day on August 19, 2023. The contest was open to all. Students from schools and universities across Bhopal participated in the competition to showcase their skills and creativity by capturing awe-inspiring moments. The event was conceptualized and coordinated by Dr. Rajesh Bijronia, Assistant Professor, SoJMC.

## Workshop on "International Self Care-Day"

SAGE College of Nursing organized a workshop on "International Self Care-Day" on July 24, 2023. The event began on a high note with a welcome address by Hon'ble Vice Chancellor; Dr. V.K. Jain expressed who encouraged students about self-care activities. The Guest Speaker Dr. Ranjeet Singh Arya, MBBS, MS Gandhi Medical College, Bhopal expressed his views on the importance of self-care. Dr. Sumit Kumar Mandal, Consultant & Head Emergency Department, Apollo SAGE Hospital, Bhopal talked to students on the importance of lifestyle management & everyday energy. The session highlighted the significance of self-care activities and how they can help cope up with stress and improve one's mental, emotional and physical well being.

IMPROVE YOUR WELL BEING-SELF CARE

## Workshop on *Advanced Nursing Simulation*

SAGE College of Nursing organized a one day workshop on August 9, 2023 on "Advanced Nursing Simulation." The eminent guest Mr. Pravir Bargal, Sales and Solution developer, Laerdal Medical India Pvt Ltd talked about the purpose of a nursing mannequin that helps learners and trainees extend their knowledge by experiencing potential nursing scenarios in simulation training.

## *An Educational Visit to Water Purification Plant*

SAGE College of Nursing organized an educational visit to the Water Purification Plant at Shyamla Hills, Bhopal on August 10, 2023. The main purpose for this visit was to give students first-hand knowledge on the treatment process of raw water and the various components used in a treatment plant. The supervisor, Ms. Munni Chauhan, explained in detail the structure and working of the water purification plant and addressed the curiosities of the students. This visit played an important role in facilitating experiential learning for the students.

# Faculty Development Program

## Effective Use of Knimbus Digital Library

The SAGE Central Library organized an FDP in association with Knimbus Digital Library on “Effective Use of Knimbus Digital Library.” The training session was taken by Ms. Kanishka Jindal. She detailed the method of searching the database, which was useful in the current student scenario. She demonstrated the methods by which one could operate independently with great control over technical variables. The University Library Coordinator as well as other faculty members attended the demonstration of enabling screen sharing for the remote log-in process. The event was promoted by Mr. Ravi S. Mishra, Director, Consortium Books Pvt. Ltd. and convened by Dr. Aashi Dixit, Professor, SoS. Mr. Akash Khare, Library Manager successfully coordinated the session.

## Paytm Payments Gateway Brings The Most Innovative Payment Features for India's Online Businesses

Online shopping has taken the retail space by storm. With more and more people preferring online shopping, the e-commerce sector has seen phenomenal growth. For a seamless online shopping experience, a robust payment gateway is a must. Paytm Payment Gateway offers all this and more to its merchants, ensuring that they can scale their business and widen their consumer base. Merchants can seamlessly integrate Paytm Payment Gateway, ensuring superfast and secure payments for consumers.

Ensuring customers experience a high-quality shopping experience that runs on the most effortless payment options is paramount. Paytm Payment Gateway provides a comprehensive range of payment options to users – UPI, Wallet, Paytm Postpaid, net banking, debit and credit cards, EMI. Other payment gateways limit their payment options to debit cards, credit cards and net banking.

Quick and seamless checkout is the hallmark of a good payment gateway that eliminates redundancies by 50% and boosts conversions. On Paytm Payment Gateway, merchants can benefit from Express Payments feature that enables OTP-less and CVV-less secure payments for consumers, or the Saved Instruments feature, which enhances the checkout experience for customers by freeing them from the hassle of entering their payment details time and again.

**Merchant Dashboard:** For easy & powerful accessibility It empowers merchants to handle business transactions, initiate refunds, resolve disputes and receive same-day settlements through a single dashboard.

Merchants can also download reports and get valuable insights in real-time.

### Instant Refunds

Paytm Payment Gateway has streamlined the refunds process for online businesses and provides same day refunds that enhances user experience and trust in the brand.

**Subscriptions:** Seamless recurring payments solutions With the Paytm Payment Gateway's subscription

functionality, online businesses can easily collect recurring payments while also providing their consumers with free trials. It allows customers to set up an automated billing cycle.

**Large Payment Collection:** Collect & reconcile bank transfers efficiently

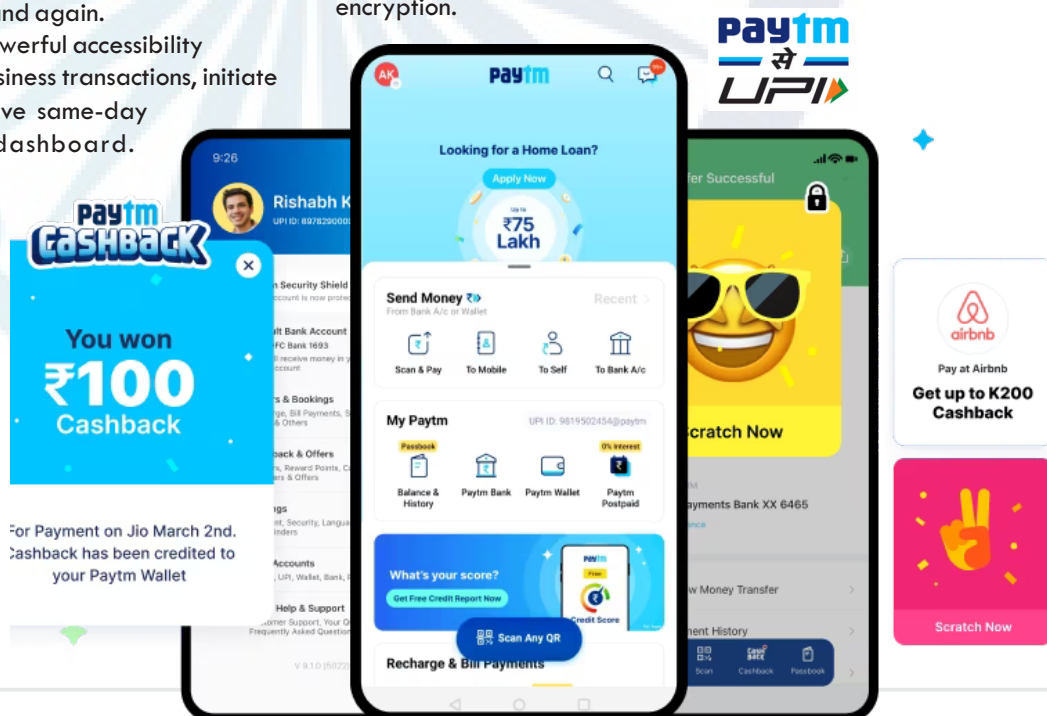

Paytm's Large Payment Collection enables businesses to collect and reconcile bank transfers while managing their collections and letting them concentrate on business growth. This feature allows businesses to generate custom virtual account numbers and start collecting payments from customers through NEFT, RTGS, or IMPS, thus enhancing the business's productivity and shifting the massive workload to drive growth.

**Settlements:** Say goodbye to liquidity crunches

This feature helps businesses manage cash flows to handle daily operational expenses more efficiently. They can enjoy next-day settlements by enabling a T+1 settlement cycle at zero additional charges.

**PCI-DSS level security**

Paytm Payment Gateway uses the latest anti-fraud technology to keep things safe for online businesses. It has a dedicated team of 200 cybersecurity experts to ensure every user transaction is secure. It is also certified by the Payment Card Industry – Data Security Standards (PCI-DSS) with 128-bit encryption.

## Triple Combination Diabetes Medication

The Drug Controller General of India (DCGI) approved a triple combination of medications for the treatment of diabetes. The drug combines Sitagliptin 100, Pioglitazone 15, and Metformin 1000/500 to provide better treatment without the need for multiple drugs. The combination drug is going to better serve anti-diabetic patients, who require better treatment without necessarily swallowing multiple drugs. Reno-protective effects of drugs like metformin, coupled with the functional and corrective influence of pioglitazone on beta-cell and metabolic syndrome and the stability of Sitagliptin, make an effective solution for diabetes.

### Drug for Diabetic Neuropathy

Diabetic Neuropathy, a condition that results in nerve damage in peripheral areas of the body. There is already a patent filed for the Fixed-Dose Combination (FDC) that holds promise in treating peripheral neuropathy, a prevalent condition affecting over 2 percent of the global population. To empower the medical fraternity and enhance patient treatment, particularly when conventional therapies fall short. By actively addressing medical conditions that increase the risk of neuropathy development and introducing neuro-protective medications, support early neuronal regeneration and minimize the impact of the condition.

### India set to be Third-Largest Economy by FY28: SBI Research

India will become the third largest economy by FY28, two years earlier than projected, said SBI Research economists in a note on Thursday.

"The Indian economy continues to enjoy a period of sustained goldilocks," SBI Research economists said, pointing out that India will surpass Japan and Germany at the current growth rate and account for a 4% share of global GDP.

India is set to become the world's third-largest economy by FY28, two years earlier than projected, according to economists at SBI Research. The team said the figures, which would see India surpass Japan and Germany and account for 4% of the global GDP share, were achievable with growth rates anywhere between 6.5% to 11.5%.

## PM Modi invites Global Emiconductors Majors to Invest in the Country

Prime Minister Narendra Modi on Friday invited global semiconductor majors to come and invest in India and asserted that whosoever comes forward will have a "first mover's advantage," while speaking at the 'Semicon India 2023' event. PM Modi said that India wants to emerge as a trusted partner for the semiconductor industry and is keen to be a chip supplier for the world.

He told investors, "You have to develop a chip-making ecosystem for Indians. I believe whoever comes forward will have a first mover's advantage."

The event was aimed at bringing together global leaders from industry, academia and research institutions. It showcased India's semiconductor strategy and policy which envisions making India a global

hub for semiconductor design, manufacturing and technology development.

India, he said, is emerging as a trusted partner in the global chip supply

chain. "It is not just India's needs, the world now needs a trusted and reliable chip supply chain. Who can be that trusted partner if not the largest democracy," PM Modi said.

"World's trust in India is rising. The trust is due to a stable, responsible, and reform-oriented government," the Prime Minister said.

"Indians are tech friendly and fast in adopting technology. Cheap data availability in villages, quality digital infra, and seamless power supply pushing data consumption in India," he said, adding that India's aspirations are driving its growth.

Semicon India 2023 witnessed the participation of representatives of major companies such as Micron Technology, Applied Materials, Foxconn, SEMI, AMD, among others.

## BEYONCE FLAUNTS IN INDIAN DESIGNER CREATIONS

Queen Bee Beyoncé wore an Indian designer Gaurav Gupta creation during her Renaissance World Tour Concert and the Internet calls it 'a moment'.

The custom outfit is a crystal bodysuit and leggings boots with a statement sleeve in swirl design – a signature style of the designer Gaurav Gupta. The white coloured bodysuit features a sleeveless design and swirl sleeve design extending towards her full torso, a cut-out on the waist embellished with a see-through mesh, shimmering sequin embellishments, high-leg cutouts and a figure-hugging silhouette. This has added one more feather to Indian fashion industry and marked its presence on the global platform.

- Delivered an expert session on "Administrative Audit" in SGP-III on July 27, 2023.
- Delivered an expert session on "Benchmarking Research Performance" in SGP-III R & D module on August 9, 2023

**Dr. Gaurav Mukerji**  
(Professor, SAGE College of Nursing)

- Participated in two days' workshop on the Life in Emergency conducted by L.N Nursing College, LNCT University Bhopal, on July 26, 2023.
- Participated in a Virtual International Conference organized by Chirayu College of Nursing, Bhopal on July 24, 2023.

**Dr. Anita Yadav**  
(Associate Professor, School of Sciences)

- Participated in a Webinar on "Influencing Policy and Practice with Open Research" on August 3, 2023 organized by Taylor and Francis Group.

**Dr. Mohit Kamthania**  
(Associate Professor, School of Sciences)

- Participated in a National Webinar on "Skill Based Learning and Employability" on August 12, 2023 organized by Department of Higher Education, Govt. of Madhya Pradesh.

**Dr. Rajesh Bijronia**  
(Assistant Professor, School of Journalism & Mass Communication)

- Delivered expert lectures in five days' online workshop on Manipulation in Photography from July 31 to August 5, 2023 during Sage Summer School organized by SAGE University, Indore.

**Ms. Kanchan Jha**  
(Assistant Professor, School of Engineering & Technology)

- Delivered an expert session on "Rules and Regulation of Blog Writing" in Sagar Institute of Research and Technology on August 18, 2023.
- Delivered an expert session on "Excel Techniques" in SGP-III for non academic persons on August 19, 2023.

**Ms. Sanika Pimpale**  
(Assistant Professor, School of Design)

- MOOC course completed on topic Web and Desktop app UI design in Figma by Design Code on August 21, 2023.
- Attended one-week IFDP on the topic NEP 2020, Pedagogy, Andragogy, Design Thinking, Out-Come Based Education and Digital Learning organized by National Institute of Design, Madhya Pradesh (NIDMP) from August 3-7, 2023.

**Ar. Niharika Sehgal**

*(Assistant Professor, School of Design)*

- Attended one-week IFDP on the topic NEP 2020, Pedagogy, Andragogy, Design Thinking, Out-Come Based Education and Digital Learning organized by National Institute of Design, Madhya Pradesh (NIDMP) from August 3-7, 2023

**Mr. Nitin Toppo**

*(Assistant Professor, School of Law & Legal Studies)*

- Attended an FDP on Cyber Security and Law conducted by Department of Law, Prestige College Indore on July 7, 2023.

**Dr. Sharia Anjum**

*(Assistant Professor School of Arts & Humanities)*

- Invited as External Subject Expert for Board of Studies on August 1, 2023 at Bhopal School of Social Sciences, Bhopal.

**Mr. Shivaji Rai**

*(Assistant Professor School of Arts & Humanities)*

- Published an article on 81st Anniversary of Quit India movement in Dainik Divya Ghosh on August 8, 2023.
- Attended a Workshop on Ancient Indian Script organizing by Cultural Ministry, Department of Archaeology, M.P in Hotel Palash Residency Bhopal.

**Dr. Smriti Singh**

*(Assistant Professor School of Agriculture)*

- Participated in a Webinar entitled "Sustainable Warehousing Practices by Agri- Startups" on August 19, 2023 organized by MANAGE CIA, Hyderabad
- Participated in a Webinar entitled "Agri-Startups Use of Machine learning for Disease Detection and Prevention" on August 12, 2023 organized by MANAGE CIA, Hyderabad
- Participated in a Webinar entitled "Agri-Startups: Applications of Machine Learning on August 5, 2023 organized by MANAGE CIA, Hyderabad.

**Dr. Anamika Rawat**

*(Assistant Professor, School of Management & Commerce)*

- Delivered an expert session in FDP organized by IOT Academy, Coimbatore on the topic "Quality Teaching and Learning in HEIs" on August 4, 2023.

**Dr. Sarika Shrivastava**  
(Associate Professor, SIRT-Pharmacy)

- Published a patent on “Psidium Guajava & Curcuma Longa Extracts Based Chewing Gum for Treating Mouth Ulcer” on August 4, 2023.

**Dr. Praveen Tahlani**  
(Associate Professor, SIRT-Pharmacy)

- Published a patent on “Psidium Guajava & Curcuma Longa Extracts Based Chewing Gum for Treating Mouth Ulcer” on August 4, 2023.

**Dr. Durga Pandey**  
(Associate Professor, SIRT-Pharmacy)

- Participated as a delegate in a two days workshop on “Recent Advance & Development in Tran disciplinary Research”, organized by Sri Venkateshwara University, Tirupati & Seven Hills College of Pharmacy, Tirupati, on July. 26 -27, 2023.
