88th National Billiards & Snooker Championship 2021

Considering the importance of sports as an essential pillar to build the careers of our aspiring students, SAGE University Bhopal hosted the 88th National Billiards & Snooker Championship from 29 November to 29 December 2021. This championship was held for the first time in Bhopal. It was organized by the Billiards and Snooker Federation of India (BSFI), the governing body for cue sports in India. SAGE University hosted this national sports event in association with the Sports and Youth Welfare Department MP & MP Billiard & Snooker Association.

Mrs Yashodhara Raje Scindia Minister of Sports and Youth Welfare, Technical Education and Skill Development and Employment, Madhya Pradesh Government was invited as a chief guest for the inaugural event. Over 1000 national and state players competed for the eighteen titles in three major categories.

Defending National Billiards Champion and the winner of 24 World titles in Cue Sports, Padam Bhushan, Pankaj Advani, the Golden boy of Cue Sports, defended his national billiards title most magnificently, like a true champion. The Sage National Billiards & Snooker Championship concluded at the Royal Sage Auditorium. The Honorable Vice Chancellor, Sage University, Dr V K Jain, in the presence of the Secretary General of the Billiards & Snooker Federation Of India, Mr. Sunil Bajaj, and the Vice President, BSFI, Mr. Sunil Morajkar distributed prizes to the winners.

The Juniors event of the Sage National Billiards & Snooker Commencing organized by the Madhya Pradesh Billiards & Snooker Association under the auspices of the BSFI with the conjunction of the Madhya Pradesh Ministry of Sports & Youth Affairs concluded on 29th December 2021. The thirty seven days national event had been chiefly sponsored and hosted by the SAGE University Bhopal.

SAGE Grooming Program

To enhance the teaching and working skills of the faculty and staff members of SAGE University Bhopal, IQAC Cell in Coordination with HR department has initiated the SAGE Grooming Program. This program is divided into four modules -

1. Academic Module
2. R&D Skills
3. Professional Abilities
4. Branding Skills

Academic Module of SAGE Grooming Program was successfully initiated on 1st December 2021 with the eminent presence of Honorable Vice Chancellor SUI Dr Ankur Arun Kulkarni as keynote speaker and Hon' ble VC SUB Dr V K Jain as expert on NEP 2020.

The training on Academic skills and Professional abilities was initiated from 1st December 2021 in 20 and 12 sessions respectively, each of 1hrs 30 minutes followed by participant's feedback. Different pedagogical aspects of teaching and learning with professional capabilities were introduced in this program and the queries of the participants were well addressed by the speakers. During this program eminent persons like Management Guru N. Raghuraman, Spiritual Guru Pt. Vijay Shankar Mehta, Senior faculty members from NITTR, NCERT and RGPV, Senior members of SAGE Group including Honorable Vice Chancellor SUB, Honorable Vice Chancellor SUI and Director General of SUB guided and inspired the participants.

The academic module training includes NEP2020, outcome based education, and different aspects of pedagogy, evaluation system, and student centric system and the professional ability module which includes professional behavior, task prioritization, time management, stress management, leadership.

Nukad Natak

Sage School of Languages and Culture along with the Literature Club organized a Nukad Natak (Street play) on 7th December 2021. The event focuses on the empowerment of women in modern society. Twenty one students of various faculties participated in this event. Through a medium of a street play, a message was disseminated to the society that a modern woman is sufficiently competent to overcome all impediments presented in her way of self development by a given society. The event was organized with a motive to provide a platform to our students to showcase their theatre skills and develop an art of public persuasion. To suit the nature of the event, this street play was conducted at the parking area of SUB campus where many students and faculties witnessed and applauded it.

Debugging Competition

Sage School of Advance Computing in association with Coding Club organized a “Debugging Competition” on 4th December 2021. Around 100 students participated in the event. Dr Tasneem Bano Rehman was the faculty coordinator.

Website Development for Beginners

School of Advance Computing conducted a one week Value Added Course on "Website Development for Beginner" in which Mrs. Kanchan Jha was the Trainer.

A hands on training session on "How to handle different social media platforms for branding" was coordinated by Mrs. Kanchan Jha and Dr. Gourav Shrivastava. SEO team members Maya Prasad, Sreyansh Sakya & Sourabh Singh was also present in the session for providing help in review.

World Fisheries Day Celebration

Students and Faculty members of the Department of Aquaculture along with Barkatullah University celebrated World Fisheries Day on 21st November 2021. They visited Malwa fish hatchery and learnt about different hatcheries, water quality analysis and interacted with fish farmers and entrepreneur about prospect of fisheries. They have learnt about hatchery operation and induced breeding.

Organized a visit to the fish museum of Barkatullah University for learning morphometric characteristics of fish with MFSc. students of Sage University at 2nd December 2021.

Survey of Fish Market

The Department of Aquaculture conducted a survey of a fish market near Habibganj, Bhopal with MFSc. The students were taken there for the identification of marine & freshwater fish.

Training For Fish Farming

A training program at Oceana Aquaculture Fish Farm, Bairasiya Road Bhopal was organized on 12 November 2021. Entrepreneur Mr. Rohit Mishra interacted with students of Aquaculture about fisheries industry in India. The main objective of this training program was to provide practical, technical as well as commercial knowledge of fish farming to the students.

Chitrabharti National Film Festival

On 19th December 2021, the students from various schools along with the faculty coordinator Mr. Rajesh Bijronia, Assistant Professor SAGE University Bhopal visited Chitrabharti National short film festival at Bharat Bhawan, Bhopal. During the visit, their team interacted with various academicians of other universities, artists, actors, technocrats, bureaucrats, filmmakers and organizers. The students learnt real time situation reporting, writing script, news shoot, production work for media and films. The students took video interviews and did event coverage in both video and photography mode. They showed their talent and creativity and earned practical knowledge of the subject.

7th Khajuraho International Film Festival

The Students of School of Journalism & Mass Communication, SUB participated in 7th Khajuraho International Film Festival at Khajuraho, from 8-10 December 2021, for the screening of their shortlisted short film "SHIVI aur SUMAN". A group of nine students were escorted by Mr. RAJESH BIJRONIA, Assistant Professor, SAGE School of Journalism & Mass Communication and Dr. Preeti Jain, Assistant Professor School of Languages and Culture. A certificate of appreciation was given by Mr. Raaja Bundela actor, director, politician and organizer of the event. KIFF is going to be the first ever film festival at a 'World Heritage' site in India, organized by Govt. of Madhya Pradesh in collaboration with Prayaas Production Pvt Ltd.

A Visit to CRISP India

School of Design SAGE University Bhopal in association with CRISP India, Bhopal conducted a one-day educational program at CRISP on 22nd December 2021. It provided an opportunity to The Students of Design to relate the theoretical concepts with real-time organizational activity. This allows students to look into a particular design program from all possible perspectives enabling them to learn and acquire practical knowledge. Moreover, it was indirect learning and helped students in finding things by themselves which helps them to come up with a more creative outcome.

A Workshop on Clay Exploration

To develop entrepreneurship in professional Clay making and to learn the skills of exploring tools and materials, School of Design SUB conducted a three days "Clay Exploration Workshop" from 6th December – 8th December 2021. The workshop focused on understanding the world of CLAY. During the workshop students learn to prepare and manipulate through forming, coiling and how to prepare a prototype. Mr Devendra Shakya, an artist was the resource person of the event.

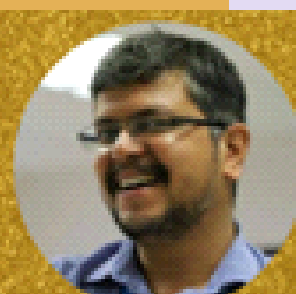

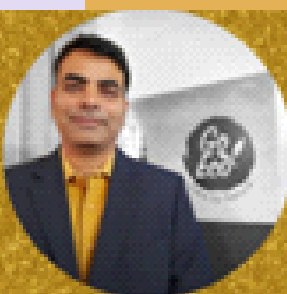

Evening Extravaganza

School of Performing Arts under the coordination of Mr Suraj Sharma, incharge HoD of SoPA conducted 5 days Extravaganza - a series of cultural programs in the evening to welcome and entertain world class sportsmen from the SAGE Billiards and Snookers Nationals 2021 championship held at the campus of SAGE University Bhopal. On 29th of Nov 2021 students of Bachelor of Performing Arts showcased their band Cadence's performance "Musical Unplugged", on 3rd of December 2021 the students of Masters of Performing Arts presented in the Amphitheatre a medley, transforming the evening to ethereal ambience. "Essence of Music" an instrumental performance by 11 musicians from India brought the whole house down 'Mr. Aslam Khan' on Saxophone, Mr. Raees Shah on Violin rendered the audience speechless with Mr. Anirudh Saxena handling the vocals & Mr. Swapnil Bagul at percussion on 8th of Dec 2021. Shaam-e-Gazal was showcased by the School of P.A. on 14th Dec 2021 during the late evening hours to honour the winners of Billiards Snooker National Tournament 2021. Mr. Rahul Tiwari a seasoned anchor and the Asst. Prof SoPA hosted the show with Mr. Anirudh Saxena and Mr. Raju Rao on vocals.

A Workshop on Molecular Phylogeny of Fungi, Bacteria and Virus

A three days online workshop on Molecular Phylogeny of Fungi, Bacteria and Virus in collaboration with BEST, Pune was coordinated by Dr. Rohit Sharma and Dr. Anjusha Mune from School of Sciences, SUB. The workshop was inaugurated by Hon'ble Vice Chancellor Dr. V. K. Jain. Total ninety six participants from five countries and twenty five states registered for the hands-on sessions. The workshop was a success and received positive feedback from participants.

Mr. Nikhil Chourasia

Mr. Nikhil Chourasia member of School of Engineering & Technology organized SAGE talk on “Recent Trends & Technology” on 30th November. The resource person for the session was Dr. Jaipal Bisht. The session was attended by approx. fifty participants.

Faculty Achievements

Dr. V. K. Jain (Vice Chancellor)

Attended JSS National Convention, Kevadia, Gujrat during 26-27 Nov, 2021 on theme “Digitization and Technological Upgradation of Jain Tirthsthan”.

Delivered Keynote Address in a workshop on Microbial Phylogeny-Bacteria, Fungi and Virus “organized by School of Sciences, SUB & Bharat Eco Solutions & Technologies (BEST), Pune on 16 December 2021.

Delivered Keynote Address in National Webinar on “Post-Covid 19 Scenario: Opportunities and Challenges” organized by School of Management & Commerce, SUB on 18 December 2021.

Delivered an expert talk on “Ecosystem available for Promoting Innovation & Startup in Educational Institutions” organized by NITTTR, Bhopal on 21 December 2021.

Dr. Deepak Kumar Sondhiya

Represented India at World Space Forum 2021 jointly organized by United Nation Office of Outer Space affairs (UNOOSA) and Federal Ministry, Republic of Austria on 7th-10th December 2021.

Presented a research paper at an on-line conference on "FASR2021: Solar Physics with a Next Generation Solar Radio Facility", hosted by the University of California Berkeley's Space Sciences Laboratory from December 1st to 3rd December 2021.

Attended a workshop on "Artificial Intelligence and Assistive Technologies for Enhancing Learning and Inclusive Education: Concepts, Recent Trends and Research Challenges" held from 18-21 November 2021, organized by Indian Institute of Technology, Bhubaneswar.

Attended an International Workshop on "Emerging Trends in Gravitation and Cosmology" during December 16-19, 2021 held at Department of Mathematics, Presidency University Kolkata.

Dr. Mohit Kamthania

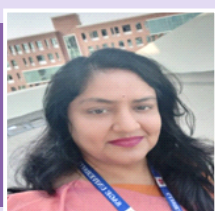

Participated in a National Webinar Series on "Innovative and Novel Solution for Water Conservation and Management" organized by SBN Govt. PG College Barwani (MP) held on December 10 - 18, 2021.

Attended a Faculty Development Program on "Future Wireless Technologies" from 15-20 November 2021 held at Ajay Kumar Garg Engineering College, Ghaziabad.

Participated in a National Faculty Development Program on "Recent Development in

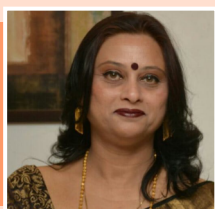

Manufacturing Technology (RDMT 2021) organized by Department of Engineering from 16 -20 November 2021.

Appointed as an Editorial Board Member for an International Journal- Community Acquired Infection-ISSN 2225-6482.

Dr. Meghna Dubey

Published a research paper in an International Journal entitle Oxidation Communication (SCI journal) Nanocarrier Drug Delevry involves Targeting central Nervous system (CNS) Drugs kinetic study 44.3, No 556-565 (2021).

Dr. Shriparna Saxena

Nominated as a Co-Chairperson of State Academic Council of Children Science Congress M.P. Chapter, a program of Department of Science and Technology, Govt. of India.

Invited as a Judge of the State Level National Children Science Congress at Science Centre (Gwalior) MP on 09 December 2021.

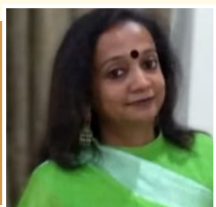

Invited as a Judge in the Regional Indian Young Inventors and Innovators Challenge-2021 organized by National Council for Science & Technology Communication (DST), Govt. of India, New Delhi.

A Ph.d Thesis is submitted by a research scholar Bholaram Brahmane under her guidance in Aquaculture department at Barkatullah University, Bhopal.

Ms. Veena Gour

Invited as a resource person at RCVP Noronha M.P Academy of Administration, Bhopal to train 53 trainee officers of M.P Government during their “106th Combine Foundation Training Program” on 6th and 8th December 2021.

Ms. Deepa Ayachit

Invited as a Resource Person for Value Added Course at Sagar Institute of Research and Technology Pharmacy, Bhopal on the Topic Public Speaking and Soft Skills Development on 11th December 2021

Moderated a panel discussion at Konnect Conclave 2021 on 18th December 2021 organized by MP Konnect, a business networking/news portal with an aim to connect people from the states of Madhya Pradesh and Chattisgarh.

Dr. Tasneem Rahman Bano

Invited to chair a session of 21st International Conference on “Hybrid Intelligent Systems”, Washington USA on 14th December 2021.

Invited to be an external reviewer of 1 of their PhD candidate thesis “ Intelligent Information Analysis for Natural Hazard Prediction” from Vivekananda Institute of Professional Studies College in New Delhi (GGSIPU).

Dr. Gourav Shrivastava

Completed one week AICTE-ATAL FDP on “IoT and its Applications” organized by Rajiv Gandhi Proudhyogiki Vishwavidyalaya (RGPV).

Dr. Anju Singh

Attended the FDP Sponsored by AICTE (ATAL) and organized by Computer Department Makhanlal Chaturvedi National University of Journalism and Communication from dated 6th to 10th December 2021.

Dr. Swati A. Sharma

Nominated as a subject expert for BOS English for three years 2021-24 by the Department of English Satya Sai College for Women.

Ms. Mahima Nand

Presented a poster in 3rd International Conference IICD at Jaipur on 3rd December 2021.

Dr. Seema Rathi

Attended a National Conference organized by Pandit Kunji Lal Dube Rashtriya Sansadiye Vidyapeeth held on 26 November 2021.

Dr. Pankaj Srivastava

Participated in an International Webinar on “Mango, Producing is not enough! Wake up call on Postharvest, Processing Technology and Value Chain Management” organized by Department of Agriculture and Environmental Science, National Institute of Food Technology Entrepreneurship and Management, Kundli, India under Ministry of Food Processing Industries, Government of India December 07, 2021.

Dr. Vanya Chaturvedi

Designated as YCC Coordinator for SAGE University Bhopal YCC Chapter.

Mr. Harshil Paradkar

Designated as YCC Coordinator for SAGE University Bhopal YCC Chapter.

Invited as Main Jury at National Film Festival 'Cinemascope' held at IES University on 24 December 2021.

Dr. Aashi Dixit

Participated in an expert talk on the occasion of “National Energy Conservation Day” organised by Centre for Energy and Environment, in association with Institute Innovation Council, Delhi Technological University, Delhi held on 14 December 2021.

Dr. Abhilasha Dwivedi

Participated in the program “ICTP-ICTS Winter School on Quantitative System Biology (online) organized by International Centre for Theoretical Sciences (Tata Institute of Fundamental Research) held from 06 December to 17 December 2021.

Mr. Rahul Tiwari

Participated as the character actor in the advertisement shoot of Vyapar App on 11th December 2021. The Project was provided by BRCCC Team and the Advertisement was directed by Mr. Aditya Raj Samoni.

Performed as a character actor with Bobby Deol in the Ashram 3 Webseries. The Project was provided by Prakash Jha production Company and directed by Mr. Prakash Jha

Acted in the web series titled "The Whistle Blower" as a character artist and shared screen space with renowned actors Ashish Verma (FTII) and Vijay Kumar (NSD). The web series is already on air across national platforms on 17 December 2021.

Mr. Anirudh Saxena

Felicitated in the International Film Festival at Khajuraho for his performance by Veteran Actor Mr. Raja Bundela on 10th of December 2021.
