

Garba Mahotsav 2023

On October 17, 2023, the SAGE University Bhopal celebrated a grand Garba Mahotsav along with Mahaarti to seek blessings of Goddess Durga during Navratri. Elegance and warmth was added to the occasion by the presence of Er. Sanjeev Agrawal, Hon'ble Chancellor, the SAGE Group, along with Mrs. Kiran Agrawal, Hon'ble Chairperson, the SAGE Group. Their charismatic presence elevated the festive spirit in everyone present there.

Under the skilful guidance of Mr. Sudhir Shrivastava Director (Students Affairs), the ecstatic event full of colors and melodies was organized. More than 1,200 students and 150 faculty members

danced in harmony on the rhythmic flow of music spreading their laughter and sparkle all around. The air echoed with the sounds of their jubilation. In the midst of the joyous celebration, there shone a special moment of recognition, where the spirit of Navratri intertwined with the accomplishments of the participants. The Garba Glamour Trophies found their deserving winners, bestowed upon those who adorned the night with their distinctive charm and graceful dance performances. The titles of Garba Groove Master and Garba Groove Queen embellished the night with an aura of talent and dedication, serving as a testament to the commitment and fervour that the participants brought to the dance floor.

Plant

Workshop

Tissue Culture

The School of Agriculture conducted a one-week workshop on "Prolific Plant Tissue Culture Interventions for Sustainable Agriculture" from October 16-21, 2023. Thirty students participated from various institutes of Bhopal. The workshop was formally inaugurated by Dr. Deepak Kher, Dean, School of Agriculture, SUB. During this workshop, participants learned how to prepare glassware and sterilize it effectively. They also learned how to prepare stock solutions, prepare media (MS), wash and prepare explants (such as bamboo and the nodal and apical meristem of *G. Superba*, a medicinal plant), prepare media for synthetic seeds, and subculturing and established in vitro culture procedures. Additionally, Dr. Ashish Dutta, Director General, Dr. V.K. Jain Vice-Chancellor, Dr. Ashok Khandel, and Dr. Atul Pradhan, gave engaging expert lectures on various topics related to plant tissue culture. For the valedictory function, Dr. Kapil Soni, Barkatullah University, Bhopal was invited as the chief guest along with Dr. Poonam Arya, MLB Govt. Girls College, Bhopal, was the guest of honor. The outcome report of the workshop was presented by Dr. Ashok Kumar Khandel. The workshop concluded with a vote of thanks presented by Dr. Atul Pradhan, Asst. Prof. School of Agriculture, SUB.

Personality Development

Under a MOU activity, the School of Languages & Culture hosted a Personality Development Workshop for 60 students of BSSS College, Bhopal on October 27, 2023 at the Theatre Hall, Admin Block. Ms Deepa Ayachit (Coordinator Training, CRC) from SAGE University Bhopal led the session. During the session, Ms Ayachit discussed about various aspects required for overall personality growth including, individual interpersonal abilities, abilities as a leader, optimistic outlook, corporate responsibilities and social prejudices. She engaged students and facilitated their effective learning through a range of interactive games. She used case studies and examples from everyday life to explain necessity of thinking without stereotyping anyone. The workshop was coordinated by Dr. Swati A Sharma and Dr. Veena Gour.

Career Orientation on Photography

An immersive online workshop on Crafting a Career in Photography was organized for GE photography & PAJMCD students. Mr. Dinesh Verma Dean (The National Institute of Film Making-Indore) and senior International Photographer & Mentor was invited as a resource person.

The session was really helpful for the over 80 students who are confused about their career path in photography. A small introduction to all possible career paths was given, which will help to choose the best one for students. Students interacted with their question and queries regarding career, camera, lightings, makeup, equipment's, techniques, software, etc. and learn live photo studio modelling shoots, so session was very interesting and interactive.

One-on-One Student Counseling under SPI

The one-on-one counseling sessions under the Student Progression Index (SPI) initiative represent a pivotal component of our holistic approach to student development. The primary objective of these sessions is to gain a deeper understanding of our students' aspirations, talents, and ambitions, and to help them chart a path forward in alignment with their goals. By doing so, we aim to support students in making informed decisions about their future, whether it be in pursuing higher studies, seeking placement opportunities, or venturing into entrepreneurship. These sessions were conducted by the Corporate Relations Cell with the support of faculty members of various schools.

Celebration of World Food Day

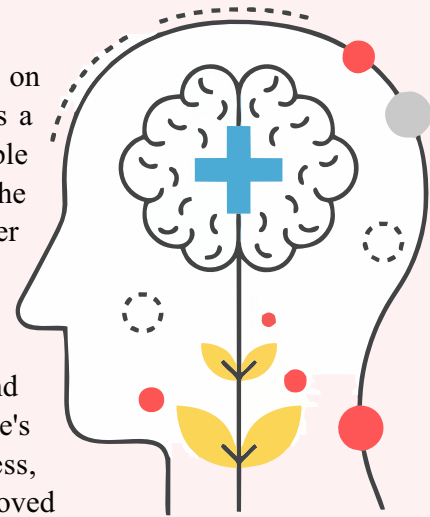

The SAGE School of Agriculture celebrated “World Food Day” on October 16, 2023. It was based on the theme "Water is food, Water is Life, Leave no one behind". To celebrate this occasion, many activities like quiz, group discussions and poster competitions were organized for the student. The objective of these activities were to make students aware about the importance of food, along with this a brief account on water as food, food security, malnutrition, food crisis, and hunger index were also discussed. Introductory session and Lectures were delivered by Dr. Deepak Kher, Dean School of Agriculture (Convener) and Ms Jyoti, Assistant Professor, School of Agriculture (Event Coordinator). It was an insightful session, where 140 students participated.

A Seminar on World Mental Health Day

The SAGE College of Nursing organized a Seminar on World Mental Health Day-2023 on October 10, 2023. The theme for the seminar was “Importance of Mental Health as a Universal Human Right”. The seminar focused on breaking stigma, promoting accessible care, and fostering inclusiveness. Prioritizing mental health on this day highlights the essential need for global awareness, education, and support, paving the way for a healthier and more equitable world.

The invited expert speaker Dr. Pooja Mamtani Ahuja, Licensed Rehabilitation Psychologist, NLP, CBT, REBT Practitioner and Clinical Hypnotherapist, shared her insights and encouraged students to raised awareness about combating stigma around mental health. She said that empathy and support from loved ones play a pivotal role in one's mental well-being and suggested that promoting self-care practices, mindfulness, meditation, and exercises are effective tools for managing mental health. The session proved beneficial to 52 participants.

In-Service Education Training for Staff Nurses

The SAGE College of Nursing organized a ten days In-Service Education Training Program from September 14-26, 2023 for the Nursing staff of Apollo-SAGE Hospital. The program aimed to enhance the knowledge and skills of the hospital personnel, ensuring they stay up-to-date with the latest healthcare practices. The sessions covered a wide range of topics, including advanced medical techniques, patient care, and emergency response. The participants actively engaged in interactive sessions and gained valuable insights from experienced instructors. This initiative underscores our commitment to continuous professional development and maintaining high-quality healthcare services in the region. The culmination of the program was marked by a heartfelt farewell, where the participants expressed their gratitude and shared their enthusiasm to apply their newfound knowledge in providing exemplary healthcare services.

SAGE College of Nursing Excursion

SAGE College of Nursing organized a one day picnic at Funpal Jungle Camp for the students of BSc Nursing 1st year on October 14, 2023. The picnic was adventurous, in which the students had participated in various adventurous rides and games. It not just provided an opportunity to all students and faculty members to relax from their regular busy schedule but also to better acquaint with each other.

Ar. Niharika Sehgal

(Assistant Professor, School of Design)

- Invited as an External Jury member for Sem IV students of School of Architecture, RGPV, Bhopal on September 14, 2023.

Ms Poonam Chourasiya

(Assistant Professor, School of Agriculture)

- Attended a webinar on the occasion of Mahila Kisan Diwas 2023, jointly organized by IIMT University, Meerut with Hindustan Agricultural and Rural Welfare Society (HARWS) on the theme of "Millets: Empowering Women and Providing Nutritional Security" on October 15, 2023.

Mr. Vikash Prasad Mishra

(Assistant Professor, School of Agriculture)

- Appointed as Chief Secretary of all India Agricultural Universities GIAR, India
- Invited Agriculture Economics expert to attend International Podcast on Role of Artificial Intelligence and Gulf Country- United States, Spain, India, Great Britain

Dr. Atul Kumar Pachauri

(Assistant Professor, School of Agriculture)

- Attended a webinar entitled Blossoming Fungi: Exploring the significance and techniques of Mushroom cultivation organized by PALAR Agriculture College, Tamil Nadu Agriculture University, Tamil Nadu on October 15, 2023.
- Attended a webinar on Millet: Empowering Women and Providing Nutritional Security organized by ICAR-ATARI and HARWS on October 15, 2023
- Attended a webinar on Honey Processing and Value Addition organized by National Institute of Food Technology, Ministry of Processing Technology, Tanjavur on October 20, 2023.

Mr. Ganesh Lal Patidar

(Assistant Professor SAGE College of Nursing)

- Participated in an International Webinar on World Sight Day 2023, 12th October 2023.

Mr. Ayushman Vatsh

Assistant Professor School of Law and Legal Studies

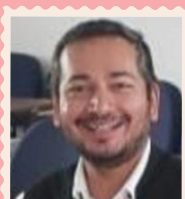

- Invited as Chief Guest and Resources Person by Institute of Law Rabindranath Tagore University, Bhopal to Judge Moot Court Competition, 2023 on September 23, 2023.

Mr. Rajesh Neekhara

(Trainer CRC)

- Attended a 10-day National Workshop on NAAC: Aims, Framework & Accreditation Process organized by Maharani Laxmi Bai Arts & Commerce College, Gwalior.

Mr. Kunal Yadav

(Trainer CRC)

- Participated in a National level FDP on “Effective Teaching Techniques in the Classroom” organized by ST. Anne’s Arts & Science College, Chennai.

Dr. Rameshwar Mishra

(Assistant Professor, School of Arts Humanities)

- Published an article on “Gandhi Ji ke Swadeshi me Nihit Manveey Moolya” on October 2, 2023.
- Delivered a lecture in IFDP, on “Project Making” organized by School of Arts Humanities and Social Sciences on October 13, 2023.
- Submitted a Major Project entitled “Exploring Knowledge of Ahom Tribe” on October 17, 2023.

Mr. Shivaji Rai

(Assistant Professor, School of Arts Humanities)

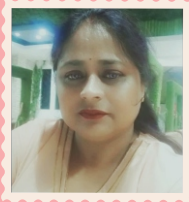

- Presented a Research Paper in a National Conference on 'Significance of Buddhism in Modern Perspective' organized by Department of Ancient Indian History Culture & Archaeology, Jiwaji University Gwalior on September 29-30, 2023.

Ms. Radhika Sahu

(Assistant Professor, School of Arts Humanities)

- Delivered a lecture on Mental Health Day for Kartvyaa NGO on October 10, 2023.

Dr. Neelam Shukla

(Professor, School of Arts Humanities)

- Attended CRE Nai Subah Institute of Health and Behavioral Sciences Varanasi on October 10, 2023.

Ms. Vandana Patel

(Assistant Professor, School of Engineering & Technology)

- Participated in a Knowledge Sharing Session on “Design Thinking” organized by Association of Indian Management School (AIMS) on September 20, 2023.
- Participated in a Professional Development Workshop on “Digital Creativity Skills” as part of Adobe Academic Essentials Program.
- Participated in a Knowledge Sharing Session on “Building a Sustainable Entrepreneurship Ecosystem in Campus” organized by Association of Indian Management School (AIMS) on October 18, 2023.

Ms. Aaradhna Soni

(Assistant Professor, School of Engineering & Technology)

- Attended one day Skill Nation Certification Courses on Chat GPT & AI hacks with MS office on October 20, 2023.

Publications

Dr. Jitendra Banweer (*Dean, SIRT- Pharmacy*)

- Published a research article as co-author on "Phytochemical & Pharmacological Activity of Datura Metal & Calendula Officinalis" in Indo American Journal of Pharmaceutical Sciences, Vol. 10, 2023.

Dr. Meeta Dutta Goyal (*Principal, SAGE College of Nursing*)

- Published a book titled "Forensic Nursing" Alpha International Publication ISBN 978-93-5762-665-1

Dr. Shriparna Saxena (*Professor, Department of Aquaculture*)

- Published Research paper on A Review on Conservation Strategies of a Wonder Fish Asian Catfish *Clarius batrachus*, by Artificial Propagation Method, HOSA Journal of Aquaculture & Fisheries. DOI; 10 24966/aaf- 5523/100072 ISSN; 2576-5523.

Dr. Sunil Pandey (*HOS, School of Law and Legal Studies*)

- Published a research paper as co-author "Law concerning Industrial Hazardous Wastes and Substances Cyber Crimes in Madhya Pradesh" Journal of the Asiatic Society of Mumbai (A UGC CARE Listed Journal) ISSN: 0972-0766, Vol. 97, No.06 (I) June, 2023. Impact Factor: 3.947
- Published research paper as co-author "Cyber Crime in Madhya Pradesh" Journal of the Asiatic Society of Mumbai (A UGC CARE Listed Journal) ISSN: 0972-0766, Vol. 97, No.06 (I) June, 2023. Impact Factor: 3.947

Mr. Manoj Kumar Sahu (*Assistant Professor, SIRT- Pharmacy*)

- Published a research article on "Phytochemical & Pharmacological Activity of Datura Metal & Calendula Officinalis" in Indo American Journal of Pharmaceutical Sciences, Vol. 10, 2023.

Dr. Sarika Shrivastava (*Associate Professor, SIRT- Pharmacy*)

- Published a review article on "A Review on

Haplanthodesverticillata" in the journal European Chemical Bulletin August, 2023.

Ms Charul Chaturvedi (*Assistant Professor, School of Management & Commerce*)

- Co-authored a book "Un-Boxing Entrepreneurship", ISBN 978-93-93577-70-2 available at Amazon.

Ms Poonam Chourasiya (*Assistant Professor, School of Agriculture*)

- Published Research Paper on the topic – Impact of Pre Emergence and Post Emergence Herbicide in Different Combination for Foremost Weed Control in Chickpea (*Cicerarietinum*) in the journal The Pharma Innovation.

Dr. Abhilasha Dwivedi (*Associate Professor, School of Sciences*)

- Published a research paper on "A Review on Miraculous Life Saver Plant *Ruta Graveolens L*" in the International Journal of Plant and Environment, a UGC Care listed Journal ISSN: 2454-1117 Vol.9. Ms Kanchan Jha (Assistant Professor, School of Engineering & Technology)
- Published a paper on topic "IoT Network Intrusion Alarming System Using Bat Algorithm & Neural Network" in the Journal of Namibian Studies: History Politics Culture (Scopus index journal)

Dr. Smriti Singh (*Assistant Professor, School of Agriculture*)

- Published an article entitled "Potentials of Kiwi Cultivation for farmers of Himachal Pradesh" Agrosphere e-Newsletter, 4(10): 26-31.ISSN (E): 2582-7022.

Dr. Yogendra Singh

- Published an article on Potentials of Kiwi cultivation for farmers of Himachal Pradesh. Agrospheres: e- Newsletter. 4(10): 26-31.

Artificial Intelligence in Pharmacy

Artificial intelligence use in pharmaceutical technology has increased over the years, and the use of technology can save time and money while providing a better understanding of the relationships between different formulations and processes parameters. Drug discovery and development of new drugs is quite an expensive and competitive process for every pharma company. It is highly wired on data science and massive scientific and research datasets. AI helps to apply machine learning to this data and rapidly increases the discovery of new molecules. It can research and cross-reference published scientific materials with alternative resources, including clinical trial results, to develop drugs and discover new effective treatment methods for rare diseases. As any new particular drug should be approved before becoming a consumable product, pharmaceutical companies must conduct research and drug trials during drug discovery. The use of artificial intelligence allows us to perform and automate the QA process and ensure high standards of the drug development process and value chain. It helps to improve the production process reducing the chance of domestic issues, reducing development spending during the drug discovery process, and increasing drug adherence.

Prime Minister Narendra Modi inaugurated the priority section of the Delhi-Ghaziabad-Meerut RRTS Corridor at Sahibabad Rapid X Station, Uttar Pradesh. During this event, the Prime Minister launched the Rapid X train service, which will connect Sahibabad to the Duhai Depot, signifying the commencement of the Regional Rapid Transit System (RRTS) in India.

Around noon, Prime Minister Modi will preside over a public program in Sahibabad, where he addressed the audience on the occasion of the RRTS launch in the country. Additionally, he dedicated two stretches of the east-west corridor of Bengaluru Metro to the nation.

Officials have stated that the Regional Rapid Transit System (RRTS) project aligns with the Prime Minister's vision to enhance regional connectivity across the nation through the creation of world-class transport infrastructure. The RRTS is a novel rail-based, semi-high-speed, high-frequency commuter transit system designed to operate at a speed of 180 kilometers per hour. This initiative aims to provide high-speed trains for intercity commuting at 15-minute intervals, with the potential to increase the frequency to every 5 minutes as needed. In the National Capital Region (NCR), a total of eight RRTS corridors have been identified for development.

Current Trends

Wipro to Merge Five Wholly-owned Subsidiaries with itself After Board Approval

Wipro announced muted Q2 results for FY24 with a consolidated net profit of Rs 2,667.3 crore, compared to Rs 2,649.1 crore in the corresponding period last year. Its consolidated revenue was at Rs 22,515.9 crore, Wipro said in a regulatory filing.

IT services major Wipro on October 18 said that it has decided to merge its five wholly owned subsidiaries with itself after its board of directors approved the restructuring.

The five wholly owned subsidiaries are Wipro HR Services India Private Limited, Wipro Overseas IT Services Private Limited, Wipro Technology Product Services Private Limited (formerly known as Encore Theme Technologies Private Limited), Wipro Trademarks Holding Limited, and Wipro VLSI Design Services India Private Limited.

The board, at its meeting on October 17-18, considered and approved the scheme of amalgamation, Wipro said in its stock exchange filing on Wednesday. The amalgamation is subject to the approval of regulatory authorities, including the National Company Law Tribunal, said Wipro in its statement.

"The Board of Directors of the Company, at its meeting held over October 17-18, 2023, considered and approved a scheme of amalgamation ("Scheme") pursuant to Sections 230 to 232 and other relevant provisions of the Companies Act, 2013, providing for the merger of the following wholly-owned subsidiaries with and into Wipro Limited ("Transferee Company"):

- 1) Wipro HR Services India Private Limited
- 2) Wipro Overseas IT Services Private Limited
- 3) Wipro Technology Product Services Private Limited (formerly known as Encore Theme Technologies Private Limited)
- 4) Wipro Trademarks Holding Limited
- 5) Wipro VLSI Design Services India Private Limited (collectively "Transferor Company")

The Scheme is subject to necessary statutory and regulatory approvals under applicable laws, including approval of the National Company Law Tribunal," said Wipro in its exchange filing.

According to Wipro's statement, the rationale for amalgamation/merger it to consolidate business operations, to enable synergies of operations, reduction in overheads including administrative, managerial and other expenditure, to ensure optimised legal entity structure, and to significantly reduce multiplicity of legal and regulatory compliances.
