ATMAMANTHAN AWARDS

Atmamanthan Awards is a unique initiative of the SAGE Group to identify and reward the best performer in all their verticals. At SAGE University Bhopal, the Atmamanthan was held on February 22, 2023 at Royal SAGE Hall. This esteemed event was attended by the entire Academic and Administrative staff of SUB.

At the very onset of the event, Honorable Chancellor Er Sanjeev Agarwal motivated all with his words of wisdom. He emphasized that excellence is not a gift but a skill that takes practice and Sageians have always strived to foster this spirit of excellence and have left a blazing trail of glory in academics. After his address, Honorable Vice Chancellor Dr. V. K. Jain appraised the gathering about recent academic developments and vision plans for SUB. The event moved further with the presentations made by CSA, R&D coordinator, and various academic and administrative Heads. At last Respected Director General Dr. Ashish Dutta, conducted the award ceremony where Honorable Chancellor felicitated the best performers. Receivers of Atmamanthan Award February 2023 are Mr. Sudhir Shrivastav, Ms Kratika Kathoriya, Mr. K. Pradeep Reddy, Dr. Abhilasha Dwivedi, Ms Tanushree Dheer and Ms Meena Samseriya.

ATMAMANTHAN AWARDS

Visit of German Expert Prof Marina Tropmann-Frick

Prof. Dr. Marina Tropmann-Frick from the University of Applied Sciences, Hamburg, Germany, visited SAGE University Bhopal from 30th January to 10th February 2023. During her tenure in SAGE University she conducted one week Faculty Development Program on Data Science under the banner of SES Germany and IETE. She also conducted several sessions for students on Data Science, AI and ML and guided the faculty members on their research proposals. She also visited the other education vertical of SAGE Group such as SUI, SGI and SIS and interacted with students and faculty members.

The basic objective of her visit was to provide knowledge on Data Science and Artificial Intelligence to the faculty members and students for enhancing their knowledge. Dr Marina focused on Data Science which is an emerging field of study that deals with scientific methodologies, processes, and techniques derived from various domains such as statistics, cognitive science, computing and information science, and others to extract knowledge from structured and unstructured data. Also, she provided deep insight into data collection, categorization, strategy, analysis, interpretation, data-driven solutions, data visualization tools, and big data analysis methodologies.

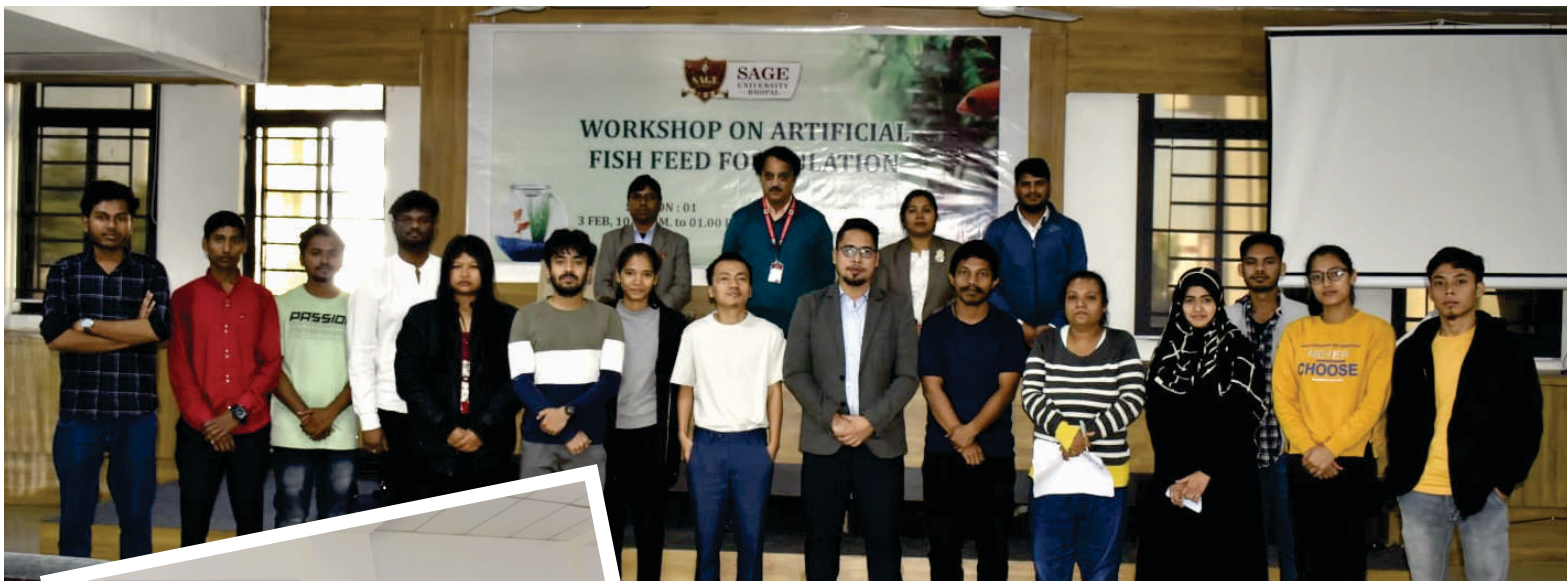

Revival of Indian Knowledge Traditions and Intellectual Leadership

The SAGE School of Arts, Humanities and Social Sciences organized an expert lecture on 'Swami Dayananda, Revival of Indian Knowledge Traditions and Intellectual Leadership' on 15th February 2023 at Seminar Hall, F Block. Mr Ashutosh Singh Thakur Founding Director, Young Thinkers Forum, Founder member, Tooryanaad Lit Fest, and National Youth Leadership Awardee delivered a lecture on this occasion. SAGE University Bhopal organized three days Soft Skills Training Workshop at UIT_RGPV_Shivpuri. The workshop was taken by Ms Deepa Ayachit, Head Training (CRC) and steered towards providing core suite of professional skills to students for personal and Professional Development. Around 100 students of the pre final year engineering students across all branches participated in the workshop. The workshop focussed on 21st Century Skills, Self-Awareness, Grooming and Dressing and etiquettes that play a pivotal role in honing the overall persona. The Training program included both indoor and outdoor activities and students enthusiastically participated.

World Pulses Day Celebration

SAGE School of Agriculture organized an event to celebrate “World Pulses Day” on February 10, 2023 on the theme – “Pulses for a Sustainable Future”. This day was celebrated with an aim to spread awareness about the nutritional as well as environmental benefits of pulses as part of sustainable food production. On this occasion an awareness campaign was carried out on the "Importance of Pulses in Agriculture".

To mark the occasion, an expert lecture was delivered by Dr. Arvind Mishra, Professor, LNCT University, Bhopal who enlightened the students on the present scenario of pulses production and consumption in our country. Dr. Nidhi Gujar, Professor, Career College, Bhopal and Mr. Vikash Singh Thakur, Assistant Professor, R.N.T.U. University, Bhopal also expressed their views on the need and importance of pulses in our daily diet. Dr. Deepak Kher, Dean SoAg, spoke about “Importance of Pulses in Agriculture.” Dr. Atul Pradhan Assistant Professor, SoAg delivered a lecture on “Trading of Pulses below MSP? Problems and Solutions”.

The students participated in various activities such as Online Quiz Competition and Poster Making competition and won accolades for their outstanding performance. The program was coordinated by Dr. Jaya Sharma, Associate Professor and Ms. Poonam Chourasiya, Assistant Professor, School of Agriculture, SAGE University, Bhopal.

ICAR CIAE Visit Report

School of Agriculture organized a visit to ICAR-CIAE Bhopal on February 14, 2023 for a workshop cum exhibition on "Empowering Women through Production and Processing of Millets" at ICAR-CIAW, Bhopal in collaboration with ICAR-CIWA, Bhubaneshwar. This visit proved valuable for the students of B.Sc. (Hons) Agriculture, where they learnt about the importance and need of millets for current and future generations. Dr. Prakash Ambelkar and Mr. Rajendra Singh Rajput delivered expert talks and guided hands-on training on various tools and equipment used for agricultural purposes. Students also learnt about the various startups and how they can become job providers rather than job seekers. Dr. Deepak Kher, Dean, School of Agriculture flagged off the bus carrying 45 students for this visit and advised them to participate actively in such types of events. The visit was planned and executed by Dr. Jaya Sharma, Associate Professor, Ms. Poonam Chourasiya, Assistant Professor and Dr. Atul Pradhan, Assistant Professor, School of Agriculture, SAGE University, Bhopal with the unfailing support of the entire department.

Book Exhibition

SAGE Central Library organised a book exhibition in collaboration with Ramakrishna Mission, Bhopal on February 14 -15, 2023.
