Wishing a very
Happy Birthday
to
Honourable Chancellor Sir

The one who has made an indelible mark on our lives and this organization

On this special day, we honor not only the birth of a visionary, but the enduring spirit and leadership that has profoundly shaped our lives and The SAGE Group into the beacon of success it is today. What began as a modest venture nearly four decades ago has evolved into a family committed to shaping lives and empowering futures. Under your guidance, we've learned that success is a marathon, not a sprint. Your unwavering commitment to authenticity, integrity, and resilience continues to inspire us all. As we celebrate your remarkable journey, we look forward to many more milestones and the continuation of a legacy that will forever inspire generations to come. Wishing you a very Happy Birthday!

The SUB Family

Er. Sanjeev Agarwal
Hon. Chancellor SUB &SUI
CMD, The SAGE Group

As we step into the New Year, let us embrace fresh opportunities with courage and determination. Together, we will continue to build on our legacy, achieve greater milestones, and make a meaningful impact. Let's embrace this journey with passion and purpose. Wishing you all a transformative year ahead!

2024 goodbye
2025 welcome

The Year of Manifestation
10 Golden Goals and
Manifestation Challenges

by Er. Sanjeev Agrawal, CMD, The SAGE Group

As we enter the Year of Manifestation, Er. Sanjeev Agrawal, the visionary CMD of The SAGE Group, invites the entire SAGE family to align their personal growth, professional excellence, and spiritual fulfillment.

Through these 10 guiding goals and manifestation challenges, he outlines a path that empowers us to thrive in every aspect of life.

Here's a glimpse of the principles that define a true Sagian:

1. **Gratitude for Life:** Begin each day with a thankful heart, acknowledging the gift of life and the opportunity to impact others positively. Gratitude nurtures a day filled with purpose and optimism.

2. **The Sagean Hour:** Dedicate the first hour of your day to personal growth:

   - **Meditation (20 minutes):** Energize your mind, body, and spirit to cultivate mental clarity and physical vitality.
   - **Exercise (20 minutes):** Align your goals with a physical workout that strengthens your resolve.
   - **Spiritual Connection (20 minutes):** Ground your thoughts through prayer or spiritual reflection to center your day.

3. **Positive Mindset:** Embrace an attitude of no excuses and no complaints. Focus on constructive conversations and maintain optimism to create an environment of harmony and growth.

4. **Subconscious Connection:** Foster a strong sense of unity within the SAGE family by connecting with the subconscious minds of your colleagues. This creates a shared sense of purpose and collective strength.

5. **Immerse in Inspiring Content:** Commit to daily engagement into uplifting, motivational material. Feed your mind with positivity to fuel creativity and inspire action.

6. **Skill-Building Hour:** Dedicate time every day to enhance your skills and knowledge. Stay ahead in your field through continuous learning and development.

7. **Mentor-Mentee Time:** Cultivate a culture of both teaching and learning. Share your wisdom while being open to learning from others, strengthening the bonds within the Sagean community.

8. **Build New Connections:** Expand your network by reaching out to unfamiliar people. Connecting with diverse individuals broadens your perspective and unlocks new opportunities.

9. **Embrace Compassion:** Live with empathy and kindness. As true Sageans, we must embody love and care, creating an environment of mutual respect and support.

10. **Family Time and Gratitude:** Prioritize quality moments with your loved ones, and nurture your relationships. Express gratitude for the day's experiences. End each day with a heartfelt 'goodnight' and appreciation.

These 10 goals and manifestation challenges are not just guidelines—they represent a lifestyle, a commitment to growth, and a vision for the future. Let us all embrace these principles and manifest a year of transformation, both individually and as a community, as we stay true to the essence of being Sagian.

INFLUENCER AWARDS 2024
B H O P A L

A Celebration of
Digital Stardom

On December 21, 2024, SAGE University Bhopal hosted the Influencer Awards 2024, a grand event that celebrated the achievements of 40 renowned digital stars from across the country. The ceremony took place at the Royal Sage Hall, with over 500 social media influencers in attendance. The event, designed to honor influencers who have made a mark in various genres of digital content, featured a red carpet entry for the influencers and guests, setting the tone for an unforgettable evening.

The award ceremony was graced by Bollywood actress and director Snehil Mehra and TV actor Rafi Malik as the chief guests. Er Sanjeev Agarwal, SAGE Group CMD, and Ar. Shivani Agarwal, Executive Director were also present for this memorable occassion. The special guests included influencers such as Nidhi Kaushik (famous social media influencer), Aashirdev Dande (moto vlogger and magician), Ajay Ved (radio jockey), Faraz (stunt rider), Shreyash Gupta (chef), Sushant Kaushal (entrepreneur), Mac Mukesh (famous choreographer) and Samrat Gaur (YouTuber), among others.

The background music and photo booths made in the program brought life to the event. Children used the hashtag #IIA 2024 along with social media updates during the live session. The event featured engaging performances, including a comedy act by Mayank and a captivating performance by Arin Group. Snehil Mehra was specially honored for her contributions to the entertainment and digital world. The ceremony highlighted the growing impact of social media influencers in shaping modern culture.

National Workshop on Methodology and Ethics of Research

The R&D and PhD Cells of SAGE University, Bhopal, jointly organized a National Workshop on the "Methodology and Ethics of Research" from December 4-8, 2024. The workshop aimed to provide a platform for researchers, faculty members, and postgraduate students to engage in discussions and resolve research-related challenges with expert guidance.

The event featured distinguished speakers who shared valuable insights across five days. On the first day, Dr. Ashis Kumar Pradhan (MANIT Bhopal) and Dr. Yatindra Singh Sisodia (Director, Madhya Pradesh Institute of Social Science Research, Ujjain) focused on essential research databases and core research principles. The second day saw Dr. Nipun Silawat (Principal Scientist, MP Council of Science), Prof. Ruchi Sharma (Associate Dean R&D, IIT Indore), and Dr. Vikas Asawat (IPR Legal Advisor, Jaipur) addressing research grants, data management, and intellectual property.

The third day included lectures by Prof. Ankur Saxena (Pro Vice-Chancellor, SAGE University Bhopal), Dr. Ashis Kumar Pradhan, and Dr. Deepak Kumar (MANIT, Bhopal) on research topic selection, software tools, and research paper writing. On Day 4, Dr. Nikunj Makwana and Prof. P. Shashikala discussed research proposal writing and social media ethnography. The workshop concluded with Dr. Dharmendra Mehta (Director, Jawaharlal Nehru Institute of Business Management, Ujjain) discussion on minimizing research errors and Dr. Ashish Dutta's address on conducting research with integrity.

This successful event provided valuable knowledge and fostered collaboration among researchers at SAGE University. The Conveners of this workshop were Dr. Rameshwar Mishra Dr. Mohit Kamthania R&D Coordinators, SAGE University Bhopal.

National Media Conclave:
A Landmark Gathering of
Media Leaders and Students

The National Media Conclave, held at SAGE University in Bhopal on November 28, 2024, marked a significant milestone in the evolution of Indian media. The event kicked off with a ceremonial lighting of lamps followed by the Saraswati Vandana, setting a spiritual and inspiring tone for the proceedings. Er. Sanjeev Agarwal, Hon'ble Chancellor of SAGE University, warmly welcomed all the guests and delivered an empowering address to the students. His words resonated deeply, offering valuable insights and motivation, while providing a renewed vision for aspiring journalists to navigate the complexities of the media landscape.

The conclave featured five parallel panel discussions, each tackling critical issues shaping the future of journalism. Topics covered included employment opportunities in the media sector, the role of AI and technological advancements in journalism, the intersection of art, culture, and media, the challenges of upholding truth in reporting, and the evolving nature of field journalism. Notable media figures who contributed to the discussions included Mr. Sharad Dwivedi, Editor at Bansal News; Mr. Ashok Srivastava, Senior Journalist at DD News; Mr. Jaideep Karnik, Digital Editor at Amar Ujala; Mr. Sarman Nagle, President of the Press Club; and the President of the Public Relations Society of India (PRSI). These esteemed speakers, along with other distinguished guests, shared their perspectives on the current state and future trajectory of journalism.

The event attracted students of Journalism and Mass Communication from universities and institutions across the country. It provided them with an in-depth understanding of the rapidly changing media landscape, the challenges posed by the digital age, and the critical importance of responsible journalism in today's world. The National Media Conclave organized by SAGE University proved to be a dynamic platform that not only explored the evolving trends in the media industry but also underscored the need for ethical and accountable journalism in shaping the future.

National Lecture on
Cultural Philosophy of Mahamana Madan Mohan Malaviya

The School of Arts, Humanities, and Social Sciences at SAGE University Bhopal hosted an Indian Council of Philosophical Research (ICPR)-sponsored National Lecture on 'Cultural Philosophy of Mahamana Madan Mohan Malaviya Towards Nation Building' on December 21, 2024. The Chief Guest, Dr (Prof.) Ambikadutta Sharma, Member of ICPR, Delhi, elaborated on Mahamana's philosophical legacy, while the keynote speaker, Dr. (Prof.) Balmukund Pandey, Rashtriya Sangathan Sachiv, Akhil Bhartiya Itihas Sankalan Yojna, discussed his cultural vision. Other notable speakers included Dr. (Prof.) Aklesh Chaturvedi, Chairman, School Education Council, Madhya Pradesh; Dr. (Prof.) Santosh Kumar Verma, Deputy Director, Swaraj Sansthan, Bhopal; and Dr. Sudha Malaiya, Chancellor, Eklavya University.

The conveners of the event were Dr. Rameshwar Mishra and Dr. Veena Gour Associate Professors, School of Arts, Humanities and Social Science. The event offered deep insights into Mahamana's ideals, inspiring all attendees to reflect on his role in shaping the nation.

Campus
Activities

SAGE MUN 2024:
A Night of Lights and Intellectual Sparks

On December 24th, 2024, SAGE University Bhopal hosted the much-anticipated SAGE MUN, an evening filled with intellectual fervor and vibrant hostel vibes. The event commenced at the Open Theatre, in SUB Campus where students participated in a series of exciting competitions. The competitions included a spirited Debate Competition, a thought-provoking MUN (Model United Nations) simulation, and a captivating Open Mike Challenge. The event was graced by the presence of Chief Guest Mrs. Kiran Agrawal, Chairperson, the SAGE Group.

The atmosphere was electric as students showcased their talents, debating, negotiating, and expressing themselves with passion. The night culminated in the announcement of winners, who walked away with exciting prizes. SAGE MUN 2024 proved to be a memorable event, fostering intellectual growth and strengthening the vibrant community spirit within the university.

Cyber Shala:
Cyber Security Awareness Program

On December 10, 2024, the School of Computer Applications organized "Cyber Shala: A Cyber Security Awareness Program," aiming to educate students on cyber threats, attacks, and prevention strategies. The event featured distinguished guests such as Mr. Yusuf Qureshi (DIG, Cyber Crime), Ms. Priyanka Shukla (DCP), Mr. Jitendra Singh Pawar (DCP Zone 4), Mr. Brijendra Rishishwar (Chief Reporter, Nav Duniya), and cyber experts Mr. Narendra Meghwani and Mr. Shobhit Chaturvedi, a trainer from M.P. Police. They provided invaluable insights on the growing challenges in cyber security and the need for awareness to combat fraud. The session, coordinated by Dr. Gourav Shrivastava and Dr. Megha Vashishtha, proved to be highly informative and beneficial for students, empowering them to understand and tackle cyber security risks effectively.

National Farmers' Day Celebration

The School of Agriculture celebrated National Farmers' Day (Kisan Diwas) 2024 on December 23, 2024 to mark the birth anniversary of Shri Choudhary Charan Singh as well as to honor the invaluable contributions of farmers to the nation's agricultural landscape. The event featured engaging activities such as lectures on modern farming techniques and sustainable agricultural practices, quizzes on agricultural knowledge, a singing competition, and a skit highlighting the life and challenges of farmers. The celebration aimed to raise awareness about the importance of sustainable farming practices and the role of farmers in shaping the economy. The event successfully combined education, entertainment, and recognition, emphasizing the significance of farmers in national development. It was coordinated by Dr. Ratnakar Mishra Assistant Professor School of Agriculture.

2024
2025

RAWE Program for Batch 2021-2025

The Rural Agricultural Work Experience (RAWE) program for students of the 2021-2025 batch at the School of Agriculture, Amjhira, has been successfully completed. The program involved hands-on training in rural farming practices, where students collaborated with local farmers to gain practical experience in crop management, livestock care, and rural development. Through this immersive experience, students bridged the gap between theoretical knowledge and real-world agricultural challenges. The RAWE program significantly contributed to their overall academic and professional growth, preparing them for future roles in the agricultural sector.

The SAGE School of Performing Arts hosted an inter-school, college, and university Antakshari Musical Competition on November 22, 2024. The event saw enthusiastic participation from 56 students and 14 teams from various institutions in Bhopal, including L.N.C.T., BSSS, and Jawahar lal Nehru School, BHEL College etc. Teams competed through five exciting rounds of musical activities. BHEL College claimed the first prize, while SAGE University secured the second runner-up position. The event was coordinated by Dr. Deepti Bhatnagar Assistant Professor, School of Performing Arts. It was a memorable celebration of musical talent and camaraderie.

Antakshari Musical Competition

Unwind Musical Night at Bhopal Haat

The students from the School of Performing Arts presented the "Unwind Musical Night" at Bhopal Haat on November 26, 2024. The event, under the mentorship of Mr. Anirudh Saxena Assistant Professor, School of Performing Arts featured live performances that captivated the audience. The night was a showcase of musical creativity, offering a platform for students to express their artistic talents. The performance was well-received by the attendees, contributing to a vibrant and culturally enriching experience. The event highlighted the students' ability to entertain while promoting the importance of the arts in community engagement and personal expression.

The SAGE University Bhopal marked World Pharmacist Day on November 29, 2024, with the theme "Think Healthy, Think Pharmacy." The event included an expert talk on healthcare, an Entrepreneur Award ceremony, performances, a Rangoli competition, and an awareness rally. The event was organized under the guidance of Dr. Jitendra Banweer, Dean of the Faculty of Pharmaceutical Sciences, with coordination by Dr. Megha Parashar, Dr. Sarika Shrivastava, and Mr. Prem Samundre. Students and faculty celebrated the vital role of pharmacists in promoting health and wellness, highlighting their contributions to the healthcare system and community well-being.

World Pharmacist Day Celebration

Constitution Day Celebration

The School of Arts, Humanities, and Social Sciences at SAGE University Bhopal celebrated Constitution Day on November 26, 2024, to honor the foundational principles of the Indian Constitution. The event was coordinated by Ms. Divya Shrivastava Assistant Professor, School of Arts, Humanities, and Social Sciences featured discussions on the importance of democracy and justice in modern India. The event was celebrated to emphasize the relevance of constitutional values in today's society. The students reflected on the significance of the Constitution, engaging in thoughtful dialogues on its impact on governance and individual rights.

Training Team's Adventurous Outing to Madhai

The Training Team from SAGE University Bhopal, SGI, and SUI had a productive outing to Madhai, which included a review meeting, adventure activities, and team-building exercises. The outing was a perfect blend of work and recreation, enhancing team camaraderie while providing a break from the routine. The activities fostered a spirit of collaboration and helped recharge the members, strengthening both personal and professional relationships. This outing was instrumental in promoting teamwork, boosting morale, and providing a refreshing experience to the team.

Symposium on Contemporary Legal Issues

The School of Law and Legal Studies at SAGE University organized a symposium on "Contemporary Legal Issues" on December 13, 2024. Retd. Hon'ble Justice Rohit Arya and Senior Advocate Mr. Anurag Shrivastav were the keynote speakers. Mr. Shrivastav discussed the importance of passion and career balance, emphasizing the ever-evolving nature of law. Justice Arya highlighted the importance of law in ensuring justice and social order. The symposium provided valuable insights to students, helping them develop a better understanding of contemporary legal challenges and the qualities necessary for a successful legal career.

Session with Spiritual Advisor

On December 12, 2024, the School of Law & Legal Studies organized a spiritual session with Pandit Vijay Shankar Mehta Spiritual Advisor, The SAGE Group for its students. The session focused on setting personal and academic goals through the guidance of the Hanuman Chalisa, aiming to inspire students to focus on their aspirations and achieve greater success in life. The session was an enriching experience, providing students with spiritual guidance and a positive outlook on their academic and career paths. The coordinator of the event was Ms Priya Singh Chauhan Assistant Professor, School of Law & Legal Studies.

Human Rights Day

On December 10, 2024, the School of Law & Legal Studies celebrated Human Rights Day (Manav Adhikar Divas). The event included an essay competition and a poster-making contest, with students participating actively. Professor Dr. Anju Bajpai explained human rights in simple terms, helping students understand their importance in ensuring equality and justice. The event raised awareness about human rights issues, and the winners of the competitions were awarded prizes. The celebration highlighted the role of law in protecting human dignity and rights.

Constitution Day Celebration

The School of Law & Legal Studies at SAGE University celebrated Constitution Day on November 26, 2024, with a focus on the Indian Constitution's relevance today. The event included a quiz competition on Constitutional Law and a guest speech by Retired Judge V.K. Dubey, who provided insightful perspectives on the Constitution's significance. The celebration emphasized the importance of understanding and upholding constitutional values, fostering a sense of legal awareness among the students and highlighting the Constitution's role in safeguarding justice and equality in the country.

Honoring the Memory of Dr. Baba Saheb Ambedkar

On December 6, 2024, the School of Law & Legal Studies honored the memory of Dr. Baba Saheb Ambedkar on his death anniversary (Mahaparinirvana Day). The event paid tribute to his monumental contributions to India's constitution and social justice. Faculty and students, led by senior professor Dr. J.P. Vyas, reflected on Dr. Ambedkar's legacy. A two-minute silence was observed in reverence to his work, and the event underscored the importance of his vision for equality and human rights in India. The coordinator of the event was Ms. Prashasti Patni Assistant Professor, School of Law & Legal Studies.

Expert
Lectures

Existential Pause: Absurdism and the Legacy of Waiting for Godot

Dr. Nidhi Nema
HoD Department of English
Kamla Nehru Govt.
Girls College Balaghat M. P

The School of Arts, Humanities, and Social Sciences in collaboration with SAGE Literature Club successfully organized an online expert session titled "Existential Pause: Absurdism and The Legacy of Waiting for Godot" on December 07, 2024. The session featured Dr. Nidhi Nema, HOD, Department of English, Kamla Nehru Govt. Girls College, Balaghat, who delivered an insightful lecture, skillfully breaking down complex philosophical concepts of absurdism and existentialism, making them accessible and relatable. The engaging session also included an interactive Q&A segment, allowing participants to deepen their understanding of these profound ideas. The expert talk was successfully organized by Dr. Veena Gour, Associate Professor, School of Arts, Humanities, and Social Sciences.

India's Change-Makers: Building a Career in Civil Services

Anshul Singh
Faculty, KSG

The School of Arts, Humanities, and Social Sciences successfully organized a seminar titled "India's Change-Makers: Building a Career in Civil Services" on November 21, 2024. The session featured Mr. Anshul Singh, faculty at KSG, and Mr. Mustafa A. Shah, Mentor at KSG, who shared valuable insights on the journey to becoming an IAS officer.

Mustafa A Shah
Mentor, KSG

Through detailed discussions, they provided students with key insights into the civil services examination process, preparation strategies, and the qualities required to excel in this competitive field. The seminar also included an interactive segment, where students engaged directly with the speakers, gaining clarity on their career paths and aspirations. The seminar was convened by Ms. Swejal Sharma, Assistant Professor, School of Arts, Humanities, and Social Sciences.

How AI is Changing the Rules of Hiring and How You Can Win without Experience

The School of Engineering and Technology (SOET) successfully concluded a highly engaging seminar titled "How AI is Changing the Rules of Hiring and How You Can Win Without Experience" on December 12, 2024. The session, attended by an impressive 112 students, was a resounding success. It provided participants with valuable insights into the transformative role of AI in modern hiring practices, emphasizing how job seekers can adapt to these trends and stand out even without prior experience. The event was coordinated by Ms. Medhavi Bhargava, Assistant Professor, SOET, and Dr. Aditya Bhatt, Associate Professor, SOET, who ensured its seamless execution and impactful delivery.

Sir Herschelle L
Founder and CEO of
Super A1 humans Oxford

Career Opportunities and Patent Insights

On December 6, 2024, students from the School of Computer Technology (SOCT) interacted with Mr. Tarakant, a Guinness World Record holder for the largest collection of abbreviations. Holding an MS in Computational Mechanics from the University Of Duisburg, Germany, he has filed over 150 patents and is currently interning at BMW. The speaker shared his extensive experiences in working with patents, explained the patent application process, and provided valuable guidance on how students can pursue their higher education and career opportunities in Germany. This insightful session was coordinated by Dr. Kirti Jain Associate Professor, SOCT.

Information Technology Application in Agriculture

On November 29, 2024, School of Agriculture (SoAG) conducted an expert talk on "Information Technology Application in Agriculture", benefiting over 200 students. The session was convened by Dr. Deepak Kher Dean, School of Agriculture, with coordination by Dr. Shani Kumar and Dr. Anurag Patel, Assistant Professors. Dr. Ramesh Kumar Sahni, a Scientist at ICAR-CIAE, Bhopal, delivered the lecture. The session explored key topics such as precision farming to reduce chemical usage, soil conservation through IT-enabled practices, automated farming to cut costs, AI-powered disease detection, and crop monitoring using sensors and drones.

SAGE TALK

Himanshu Ghatode
Founder and CEO
Techno Drone Robotics

Date : 18th December 2024
Time : 11:00 AM

Venue :
D1 Block, FOPS
SAGE University, Bhopal

Advisor: Dr. Jitendra Banweer, Head EDC and SCSSAGE University, Bhopal
Coordinator: Dr. Rakhee Kapadia Jain Professor

Technological innovations continue to open new opportunities for young techno-entrepreneurs, driving transformation in the entrepreneurial landscape. To inspire and motivate students, the Entrepreneurship Development Cell (EDC) of SAGE University Bhopal had planned a Sage Talk on 'A New Era of Entrepreneurship: Robotics and Drone Technology' on December 18, 2024. The session featured Mr. Himanshu Ghatode, founder & CEO, Techno Drone Robotics and a proud alumnus of SAGE University Bhopal, who shared valuable insights into the field of robotics and drone technology. The talk was guided by Dr. Jitendra Banweer, Head of EDC and SCS, SAGE University, and coordinated by Dr. Rakhee Kapadia Jain, Professor, SAGE University.

Guidance on Entrepreneurship and Placements

The Entrepreneurship Development Cell (SAGE EDC) conducted a SAGE Talk on 'Guidance on Entrepreneurship and Placements' on December 16, 2024 at D1 Block, SAGE University, Bhopal. Mr. Rishabh Jamdade, Chartered Accountant, delivered the lecture, providing valuable insights to students on resume building, the utility of LinkedIn, effective introductions during interviews, group discussions, and the importance of building professional connections. He discussed the role of ideas, courage, and funding in startups, as well as IPOs, legal considerations (LLP), and funding opportunities such as bootstrapping and pitch decks during entrepreneurship. The session was attended by students from the Pharmacy and MBA departments and was coordinated by Dr. Rakhee Kapadia Jain and Mr. Priyal Jain of SAGE University, Bhopal.

Evidence Based Practice (EBP)

A Sage Talk on Evidence Based Practice (EBP) was conducted by College of Nursing (SCON) on November 26, 2024, featuring Mr. Ankit Diamond, Associate Professor of Community Health Nursing from Bareilly UP, as the guest speaker. The session saw participation from 59 attendees, primarily B.Sc. Nursing IIIrd Semester students. Coordinated by Mr. Anosh Nathaniel, Assistant Professor at SCON, the event facilitated rich discussions, enhancing the understanding of the steps involved in the Evidence-Based Practice process.

An Educational Trip to Rajasthan

From December 9, 2024 to 14 December 2024, students of the School of Arts, Humanities, and Social Sciences participated in a 4-day educational trip to Rajasthan. The trip was coordinated by Ms. Swejal Sharma, Ms. Divya Shrivastava, Mr. Anirudh Saxena, and Mr. Vimlendra Shekhar Singh, the excursion included visits to Mount Abu, Udaipur, Haldighati, and Chittaurgarh. The students engaged in both educational and recreational activities, gaining deeper insights into Rajasthan's rich heritage, history, art, and culture. The diverse itinerary fostered a blend of learning and exploration, making the trip a memorable and enriching experience.

Historical Photography Walk at Sanchi Stupa

SAGE Chitran Photography Club successfully organized a Historical Photography Walk at Sanchi Stupa on November 22, 2024. The event saw participation from B.Tech and JMC students, who gained hands-on experience in capturing the rich cultural heritage of the historic site through their lenses. The walk provided a valuable opportunity for students to enhance their photography skills while exploring the historical significance of Sanchi Stupa. Mr. Rajesh Bijronia Assistant Professor School of Journalism & Mass Communication coordinated this trip.

Photography Walk at Jagdishpur Fort

SAGE Chitran Photography Club along with Radio Club and Branding Club successfully conducted an academic Photography Walk at Jagdishpur Fort on December 13, 2024. The event focused on documenting the architectural features, sculptures, inscriptions, and other significant aspects of the site. The photographs captured will be utilized for research assignments, presentations, and potentially an exhibition to highlight the cultural and historical importance of Jagdishpur Fort. Dr. Vanya Chaturvedi from the Radio Club and Dr. Harshil Paradkar from the Branding Club, Mr. Rajesh Bijronia Assistant Professors School of Journalism & Mass Communication coordinated this trip.

Industrial Visit to
Municipal Waste Management Plants

SAGE School of Science successfully organized a one-day industrial visit on December 09, 2024, with 56 students from B.Sc. (3rd & 5th semester) and M.Sc. (1st & 3rd semester) participating. The visit to the Municipal Waste Management Plants in Bhopal included a tour of the Danapani Coconut Plant, where coconut waste from temples and vendors is processed into valuable materials. Students gained insights into waste segregation, the processing of coconut waste using shredders, and the production of products like cocopeat, decorative items, and incense sticks from coconut and temple waste. Coordinators for the visit were Dr. Mohit Kamthania (Professor), Dr. Swati Patel (Associate Professor), Dr. Shreya Tiwari (Assistant Professor), and Prachi Yadav (Assistant Professor).

Industrial Visit to
Waste Separation Plant at Kajlikheda

SAGE School of Science successfully organized a one-day industrial visit on December 09, 2024, during which students explored the Waste Separation Plant situated in Kajlikheda, Kolar Road. The visit focused on the segregation of dry and wet waste, along with the utilization of building debris and fly ash for brick manufacturing. Students gained practical insights into six types of waste segregation and the operation of segregation machines. They also observed the process of brick formation using fly ash and the operation of crushers, which convert building debris into raw materials for construction purposes. Coordinators for the visit included Dr. Mohit Kamthania, Professor, Dr. Swati Patel, Associate Professor, Dr. Shreya Tiwari, Assistant Professor, and Prachi Yadav, Assistant Professor.

Educational Visit to CAPT

SAGE School of Science organized a 3-day educational visit to CAPT from December 9-11, 2024, for 100 B.Sc. Forensic Science 1st Semester students. The students visited various sites at CAPT including the Crime Scene Simulation Lab, where students learned crime scene documentation and evidence preservation; the Forensic Tools and Kits Lab, covering fingerprint lifting, tool mark analysis, and GSR analysis; the Cyber Crime Investigation Unit, focusing on digital forensics and cybercrime detection; the Indoor Firing Range, demonstrating firearm handling and ballistic concepts; and the IED Lab, exploring explosive device identification and bomb disposal techniques. The visit was coordinated under Dr. D.K. Sharma, Head of Forensic Science, along with Assistant Professors Ms. Tanushree Dheer, Ms. Isha Rajput, Ms. Harshita Verma, Ms. Prachi Yadav, Ms. Hiramanee Patidar, Ms. Reshma Ashok, and Mr. Shreesh Kumar Shrivastav.

Educational Visit to Handloom

The School of Architecture, Planning, and Design organized a visit to Chanda Hathkargha Swayam Sahayata Samooh on December 5, 2024. The visit aimed to provide students with an understanding of the traditional handloom weaving process and its significance in contrast to industrial textile production. It allowed students to explore the cultural heritage of handloom weaving, gaining insights into its techniques, materials, and contributions to global textile production.

9th International Agriculture & Horticulture Technology Expo

On December 21, 2024, over 100 students from the School of Agriculture attended the Kisan Fair and the 9th International Agriculture & Horticulture Technology Expo at ICAR-CIAE, Bhopal. The event offered valuable exposure to advanced agricultural technologies, networking opportunities, and developments in areas such as dairy, food technology, and horticulture. Students gained practical insights into modern farming practices and emerging innovations, contributing significantly to their academic and professional development. The visit enhanced their understanding of sustainable agricultural practices and the potential for growth in the agricultural sector.

Workshops

Plant Tissue Culture Techniques and Applications

The School of Agriculture hosted a 7-day workshop on "Plant Tissue Culture Techniques and Applications" from December 17-24, 2024. The workshop involved 46 students from Babulal Gour Govt. PG. College, Barkatullah University, and SAGE University. It focused on the concepts, objectives, and techniques of plant tissue culture. On the first day, Mr. Ashish Kumar, Assistant Professor at SAGE University, introduced plant tissue culture techniques and applications, covering topics like media preparation and inoculation. The second day featured Mr. Prajwal Nimbulkar, who discussed how plant growth-promoting traits can support sustainable agriculture. Dr. Atul K. Pachauri, on day three, highlighted biotechnology's role in enhancing agriculture's productivity, sustainability, and resilience. The workshop was guided by Dr. Deepak Kher, Dean of the School of Agriculture, and coordinated by Mr. Ashish Kumar and Dr. Govind Gupta.

A Workshop on Drone Technology

The School of Computer Technology successfully organized a workshop on "Drone Technology" on December 2, 2024, with the participation of around 110 enthusiastic students. The workshop offered valuable insights into drone design, development, implementation, and the various applications of drone systems. The invited speaker was Mr. Yashraj Sunhare Founder & CEO, Jarvis Labs, Bhopal. This event provided an excellent platform for fostering innovation and technical expertise among students. The workshop was coordinated by Dr. Prashant Kumar Shrivastava and Mr. Shubham Kumar Suryavanshi, marking a significant step in enhancing students' knowledge of cutting-edge technology in the field of drones.

Mr. Yashraj Sunhare
Founder & CEO Jarvis Labs Bhopal M.P.

Introduction to IOT:
Connecting the Physical and Digital Worlds

Mr. Abhigyanam Giri
IOT & Embedded
Design Engineer

A two-day workshop on "Introduction to IOT: Connecting the Physical and Digital Worlds" was organized by School of Engineering and Technology at F-Block SUB on December 10-11, 2024. The workshop aimed to provide participants with foundational knowledge on IoT and its applications. Abhigyanam Giri, an IoT & Embedded Design Engineer, and Dr. Pinaki Ghosh, Academic Coordinator, were the expert trainers who guided the participants through hands-on sessions and theoretical concepts. The workshop was a valuable opportunity to explore the integration of the physical and digital realms through IoT technology. It was coordinated Ms. Vandana Patel, and Ms. Mangala Sharma Assistant Professors School of Engineering and Technology.

Dr. Pinaki Ghose
Academic Coordinator
SAGE University Bhopal

Workshop on Hindi Language and Literature

The School of Arts, Humanities & Social Sciences organized a workshop on "Hindi Language: Problems and Solutions, and the Importance of Rasa in Hindi Literature" on November 26, 2024. The session featured experts Shri Ashok Vyagra and Shri Dinesh Bhadoria, who discussed the challenges faced by the Hindi language and the significance of Rasa in literature. Dr. Poonam Namdeo, Assistant Professor and coordinator of the event, facilitated the workshop, offering valuable insights into the linguistic and literary aspects of Hindi, fostering a deeper understanding of its cultural and artistic relevance.

"Crafting Impactful Research Papers"

The School of Engineering and Technology successfully organized a workshop on "Crafting Impactful Research Papers" for BTech CSE V and III semester students. The expert lecture was delivered by Dr. Navneet Kaur, Professor at SIRT. The workshop aimed to equip students with essential skills and techniques to craft research papers based on their PBL reports. It focused on guiding students to effectively communicate their findings and meet publication standards. Students actively participated in discussions and had their doubts clarified about various aspects of research writing. The event was coordinated by Dr. Shruti Dixit, Dr. Khushboo Pachori, and Ms. Aaradhna Soni Assistant Professors, School of Engineering and Technology.

Workshop on
"Introduction to Astronomy and Space Technology"

Mr. Anil Dhiman
Freelance Ameture Astronomer &
NRPfor Telescope making , Vigyan Prasar

The School of Sciences and School of Engineering & Technology jointly organized a successful workshop on "Introduction to Astronomy and Space Technology" on December 9-10, 2024. The workshop, attended by approximately 150 enthusiastic students, provided valuable insights into the field of astronomy and its connection with space technology. The session aimed to enhance students' understanding of space exploration, celestial bodies, and cutting-edge technology in the field. The workshop was organized with the expertise of Medhavi Bhargava and Mr. Nikhil Chaurasia, Assistant Professors at the School of Engineering and Technology, along with Dr. Priyanka Gupta, Associate Professor at SoS, SUB.

Workshop on
"Introduction to Aviation and Drone Technology"

Mr. Pankaj Bhojwani
Founder & Director of
Beyond Gravity

The School of Engineering and Technology, successfully organized a workshop on "Introduction to Aviation and Drone Technology" on November 22, 2024. The event, with the participation of around 180 enthusiastic students, provided valuable insights into the design, development, and implementation of drones, as well as various applications of drone systems. The workshop aimed to foster innovation and enhance technical expertise among students in the field of aviation and drone technology. The event was coordinated by Ms. Medhavi Bhargava, with Dr. Mukesh Dixit serving as the convener, marking a significant step forward for student learning.

Workshop on Building AI Employees

The School of Engineering and Technology hosted a workshop on Building AI Employees with No-Code Tools, teaching participants how to develop chatbots without programming knowledge November 23, 2024. The session, aimed at bridging the gap between technology and education, was led by Abhijith Jain N, CEO of FindInbox Pvt Ltd, and Ms. Nupur Shah, CEO of Cyano IT Services. Around 150 students participated, gaining hands-on experience in creating chatbots. The workshop emphasized the growing role of AI in the digital age and equipped attendees with valuable skills for future careers in technology. The Convenerof the event was Ms Nivedita Singh, Ms Aradhna Soni and Ms Mangala Sharma Assistant Professors at the School of Engineering and Technology.

Workshop on International Patient Safety Goal

A workshop on International Patient Safety Goals was held on December 06, 2024 at College of Nursing. Distinguished speakers included Mrs. Margaret Roy Gowrinath, Independent Nursing Consultant, Mrs. Rekha Pandey, Nursing Superintendent at Apollo Sage Hospital, and Ms. Vijay Laxmi Nair, Assistant Nursing Superintendent at Choithram Hospital. Dr. Meeta Dutta Goyal, Principal of SAGE College of Nursing, also participated. The workshop, attended by faculty and students, focused on the six International Patient Safety Goals (IPSGs), such as patient identification, communication, medication safety, surgery safety, infection control, and fall prevention. The session concluded with role plays and a pledge by nursing students.

UI/UX Design

The School of Architecture, Planning, and Design hosted an insightful expert lecture on December 13, 2024, led by UI/UX Design expert Mr. Shubham Bharti. The session focused on the fundamentals of user interaction, emphasizing the importance of conducting user research and understanding user needs during the design process. Mr. Bharti also highlighted the growing influence of UX in shaping design practices and its impact on other design attributes. The lecture provided valuable insights into the evolving field of UI/UX design for students and faculty alike.

"Elegance Unfolded: The Drapes of India" – Saree Draping Workshop

A three-day saree draping workshop, titled "Elegance Unfolded: The Drapes of India," was held for design students and participants from various departments. The workshop explored India's rich draping heritage and modern adaptations. Participants learned 10 traditional drapes, 5 dhoti drapes, and 10 contemporary drapes, celebrating the diversity and versatility of Indian ethnic styling. With over 90 enthusiastic students, the event provided an opportunity to hone skills and appreciate the artistry of draping. The workshop concluded with a vibrant fashion show, where participants showcased their creations, leaving them inspired and creatively enriched.

MoUs

MoU with SheKunj

SAGE University Bhopal signed a landmark Memorandum of Understanding (MoU) with SheKunj, an empowering initiative by R Dot Ventures Pvt. Ltd., Indore on December 6, 2024. This partnership aims to foster innovation, entrepreneurship, and empowerment, with a special focus on supporting women. Spearheaded by Dr. Naveen Dhingra Registrar, SAGE University Bhopal and facilitated by Ms. Medhavi Bhargava, Assistant Professor at SOET, the collaboration is set to create numerous opportunities for aspiring individuals. This partnership marks a promising step toward a more inclusive and brighter future.

Sanjeev Agrawal Global Educational (SAGE) University, Bhopal

Congratulations

Signed a Memorandum of Understanding (MoU)

We are thrilled to announce that **SAGE University Bhopal** has signed a monumental Memorandum of Understanding (MoU) with **SheKunj, an empowering initiative by R Dot Ventures pvt. Ltd. Indore!** This partnership is a significant step toward fostering innovation, entrepreneurship, and opportunities, especially for women, aligning with the shared vision of empowering individuals to achieve their dreams.

www.sageuniversity.edu.in

MoU with Cyber Peace

The School of Law and Legal Studies, SAGE University Bhopal signed a Memorandum of Understanding (MoU) with CyberPeace Corps on November 30, 2024. The event, graced by guest Ms. Tanushree Saxena, marked a significant step toward advancing knowledge in cyber law, cybersecurity, and digital ethics. Coordinated by Mr. Arpan Verma, the collaboration will involve expert sessions by industry professionals, joint research on cybercrime, and data protection. A CyberPeace Club will be established to foster peer learning and student-led initiatives. Additionally, capacity-building programs and certifications will enhance students' employability in cyber-related careers.

VAC on Projects on Generative AI

The School of Computer Applications organized a two day Value Added Course on Projects on Generative AI on December 11-12, 2024. The Trainer was Mr. Atharv Sakalley Data Scientist, Impetus. Mr. Sakalley explained understanding on prediction model and importance of Generative AI. In this VAC students learned to make projects on Generative AI. First year students of B.Tech AI/CSF/FSD and MCA participated in this value added course. The faculty coordinators were Dr. Kirti Jain and Dr Megha Vashishtha.

Training

2024 goodbye
2025 welcome

Training for University Administration Staff

On December 14, 2024, an insightful training session for administrative staff was held at SAGE University Bhopal, conducted by Dr. Neeraj Upmanyu, Honorable Pro Vice-Chancellor. The session focused on empowering the staff with advanced management practices, emphasizing the efficient use of university resources. Dr. Upmanyu shared valuable strategies for optimizing office administration, ensuring smooth operations, and fostering a more organized and productive working environment for all administrative functions at the university.

Training Session on Respect and Mannerism

The SAGE University Bhopal organized a training session on "Respect and Mannerism" for its support staff on December 14, 2024. The session aimed to improve communication, interpersonal skills, and foster a positive, professional environment within the university. By focusing on key aspects of respect and professional behaviour, the training emphasized the importance of creating a harmonious workplace. The session was conducted by Ms. Paridhi Pandey, who provided valuable insights into building better relationships and enhancing workplace dynamics through mutual respect and courteous manners.

Communication Skills Training for Faculty Members

SAGE University Bhopal hosted an intensive training sessions on Communication Skills for its faculty members from various departments, including Management, Law, Agriculture, Journalism, Mass Communication, Engineering, Design, and Sciences, on December 14, 2024. The session focused on enhancing faculty members' professional communication abilities, aiming to improve teaching-learning processes and professional interactions. Distinguished trainers, Mr. Rajesh Neekhra, Mr. Gaurav Gaud, Ms. Srabani Sundaresan, and Ms. Shalini Rajvaidya, renowned for their expertise in corporate communication and soft skills, facilitated the session, equipping faculty with essential tools for more effective communication.

Launchpad of Super Procure & Mypcot Infotech Drive

On December 14, 2024, the Corporate Relationship Cell's Team at SAGE University Bhopal organized the Launchpad of Super Procure and Mypcot Infotech drive for final-year B.Tech students specializing in CSE, CSF, and AIML. The sessions, conducted by Mr. Vishwajeet Yadav and Ms. Shraddha Saxena, were designed to prepare students for online tests and personal interviews in the technical domain. The initiative provided valuable insights and guidance, equipping students with the necessary skills to excel in technical recruitment processes.

2024 goodbye
2025 welcome

Students'
Achievements

Ms Khushi Joshi

(BPA III Semester School of Performing Arts)

Received MAWE Shine Award in the field of Art and Culture conferred by Madhya Pradesh Association of Women Entrepreneurs on December 6, 2024.

Ms. Pallavi Farela

(MA Psychology Sem-III, School of Arts, Humanities, and Social Sciences)

Invited as a Guest Speaker for insightful lecture Psychology session during the Adolescent Health Program organized by Shri Sathya Sai College for Women.

Ms Aarushi Mukesh Bele

(BSc III Sem Forensic Science)

Won Second Prize in Carol Singing Competition during Winter Carnival organized on December 19, 2024 at SAGE University Bhopal.

Ms Shreya Mishra & Ms Zara Khan

(BSc III Sem Forensic Science)

Won first prize for "Best Decorative Stall" during Winter Carnival organized on December 19, 2024 at SAGE University Bhopal.

Ms Ayushi Thakur & Ms Vishakha Pawar

(BSc III Sem Forensic Science)

Won Best Hygiene Award for her stall during Winter Carnival organized on December 19, 2024 at SAGE University Bhopal.

Ms Tamanna Bamaliya

(BSc I Sem Forensic Science)

SAGE UNIVERSITY BHOPAL

CERTIFICATE
Of Achievement

This Certificate is Awarded to

Mr/Ms _Tamanna Bamaliya_

Student of School _____ Program _____ in recognition for securing _1st_ position in _cricket_ held on 12/12/2024 & 13/12/2024

during SAGE HOSTEL PREMIER LEAGUE 2.O
organized by hostel students of Sanjeev Agarwal Global Educational University , Bhopal.

Student Event Co-ordinator

Dr. Deepak Kher
Chief Warden

Faculty
Achievements

Dr. Neeraj Upmanyu
(Honorable Pro-Vice Chancellor, SUB)

- Participated as a Session Chair at the 9th International Conference on Human Values in Higher Education (ICHVHE 2024) on Value-based Education for Humane Society (including SDGs), held from November 22-24, 2024.

Dr. Ankur Saxena
(Honorable Pro-Vice Chancellor, SUB)

- Honored with the National Excellence Award for Academic Leadership during the ERDA Global Summit & Awards 2024, held at Christ University, Delhi NCR, on December 14, 2024. The summit was themed on Empowering Society: The Role of Industry, Academia, and the Public in Building a Sustainable Future.

Dr. Jitendra Banweer
(Dean, SIRT-Pharmacy)

- Filed a patent titled "Counterfeit Drug Detection Device" (Application Number: 440078-001), which focuses on a portable device for non-destructive verification of medication authenticity using advanced spectroscopy.

Dr. Swati A Sharma
(HoS, PAJMCDes & AHSS)

- Invited as a Guest Speaker for an expert session on Sons and Lovers: A Critical Review for BA (English Literature) students at Government Kamla Nehru Girls College, Balaghat, M.P, on December 16, 2024.

Dr. Meeta Dutta Goyal
(Principal, College of Nursing)

- Participated as a Certified Volunteer in the NAVCHETNA online training module on Drug Education for school children, conducted by Febminds Counseling Private Limited & Rotary Club.

Dr. Pinaki Ghosh
(Professor, School of Computer Technology)

- Successfully published a Utility Patent titled An Internet of Things Enabled Mobile Radiation Control and Safety System with application number 202421086272.
- Coordinated the 1st National Commerce & Finance Olympiad, organized by the School of Commerce, SAGE University, Bhopal on December 17-18, 2024.

Dr. Gourav Shrivastava
(HOS, School of Computer Technology & Computer Application)

- Presented a research paper, along with MTech scholar Mr. Himanshu Jharniya, titled An Improved Image Steganography Method for Domestic Internet of Things at IEEE International Conference CCIS-2024, GLA Mathura.
- Appointed as a reviewer for an International Conference on Applied Machine Learning and Data Analytics (AMLDA 2024) held at Vardhaman College of Engineering, Hyderabad.
- Appointed as a reviewer for the prestigious International Journal of Systems Assurance Engineering and Management (IJSA), Springer.
- Delivered an expert lecture on Future of Engineering at SIS-AN on December 9, 2024.
- Successfully published a Utility Patent titled An Internet of Things Enabled Mobile Radiation Control and Safety System with application number 202421086272.

Dr. Neelam Shukla
(HoD, School of Arts, Humanities, & Social Sciences)

- Invited as an external examiner for practical exams in Psychology of Personality and Psychopathology on December 17, 2024.
- Invited as an expert for a session on Heart Attack Survivors and Their Families, organized by Heart Health India Foundation in collaboration with the National Health Mission under the CVD Patient Engagement Project.

Ms. Deepa Ayachit
(Head Training, CRC)

- Honored to be a guest at the BNI Fortune Meeting on December 12, 2024.
- Invited as a Jury member for the Consumer Behavior subject at NIFT Bhopal.
- Invited as the Guest of Honour at the Orientation Program Neev at Swami Vivekananda College of Pharmacy.

Dr. Harshil Paradkar
(Associate Professor, School of Journalism & Mass Communication)

- Invited to attend 'Mind Summit', organized by IBC 24 at Hotel Taj Lake View on December 7, 2024.
- Attended two days work shop on the occasion of legendry film maker Gurudutt's 100th birth anniversary organized jointly by Madhya Pradesh Hindi Sahitya Sammelan and Cine Classics a film enthusiasts club.

Dr. Kirti Jain
(Associate Professor, School of Computer Technology)

- Successfully published a Utility Patent titled An Internet of Things Enabled Mobile Radiation Control and Safety System with application number 202421086272.

Dr. Shruti Dixit
(Associate Professor, School of Engineering and Technology)

- Received a reviewer certificate for reviewing articles for the Scopus Indexed International Conference on Data Science and Communication-2024 (ICTDsC2024).
- Successfully completed an ATAL Faculty Development Program on Practical Exposure on Managerial Practices in Industry 4.0/5.0 at SIRTE, Bhopal from November 11-16, 2024.
- Published a UK design patent on *AI-Based Voice to Text Conversion Device* with Design No. 6405546.

Dr. Shailja Shukla
(Associate Professor, School of Computer Technology)

- Successfully published a Utility Patent titled An Internet of Things Enabled Mobile Radiation Control and Safety System with application number 202421086272.
- Completed the AICTE Training And Learning (ATAL) Academy Faculty Development Program on Empowerment of Robotics, AI&ML, and Additive Manufacturing in Industry 4.0 at Nalanda Institute of Technology from December 2-7, 2024.

Ms.Shalini Rajvaidya
(Trainer, CRC)

- Invited as a Judge in the annual event of Karunadham Education Programme NGO on December 15, 2024.

Ms. Shraddha Saxena
(Trainer, CRC)

- Attended five days online Faculty Development Programme on Generative AI and Prompt Engineering organized by the Department of CSE (Emerging Technologies) from November 25-29, 2024.
- Completed Python Programming Certification from Indian Council for Technical Research and Development.

Mr. Nikhil Chourasia
(Assistant Professor, School of Engineering and Technology)

- Coordinated the 1st National Commerce and Finance Olympiad organized by the School of Commerce.

Ms. Medhavi Bhargava
(Assistant Professor, School of Engineering and Technology)

- Reviewed research papers for the First IEEE International Conference for Women in Engineering (INCOWOCO-2024), held at Symbiosis Institute of Computer Studies and Research, Pune.

Mr. Lokesh Sahu
(Assistant Professor, School of Computer Technology)

- Successfully completed NVIDIA's certification on Building Transformer-Based Natural Language Processing Applications.

Mr. Sachin Murarka
(Assistant Professor, School of Computer Technology)

- Participated in a 5-day Faculty Development Program on *'Cutting Edge Computer Science Research Theory and Application: New Trends and Innovation', organized by SAGE University, Indore.
- Received the Best Paper Presentation Award at the 4th International Conference on ICT in Business Industry Government (ICT BIG 2024), held on December 13-14, 2024.

Mr. Kuldeep Tiwari
(Assistant Professor, School of Computer Technology)

- Participated in a 5-day Faculty Development Program on *'Cutting Edge Computer Science Research Theory and Application: New Trends and Innovation', organized by SAGE University, Indore.

Mr. Shubham Kumar Suryavanshi
(Assistant Professor, School of Computer Technology)

- Successfully completed certification on SIEM Fundamentals.

Mr. Nitin Choudary
(Assistant Professor, School of Computer Technology)

- Presented a research paper at the IEEE Conference (Scopus Indexed) held at GLA University, Mathura, on December 7, 2024.

Dr. Rajesh Bijronia
(Assistant Professor, School of Journalism & Mass Communication)

- Short Mobile Film "BLANKET" was selected and screened at the Khajuraho Film Festival 2024.

Dr. Poonam Namdeo
(Assistant Professor, School of Arts, Humanities, & Social Sciences)

- Attended a National Seminar organized by Rabindranath Tagore University on November 22-23, 2024.

Ms. Divya Shrivastava
(Assistant Professor, School of Arts, Humanities, & Social Sciences)

- Participated in a National Workshop titled "Living Constitution - Evolving with Time" organized by Barkatullah University's Department of Legal Studies.

Dr. Vishakha Shrivastava
(Assistant Professor, School of Architecture, Planning, & Design)
- Served as a Convenor/Coordinator for an International Conference, where she was honored with the Shine Award for Influential Women conferred by Shri Chaitanya Kashyap, Minister for MSME, and His Excellency Ivan Fetisov, Consul General of Russia.

Mr. Ganesh Lal Patidar
(Associate Professor, College of Nursing)

- Attended the International Research Workshop on Research: Concept to Publication organized by Bharati Vidyapeeth College of Nursing, Pune from November 25, 2024 to December 30, 2024.
- Participated in the 20th Webinar on Current Trends in Nursing on Randomized Control Trials in Nursing Research, held on November 26, 2024, organized by the Society of Cardiac Nurses, India.

Mr. Anosh Nathaniel
(Assistant Professor, College of Nursing)

- Attended CNDP's 'Mastering Simulation: Enhancing Learning and Skills through Scenario' on November 26, 2024.

Mr. Rohit Wadbude
(Clinical Instructors, College of Nursing)

- Attended an International Research Workshop on Research: Concept to Publication organized by Bharti Vidyapith College of Nursing, Pune, India, from November 25, 2024 to December 30, 2024.
- Participated in a Webinar on Gestational Hypertension & Pre-eclampsia in Pregnancy conducted by Mediversal on 7th December 2024.
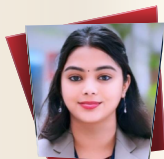

Ms. Aditee Mandal
(Clinical Instructors, College of Nursing)

- Participated in an International Research Workshop on Research: Concept to Publication organized by Bharati Vidyapeeth College of Nursing, Pune.
- Participated in the Webinar on Gestational Hypertension & Pre-Eclampsia in Pregnancy conducted by Mediversal on December 7, 2024.

Ms. Rashmi Mishra
(Clinical Instructors, College of Nursing)

- Participated in an International Research Workshop on Research: Concept to Publication organized by Bharati Vidyapeeth College of Nursing, Pune.
- Participated in the Webinar on Gestational Hypertension & Pre-Eclampsia in Pregnancy conducted by Mediversal on December 7, 2024.

Ms. Supriya Wadurkar
(Clinical Instructors, College of Nursing)

- Participated in an International Research Workshop on Research: Concept to Publication organized by Bharati Vidyapeeth College of Nursing, Pune.
- Participated in the Webinar on Gestational Hypertension & Pre-Eclampsia in Pregnancy conducted by Mediversal on December 7, 2024.

Ms. Sonali Chouhan
(Clinical Instructors, College of Nursing)

- Participated in an International Research Workshop on Research: Concept to Publication organized by Bharati Vidyapeeth College of Nursing, Pune.
- Participated in the Webinar on Gestational Hypertension & Pre-Eclampsia in Pregnancy conducted by Mediversal on December 7, 2024.

Mr. Abhishek Shrivastava
(Assistant Professor, SIRT Pharmacy)

- Attended the FDP on Innovative Teaching Strategies with AI and Digital Tools by A2Z EDU Learning Hub on November 29, 2024.

Dr. Swati Pandey
(Associate Professor, SIRT-Pharmacy)

- Filed a patent titled "Counterfeit Drug Detection Device" (Application Number: 440078-001), which focuses on a portable device for non-destructive verification of medication authenticity using advanced spectroscopy.

Dr. Sarika Shrivastava
(Associate Professor, SIRT-Pharmacy)

- Filed a patent titled "Counterfeit Drug Detection Device" (Application Number: 440078-001), which focuses on a portable device for non-destructive verification of medication authenticity using advanced spectroscopy.

Dr. Priyal Jain
(Assistant Professor, SIRT-Pharmacy)

- Filed a patent titled "Counterfeit Drug Detection Device" (Application Number: 440078-001), which focuses on a portable device for non-destructive verification of medication authenticity using advanced spectroscopy.

Dr. Praveen Tahilani
(Assistant Professor, SIRT-Pharmacy)

- Filed a patent titled "Counterfeit Drug Detection Device" (Application Number: 440078-001), which focuses on a portable device for non-destructive verification of medication authenticity using advanced spectroscopy.

Mr. Prem Samundre
(Assistant Professor, SIRT-Pharmacy)

- Filed a patent titled "Counterfeit Drug Detection Device" (Application Number: 440078-001), which focuses on a portable device for non-destructive verification of medication authenticity using advanced spectroscopy.

Publications

Dr. Jitendra Banweer
(Dean, Faculty of Pharmaceutical Sciences)

- Published a research paper titled "Analytical Method Development and Validation for Determination of Flavonoids by RP-HPLC" in Journal of Emerging Technologies and Innovative Research (JETIR), Volume 11, Issue 11, ISSN 2349-5162.

Dr. Gourav Shrivastava
(HOS, School of Computer Technology & Computer Application)
