## SAGE Green Thumb Plantation Drive

During the pandemic, SAGE University Bhopal continues to boost the morales of people by various activities. Furthermore SAGE University Bhopal initiated The SAGE Green Thumb Plantation Drive. The drive commenced with planting of saplings to mark World Environment Day. The event was inaugurated by Hon'ble Mrs. Kiran Agrawal Ma'am as Chief Patron, Mr. N. Raghuraman as a Chief Guest. Ms. Sakshi Agrawal, Executive Director of the SAGE Group, and Dr. Ashish Dutta, Director General of the SAGE University Bhopal presided over this event. In this event sapling of fruit plants were planted in the luxurious campus of the SAGE University Bhopal. The event was coordinated by Dr. Govind Gupta and Mr. Harsh Rathore under the Green Credit, Yoga and Meditation series.

# Vaccination Centre At SAGE University, Bhopal

With more cases being reported from schools and colleges, the focus is on vaccinating as many staff as possible. A COVID-19 vaccination centre was organized at the Sage University Bhopal for all the staff members. The sage university conducted a vaccination drive in a university for its staff. A government doctor and team of para-medical staff administered the vaccine to all staff members during the camp.

Staff members can online register themselves from 9:00 am onwards, with an ID, staff can walk in and get vaccinated. Faculties too are showing keen interest in getting vaccinated. Awareness was created among all staff members on the rapid spread of the viral infection and the safety measures to be taken. The university is committed to the safety of all its members. And also said twice a day, the university campus is sanitized to ensure that everyone stay safe.

## National E-Conference

**National E-Conference on Achieving Competitive Advantage in Business through People, Process, System and Technology.**

SAGE University Bhopal organized one-day National E-Conference on "Achieving Competitive Advantage in Business through People, Process, System and Technology" jointly with Indian Society for Training & Development, Bhopal Chapter on May 29, 2021. Inaugural session was started at 10:00am on May 29, 2021. Prashant Jain Hon'ble Pro Chancellor SAGE University Bhopal welcomed Prof. (Dr.) Anil D Sahasrabudhe, Chairman AICTE the Chief Guest of the Inaugural session. Prof. (Dr.) V. K. Jain, Hon'ble Vice Chancellor, SUB welcomed Guest of Honor Dr. Prashant Mishra, Professor, IIMC and Dr. Vishal Soni, HOS, SAGE School of Management welcomed Guest of Honor Dr. Mukesh Barua, Professor, IITR. In the inaugural ceremony, Dr. V. K. Jain gave his opening remarks and welcomed all the dignitaries, guests and participants. Prof. (Dr.) Anil D. Sahasrabudhe addressed the gathering and initiated the conference by focusing on the importance of personnel as they are the most important part of any organization. He also elaborated the importance of process, system and technology.

In Valedictory Session, Prof.(Dr.) Raghuvir Singh, Hon'ble Vice Chancellor, TMU was the Chief Guest and Dr. Sandeep Poddar, Dy. V.C., Lincoln University College, Malasia, was the Guest of Honor. The Session was presided by Hon'ble Executive Director Ms. Shivani Agrawal. Prof. (Dr.) V. K. Jain, Hon'ble Vice Chancellor, welcomed the Chief Guest and Dr. Vishal Soni welcome Guest of Honor.

Dr. V. K. Jain, Hon'ble Vice Chancellor, SAGE University Bhopal, shared his experience of 1st National E-Conference from the day of its conception, to plan, to execute and shared his views on the National E-Conference in his closing remarks. Dr. Prashant Kumar Siddhey, Convener, National E-Conference shared his experience with the gathering and presented vote of thanks. He presented gratitude towards the Hon'ble Chancellor Er. Sanjeev Agrawal, Hon'ble Pro-Chancellor Dr. Prashant Jain and Hon'ble Executive Director Ms. Shivani Agrawal to show their faith on the Team. He extended gratitude towards Prof.(Dr.) V. K. Jain, Hon'ble Vice Chancellor, SAGE University Bhopal to conceptualized the idea and then believing in the team for the planning and execution of the conference. He also thanked him for his continuous support and guidance. He owed his gratitude towards Dr. Vishal Soni of his continuous support as well and extended his gratitude towards Chief Guest, Guest of Honors and participants. Last but not the least he was thankful to the entire team of National E-Conference and ISTD Bhopal Chapter.

It is the 1st National Conference hosted by SAGE University Bhopal, in which 49 participations were there with 29 research papers. The information was given by Dr. Prashant Kumar Siddhey, Convener, National E-Conference on Achieving Competitive Advantage in Business through People, Process, System and Technology.

# National E-Conference

## "Recent Advances in Science and Technology"

SAGE school of Engineering & Technology, Advance Computing, Science and Agriculture collaboratively organised a National E- Conference on "Recent Advances in Science and Technology" on 19 th June 2021

The inaugural ceremony of the National E-Conference commenced with the formal welcome of all the dignitaries present and participants from various parts of the country, colleagues & students followed by taking the blessings from Maa Sarswati.

Dr. Tasneem Bano Rehman Convenor (RAST-2021) formally welcomed Honorable Dr. K. K. Aggrawal, Honorable Executive Director Ms. Shivani Agrawal and Honorable Vice Chancellor Prof. V.K. Jain and all the dignitaries and participants she mentioned about the significance of RAST-2021 and its aims about bringing together a core group of researchers from all over India. She also shared the vision and mission of SAGE University, Bhopal, its objective and unique pedagogy. After virtual tour of SAGE University Bhopal, Dr. Tasneem gave brief introduction of SUB, IETE, New Delhi and India BlockChain Alliance.

The session started by Honorable Vice Chancellor Prof. V.K. Jain, SAGE University, Bhopal with his welcome speech. He welcomed all the dignitaries and participants and talked about the importance of Artificial intelligence and IOT in our daily life and its advancement.

Then Honorable Executive Director Ms. Shivani Agrawal talked about the importance of Science and Technology and related fields and how they are interconnected from a long time. She motivated everyone to actively participate in the RAST-2021 to get benefited and wished for the success of the conference.

In his address, Prof. K.K. Agarwal briefed about the importance of the topic, importance of documentation in policy making, power of questioning and also told not to worry about failure and says that mother nature also teach us that only few attempts are converted into success with example and interesting stories.

The conference guest of honor Prof. Manoj Gaur starts his speech with formal introduction of IIT, Jammu and discuss about impact of covid on Indian Education and Social system. He discussed about data security, storage and communication techniques. And also shared his thoughts of living a secure life in a technological world.

Special Guest of the inaugural ceremony Dr. A.K. Nayak brief about the importance of online techniques and wish a grand success RAST-2021. Dr. M.N. Hoda, the advisor of the conference started his speech by welcome all the member of organizing committee, gave special thanks to our Honorable Vice Chancellor Prof. V.K. Jain for organizing the conference. In his speech he discussed about the importance and future of virtual conference during the pandemic and post pandemic era.

In the end, Dr. Aashi Dixit (HOS, School of Science) offered a vote of thanks to all including Honorable Chancellor Er. Sanjeev Agrwal, Honorable VCM Dr. Prashant Jain, Honorable ED Ms. Shivani Agrwal, Respected Prof. K.K. Aggrawal, Prof. Manoj Gaur, Prof. A.K. Nayak and Dr. M.N. Hoda and Respected Vice Chancellor and Director General Sir. She thanked all the invited guests and participants for gracing the occasion by their solemn presence.

After the inaugural ceremony the technical session was started for Science and Technology wherein 60 papers were received in all. The Technical session-I & II was very informative & full of innovative idea. It was an energetic session in the field of technology. The research papers were presented by participants covering all the research area of CSE, Civil & Mechanical like network security, IOT, deep learning, energy efficient buildings, remote sensing, GIS & green building concept.

Both the technical session were chaired by experts Dr S S Goliya (Associate Professor, SATI Vidisha), Dr Shubha Khatri (Assistant Professor, SATI Vidisha), Dr Gururaj H L (Associate Professor, ACM Distinguished Speaker, Malnad College of Engineering) & Dr Manju Pandey (Assistant Professor, NIT Raipur). The experts appreciate the research papers prepared by participants. The experts congratulate Sage University Bhopal for organizing the conference & they are interested to attend such conference & seminars in future.

The Technical Experts motivated participants & suggested new ideas for research in their respective fields. Give best wishes to all the faculties & participants.

The expert of SAGE School of Agriculture Dr A K Bhowmick (Dean, College of Agriculture, Jawaharlal Nehru Krishi Vishwavidhyala, Jabalpur) and Dr Sandip Banerjee (Dean, Institute of Agricultural Science, Mansarovar Global University) chaired the technical session-III.

Tulsi explained about many asanas and the importance of yoga in stress management.

Mr. Sandeep Srivastava, Registrar, SAGE University Bhopal was the convener and Dr. Govind Gupta was coordinator of this event. Dr. Ashi Dixit, Prof. Gulshan Meena, Er. Harsh Rathore and all the team of SAGEians beautifully organized this event.

## SAGE Summer School

## SAGE Summer School On Professional & Core Leadership Skills

SAGE Summer School on Professional Skills & Core Leadership Skills was conducted by Dr Swati A. Sharma and Dr Vishal Soni. Dr. V. K. Jain Hon Vice Chancellor also took a session on Value Based Leadership. There were 30 students enrolled in this course of twenty hours.

This course provided insight into the key professional skills needed by managers at all levels of an organisation. They learnt about key skills such as how to make a positive first impression; how to become a role model at work; effective time and resource management; and networking with value based leadership.

This course formed part of a specialisation from the SAGE University designed to help candidates develop and build the essential business, academic, and cultural skills necessary to succeed in international business, or in further study.

Skills that were developed during the course of this SSS were Delegation, Personal Branding, Leadership, Management, Ethics, Interpersonal Relation and Professional Advancement.

# SAGE Summer School On Classical Gharana

SAGE Summer School on Classical Gharana – The arts of choreography based on three elements “Nritya, Natya and Nritya” was conducted by Mr Suraj Sharma. Dr Rakhi Dubey, Director Kalandhika, also took two sessions on Thumri in Kathak dance. There were 26 students enrolled in this course of twenty hours. Course will start from 31st May and end on 12 June 2021.

The SAGE Summer School offers an opportunity to spend a focused period of study acquiring practical skills and theoretical understanding in Kathak. The course provides technical training, alongside an introduction to the history, culture and aesthetics of this dance form. Students will learn through studio-based practice, as well as lecture demonstrations that cover relevant topics.

By attending this course, dancers will develop strong technical foundations, somatic awareness, creative thinking and understanding of Kathak history and culture.

## SAGE Summer School By Advance Computing

Summer School "Introduction to Blockchain Technology" was organized by the School of Advance Computing duration of 2 weeks started from 31st May 2021 with the expert Er. Vikalp Sharma. A Blockchain is a database that is shared across a network of computers. Once a record has been added to the chain it is very difficult to change. To ensure all the copies, the database are the same, the network makes constant checks. Blockchains have been used to underpin digital currency (Bitcoin, Litecoin, Ethereum). The tech allows digital information to be distributed, but not copied. That means each individual piece of data can only have one owner. Using cryptography to keep exchanges secure, blockchain provides a decentralized database,

which is stored in multiple locations and updated instantly. That means the records are public and verifiable. Since there's no central location, it is difficult to hack since the info exists simultaneously in millions of places. Blockchain is going to be used for more than just currency and transactions.

## Webinars

SAGE School of Engineering and Technology had organized a webinar on "Revolution in Cybersecurity" on 24th June 2021. The speakers who added their knowledge were Mr. Shobhit Chaturvedi a managing director and co-founder Institute of Advanced studies. Given students immense knowledge out of their textbooks is an important way to learn. The webinar was conducted under Mr. Gourav Shrivastava in charge-HOS(E&T), Mr. Harsh Rathore A.P., CE Department (E&T), and coordinator Aditya Bhat A.P., ME Department, (E&T).
