

SAGE UNIVERSITY BHOPAL

A MONTHLY NEWSLETTER OF SUB VOL.4, ISSUE 6

SAGE STUDENT
AMBASSADORS COUNCIL

SAGE STUDENT EXCELLENCE AWARD

23rd -24th May, 2024

*Our
shining stars*

SAGE University Bhopal organized a two-day Student Excellence Awards event, which brought together students, faculty members, and distinguished guests to celebrate academic excellence and talent. The event was to honor outstanding achievements in various academic and extracurricular activities, including Best Attendance, Best Academic, Best Research, Best Alumni, Best Socialite, and All-Rounder Student. Awards were also given for outstanding performance in various sports activities. During the ceremony, Hon'ble Chancellor Er. Sanjeev Agrawal and Executive Director Ar. Shivani Agrawal distributed awards to the students and addressed them. On addressing, Er. Sanjeev Agrawal urged the students to identify at least nine people who support their holistic development and to take advantage of the opportunities. Ar. Shivani Agrawal appealed to the students to develop their abilities without getting distracted.

SAGE STUDENT
EXCELLENCE
AWARD
MAY 23-23

On this occasion, the university's Pro-VC Dr. Ankur Saxena emphasized the value of teamwork in achieving goals and discussed the importance of Key Performance Indicators (KPIs) and Key Performance Areas (KPA) in attaining success. On the first day of the ceremony, students from diverse departments such as Performing Arts, Journalism and Mass Communication, Design, Law, Arts and Humanities, and Management were honored for their academic excellence. The second day saw students from departments including Engineering Technology, Nursing, Pharmacy, Science, Agriculture, and Advanced Computing being recognized for their achievements. The event featured captivating performances by students, including a mesmerizing singing performance by Performing Arts student Daud Khan and an enchanting flute recital by Agriculture student Samridh. Furthermore, Shankar Muralidharan, Head of Liberal Arts at SAGE Group, provided valuable career guidance to the students, enriching their academic journey.

On this occasion, the Dean of Student Affairs, Dr. Sudhir Shrivastav, expressed gratitude to all the individuals who contributed to the success of the event, including students, members of the Student Council, committees, and honored dignitaries. The Sage Student Excellence Awards ceremony was more than just an award distribution, and served as a platform to celebrate academic excellence, inspire students, and foster a spirit of achievement. The event left an indelible mark on the hearts of the Sageians, reinforcing their commitment to excellence and personal growth.

The Education Fair at Rani Kamlapati, which spans six days, was inaugurated by Executive Director Ar. Shivani Agrawal. Students visited the fair to inquire about admissions, exploring various educational opportunities and programs offered at the university. The event aims to provide valuable information and guidance to prospective students and their families.

Education Fair

Psychology Lab

Inauguration

The School of Arts, Humanities, and Social Sciences inaugurated its new Psychology Laboratory with the esteemed presence of Executive Director Mr. Karan Khurana. Students were recognized for their hard work and contributions to the lab. The Executive Director motivated and interacted with the students, encouraging them in their academic pursuits. The event highlighted the dedication of both students and faculty to enhancing the educational facilities.

"Ideation to Shark Tank"

Under the Meri Marzi Event series at SAGE University Bhopal, the "Ideation to Shark Tank" event was jointly organized by the Departments of Pharmacy, Management, and Nursing on May 9 and 10, 2024, at D1 Block, SIRT-Pharmacy. This initiative aimed to foster an entrepreneurial culture and ecosystem, facilitated by the Entrepreneurship Development Cell. Approximately 223 participants registered and pitched their business ideas, with three winners awarded cash prizes and direct entry to the National event under Swarnim Shark Tank.

Meri Marzi Drive:

Azadi Apna Career
Choose Karne Ki

Youth Parliament

On May 10, 2024, eclectic sessions under the Youth Parliament, part of the Meri Marzi 2.0 initiative, were held at the School of Law and Legal Studies and the School of Arts, Humanities, and Social Sciences. The competition saw 40 students engaging in lively debates, presenting compelling arguments on topics such as same-sex marriage in India's diverse society and menstrual leave for working women.

Ms. Shruti Chhibber
UX Designer, ImagineXP

Exploring Animation and Gaming: Future Horizons

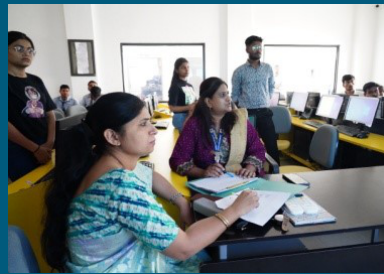

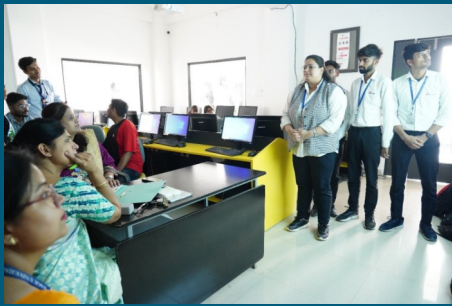

SAGE University Bhopal hosted a workshop titled "Exploring Animation and Gaming: Future Horizons" on April 27, 2024. Participants delved into the limitless realms of animation and gaming, where creativity merges with innovation. They explored worlds beyond imagination, characters brought to life, and adventures waiting to be discovered. The workshop journeyed through Future Horizons, where technology transforms dreams into reality, showcasing the evolution of entertainment from stunning visuals to immersive gameplay. The event was coordinated by Dr. Mukesh Dixit, Dr. Gourav Shrivastava, and Nivedita Singh.

Mr. Abhigyan Tiwari
Lead Java Developer, Programmers.io

Spring Boot and its Application

A workshop on "Spring Boot and Its Application" highlighted its streamlined approach, enabling developers to create robust, scalable applications with exceptional efficiency. By offering a powerful set of tools and conventions, Spring Boot simplifies configuration, speeds up development, and boosts productivity. From micro services to enterprise-level applications, its versatility and ease of use make it the preferred choice for modern software projects. Spring Boot allows developers to focus on building great features without being bogged down by boilerplate code. Embrace the future of application development and unlock your projects' full potential with Spring Boot. The event was coordinated by Dr. Mukesh Dixit, Dr. Gourav Shrivastava, and Nivedita Singh.

Ideathon

The Ideathon competition, held at SAGE University Bhopal on April 25 and 26, served as a platform for participants to present innovative ideas across various fields. With a maximum of four participants per group and a group entry fee of 200 rupees, the event aimed to foster creativity, collaboration, and problem-solving. In the first round, 25 teams presented their ideas to internal and external judges, showcasing uniqueness, feasibility, and potential impact. Seven teams proceeded to the final round on April 26, where they presented prototypes and implementation plans, receiving valuable feedback from the judges. Dr. Shruti Dixit and Ms. Medhavi Bhargava coordinated the event.

LAN GAMING EVENT

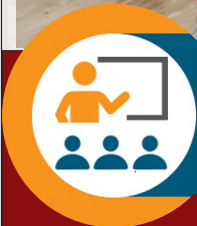

The Lan Gaming Event (BGMI) as part of Meri Marzi 2.0 was successfully organized by the School of Engineering & Technology and the School of Advanced Computing from April 25 and 26, 2024. The event saw participation from 20 teams representing various institutes. Mr. Harendra Singh, Assistant Professor, and Dr. Rakesh Kumar Verma, Associate Professor, coordinated the event, under the supervision of Dr. Pinaki Ghosh, Head of School, Dr. Gaurav Shrivastava, Head of Department, and Dr. Mukesh Dixit, Head of Department.

Farewell Fusion 24

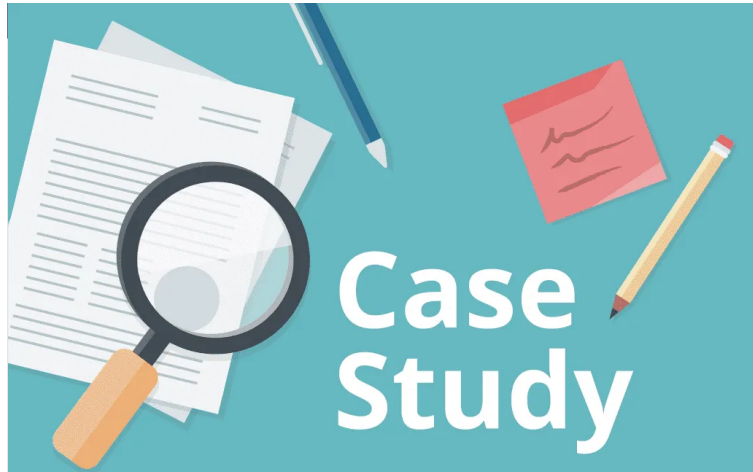

School of Management and School of Commerce hosted a farewell for its senior batch students on 18th May 2024.

FACULTY DEVELOPMENT PROGRAM

SAGE Consultancy Services on May 17, 2024, conducted an Internal Faculty Development Program (IFDP), featuring student representatives from the Consultancy Task Group of the School of Management and Commerce. These students led a session for faculty members on the topic "Consultancy Services to be Provided by the School of Management and Commerce." The event, coordinated by Dr. Sushil Singh and Dr. Uday Saxena from the School of Management, along with CS Chitra Shridhar from the School of Commerce, focused on informing faculty about various consultancy services that the schools can offer to industries and academic institutions, sharing a range of consultancy-related ideas.

Case Study

An Insight on Young Entrepreneurs

The School of Management recently conducted a case study session led by Ms. Subarna B. Mistry, Assistant Professor. This experiential learning activity focused on insights into young entrepreneurs, aiming to bridge the gap between theory and practice while promoting the development of analytical skills among students. The session provided practical understanding and real-world applications of entrepreneurial concepts.

DATA DECODE: CRACKING DATA ANALYTICS

The School of Management hosted a virtual webinar titled “Data Decode: Cracking Data Analytics” on April 23, 2024. The session was led by Mr. Kuldeep Pandey, a Power BI Developer, providing valuable insights into data analytics. This webinar aimed to enhance participants' understanding of data analytics techniques and tools. The event was coordinated by Dr. Shikha Ujjainia and Ms. Ankita Singh, Assistant Professor, School of Management

Mr. Kuldeep Pandey
Power BI Developer
(Industry Expert)

Experiential Learning

The School of Management organized a session led by Dr. Anamika Rawat, Associate Professor, focusing on “Marginal Analysis: Benefits and Costs in Integrated Marketing Communications.” This experiential learning aimed to enhance students' knowledge, confidence, and ability to communicate ideas effectively. The session provided practical insights into the application of marginal analysis in marketing strategies.

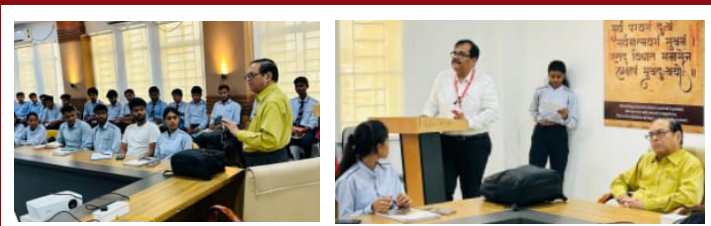

EXPERT TALKS

CA Pankaj Dubey
Financial Consultant

ROLE OF FINANCE IN INDUSTRY

The School of Management on April 25, 2024 organized an expert talk. CA Pankaj Dubey, a renowned Financial Consultant, delivered an enlightening session on the "Role of Finance in Industry". The session provided in-depth insights into the critical functions of finance within various industries, offering students a valuable learning experience. The event highlighted the importance of financial expertise in business management. This expert talk was coordinated by Ms. Charul Chaturvedi, Head of the BBA department, and Ms. Ankita Singh, Assistant Professor.

School of Sciences successfully organized an expert talk on the topic "Winning the Race: Expert Insights for Competitive Exam Preparation" on May 15, 2024. The expert speaker for the sessions was Ms. Pratiksha Sen, Assistant Professor, Govt. College Barasia. The lecture was attended by 110+ students of the School of Sciences and its highlights included - Strategies for Cracking Government Exam, Higher Education Exam, etc. Dr. Abhilasha Dwivedi, Associate Professor, was the coordinator for the talk.

Winning the Race: Expert Insights for Competitive Exam Preparation

Ms Pratiksha Sen

Assistant Professor, Swami Vivekananda Government College, Barasia, Bhopal

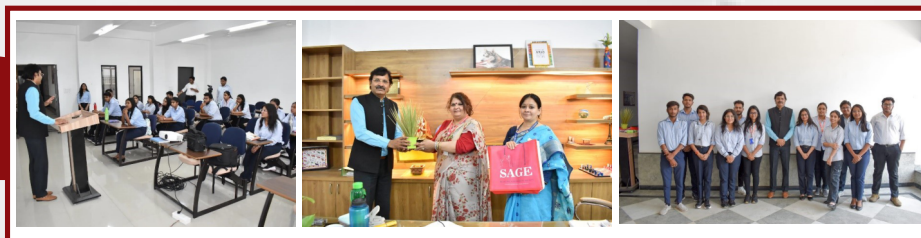

Election and Press Freedom

The School of Journalism and Mass Communication (SOJMC) at SAGE University, Bhopal, organized a talk on 'Election and Press Freedom' by Mr. Anand Pandey, Founder Editor of The Sootr, on May 14, 2024. Mr. Pandey provided profound insights into the symbiotic relationship between elections and press freedom. He highlighted the media's role in shaping democracy and the challenges it faces today. Coordinated by Dr. Vanya Chaturvedi, the event saw enthusiastic participation from students, fostering engaging discussions on the ethical responsibilities of journalists and the importance of citizen engagement in upholding democratic values.

Mr. Anand Pandey
Founder Editor The Sootr

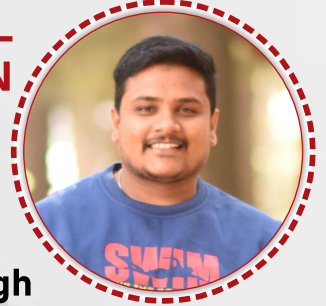

Estimation and Costing

Ar. Sudhir Kumar Chandel
Academician and
Industry Expert

The School of Design organized an expert talk on May 17 and 21, 2024, featuring Ar. Sudhir Kumar Chandel, an academician and industry expert. He guided students in estimating and determining the approximate costs of Interior Design projects, covering aspects such as civil works, materials, and fixed furniture. The sessions included insights into reading working drawings and conducting rate analysis for various interior works. This event aimed to equip students with essential skills for accurate project cost estimation.

MATERIAL EXPLORATION

Mr. Ankit Singh
Industry Expert

The School of Design organized an expert talk featuring Mr. Ankit Singh, a renowned industry expert, who delivered a lecture on the exploration of materials in design. Coordinated by Sucheta Nigam, the workshop emphasized the importance of innovative ideas using diverse materials to create unique and viable design products.

INTRODUCTION TO METASPLOIT

Mrs. Lakshita Mandpe
Asst. Prof.,
Indore Institute of Science & Technology

The School of Engineering and Technology at SAGE University Bhopal successfully organized an online expert talk on "Introduction to Metasploit" by Mrs. Lakshita Mandpe, Assistant Professor at Indore Institute of Science & Technology, on May 13, 2024. Approximately 100 students participated, gaining valuable insights into cybersecurity. The event was advised by Dr. Mukesh Dixit and coordinated by Dr. Khushboo Pachori and Ms. Vandana Patel.

Why Civil Services as a Career Option?

The School of Arts, Humanities, and Social Sciences organized an expert talk on "Why Civil Services as a Career Option" on May 16, 2024. Mr. Ashendra Mishra, Director of Kautilya Academy, briefed approximately 65 students on the topic. The event was organized by Assistant Professor Ms. Shivangi Masani and advised by Prof. (Dr.) Neelam Shukla, Head of Department aimed to provide insights into civil services as a career choice.

Mr. Ashendra Mishra
Founder and Director, Kautilya Academy, Indore (M.P.)

Generative AI with LLMs

The School of Advanced Computing organized a Sage Expert Talk on "Generative AI with LLMs," featuring Mr. Atharv Sakalley, a Data Scientist at Impetus on May 16, 2024. He explained prediction models such as linear regression, the importance of generative AI, and examples like email and WhatsApp autocomplete features using LLM models, including their use cases and contextual embedding. First and second-year students of B.Tech AI/CSF/FSD and BCA attended the talk. The event was coordinated by Dr. Kirti Jain, Associate Professor at the School of Advanced Computing.

Mr. Atharv Sakalley
Data Scientist at Impetus

A Visit to

Parle-G

The School of Management organized an industrial visit to Parle-G in Mandideep for MBA II semester students on May 14, 2024. The visit aimed to provide practical insights into the manufacturing processes and business operations of the renowned biscuit company. This hands-on experience was a valuable addition to the student's academic learning. The trip was coordinated by Dr. Uday Kumar Gupta and Dr. Anil Tiwari, Associate Professors.

A Visit to State Museum, Bhopal

The School of Arts, Humanities and Social Sciences successfully organized a visit to "State Museum, Bhopal". The visit allowed students to represent SAGE University Bhopal at the State level in Archeological tales organized by the State Museum. The complete visit was coordinated by Mr. Shivaji Rai, Assistant Professor, and Ms. Swejal Sharma, Assistant Professor.

A Visit to

RFSL, Bhopal

53 students from the School of Sciences visited the RFSL Bhopal for an educational tour, gaining hands-on experience in various forensic science techniques. The visit, led by Assistant Professor Ms. Nikita Tomar, on April 23, 2024, provided valuable insights into the field. Special thanks to Mr. Bhavendra Patil and Ms. Hiramane Patidar for their coordination and support.

"DRUG ABUSE"

"अमृतत्व of Drugs"

SIRT Pharmacy organized a one-day workshop on "Drug Abuse" on April 22, 2024, aimed at raising awareness about the dangers of drug abuse among the youth, who are particularly vulnerable to this issue. The event also focused on highlighting the crucial roles of parents and teachers and discussing proactive measures that individuals can take to combat drug abuse. The session featured insights from Shri Ritesh Ranjan, Zonal Director of the Narcotics Control Bureau (NCB), Government of India, Indore, and Mr. Amit Kumar Khare, Intelligence Officer at the Narcotics Control Bureau, Government of India. The session was coordinated by Ms. Swati Khare, Assistant Professor.

Mr. Amit Kumar Khare
Intelligence Officer
Narcotics Control Bureau
(Govt. of India)

PUBLIC PROCUREMENT AND BID MANAGEMENT

The School of Commerce on April 25, 2024, held an insightful workshop on "Public Procurement and Bid Management," with over 80 students participating. The event was expertly organized by Mrs. Vinita Jain, Head of the Department, and Ms. Ratna Raghuwanshi, Assistant Professor. Dr. Sanjay Kumar Deharia, a Business Coach and expert in Public Procurement and Gem, served as the keynote speaker. Attendees gained valuable knowledge about procurement processes and effective bid management strategies, making the workshop a significant educational opportunity for all participants.

Dr. Sanjay Kumar Deharia
Business Coach
Public Procurement and
GeM Expert

INDIAN ECONOMY : SCOPE AND CHALLENGES

The School of Arts, Humanities, and Social Science organized a workshop on "Indian Economy: Scope and Challenges" on May 15, 2024, coordinated by Dr. Rameshwar Mishra, Assistant Professor. The workshop featured Mr. Ashutosh Dwivedi, Deputy Director (Energy) of the Indian Audit and Accounts Services, Central India, as the speaker. Approximately 125 students attended the session. Prof. (Dr.) Neelam Shukla, Head of Department served as the advisor for the event.

Mr Ashutosh Dwivedi

Raipur, Chattisgarh

FORENSIC FRONTIER: NAVIGATING CRIME SCENE PROTOCOLS, LEGAL PATHWAYS AND TOXICOLOGICAL INSIGHTS

The School of Sciences successfully completed a two-day workshop titled "Forensic Frontier: Navigating Crime Scene Protocols, Legal Pathways, and Toxicological Insights." Dr. R. K. Gupta, Joint Director (Retd.) of the State Forensic Science Laboratory in Raipur, Chhattisgarh, was the expert speaker. Over 100 students from the School of Sciences and the School of Law & Legal Studies attended. The workshop covered efficient crime scene management, evidence collection and preservation, basics of forensic toxicology, viscera collection for analysis, and presenting evidence in court. Ms. Harshita Verma and Ms. Tanushree Dheer, Assistant Professors from the School of Sciences, coordinated the sessions.

Nikhil Mishra

Founder of SHAS Foundation

STRESS MANAGEMENT

The Training Department (Corporate Relation Cell) successfully organized two impactful ASCENT workshops. The first, a Career Odyssey for B.Com and B.B.A students on May 17, 2024, featured Mr. Minhaz (Director, IMS Bhopal) and was attended by 70 students. The second session, with speakers Mr. Ayan Jain (UPSC CSE 2023, AIR-16) and Mr. Vineet Chaturvedi (International Educational Counsellor), covered UPSC CSE preparation, future roadmap planning, and international scholarships. Both sessions included interactive Q&A segments, providing valuable guidance and making ASCENT a highly beneficial initiative for students' academic and professional growth.

Mr. Trivikrama

AIR 93, IIT Delhi
A1 Expert

HANDS-ON GENERATIVE AI WORKSHOP

The School of Engineering and Technology organized a one-day workshop focused on hands-on generative AI, attracting over 200 registered students eager to delve into this cutting-edge field. The workshop was led by Mr. Trivikrama, an AI Master and IIT Delhi alumnus who ranked AIR 99, providing students with expert instruction in generative AI. The event was meticulously coordinated by Professor Aaradhna Soni, an Assistant Professor at the School of Engineering and Technology. Through this workshop, participants received comprehensive training and practical experience, enhancing their understanding and skills in generative AI.

Workshops

Pre-Placement Training

The training team conducted pre-placement training sessions for several companies, including Signet Group, Big Haat, Hexaware, Harsh Express, TCS, Jainson Locks, Netlink, GRG Health, Star Health, Future Generali, and Value Bound. In these sessions, the students were briefed and skilled for resume reviews, mock interviews, and trained in verbal ability, quantitative aptitude, and logical reasoning to prepare students for their upcoming placements.

Dressing, Grooming & Appearance

On May 11, 2024, Sage University, Bhopal hosted an enriching training session on "Dressing, Grooming & Appearance" for over 50 support staff members. The workshop was expertly conducted by Ms. Shalini Rajvaidhya and Dr. Sanjay Sharma. The training received positive feedback from the participants. Many reported feeling more confident about their appearance and were enthusiastic about incorporating what they had learned into their daily work routines. The expertise of Ms. Shalini Rajvaidhya and Dr. Sanjay Sharma provided valuable insights that are expected to have a lasting impact on the participants' professional lives.

A session on Office Management

Dr. Naveen Dingra, the Registrar at SAGE University in Bhopal, conducted an enlightening and detailed session on "Office Management I (Documentation)." This session offered an in-depth exploration of effective documentation practices, highlighting the critical role of organization and efficiency in office management. Dr. Dingra meticulously explained various documentation techniques and strategies designed to streamline administrative processes. The workshop's primary objective was to bolster the administrative skills of the participants, ensuring that the university's operations run smoothly and systematically. Through practical examples and interactive discussions, attendees gained valuable insights into maintaining well-organized records, optimizing document workflows, and implementing best practices for office management.

Dr. Meeta Dutta Goyal
Principal, College of Nursing

- Participated in a Virtual Workshop organized by the National Neonatology Forum on “Fluid Management and Neonatal Shock” held on May 17, 2024.
- Granted a patent on “Device for Measuring Nerve Damage Due to Diabetic Neuropathy”

Dr. Abhineet Goyal
Head of School, School of Sciences

- Received the Atmamanthan Award for best HoS/HoD.

Mrs. Shabana Rajkamal
Vice Principal, College of Nursing

- Granted a patent on “Device for Measuring Nerve Damage Due to Diabetic Neuropathy”

Mrs. Vinita Vinode
Head of Department, School of Commerce

- Successfully completed online certification courses for the Month of Skill Development on:
 - ▶ Basic Accounting
 - ▶ Effective Communication

Dr. Neelam Shukla
Head of Department, School of Arts, Humanities and Social Science

- Attended a One-day National Level CRE Programme on "Needs of Special Children: Issues, Challenges and Intervention" jointly organized by the Department of Psychology, CUH, and Rehabilitation Council of India, New Delhi, and conducted by Central University of Haryana on April 23, 2024

- Successfully completed Psychology Diploma: Anxiety and Panic Attack from UdeMy Learning Academy.
- Invited as a Resource Person to conduct a national-level webinar for Personality Care Foundation on the topic “Mental Health”

Dr. Mukesh Dixit

Head of Department, School of Engineering and Technology

- Successfully completed the course on “Introduction to Cybersecurity”.
- Successfully completed the course on “Cyber Threat Management”.

Dr. Gourav Shrivastava

Head of Department, School of Computer Application

- Successfully completed a certification on “Introduction to Natural Language Processing” from Infosys Springboard on May 9, 2024.
- Successfully completed a certification on “Introduction to Business Intelligence” from Infosys Springboard on 09.05.2024

Ms. Deepa Ayachit

Head-Training Department, CRC

- Successfully completed a course and workshop on Chat GPT & AI Hacks with MS Office from Skill Nation on May 16, 2024.

Dr. Sukhwant Singh

Professor, SIRT Pharmacy

- Reviewed article titled “A review on pharmaceutical packaging technology: Keeping the drug and the patient safe” accepted in UGC Care journal “Journal of Emerging Technologies and Innovation Research”

Dr. Sunil Atulkar

Professor, School of Management

- Presented two conference papers entitled “Customer Preference towards Online and Offline Travel Agency” and “Customer Satisfaction Towards SBI Online Banking Services” along with his research scholars.

Dr. Rajeev Jain

Professor, School of Management

- Successfully completed online certification courses for the Month of Skill Development on:
 - ▶ Excel for Beginners
 - ▶ Financial Literacy
 - ▶ Financial Accounting

Dr. Gaurav Mukerji
Professor, SAGE College of Nursing

- Granted a patent on “Device for Measuring Nerve Damage Due to Diabetic Neuropathy”

Dr. Kirti Jain
Associate Professor, School of Advanced Computing

- Successfully completed two certification courses, one is on “Python machine learning Projects” and the other is on “Python for Data Science and Machine Learning Bootcamp”

Dr. Shruti Dixit
Associate Professor, School of Engineering and Technology

- Invited as a judge for Project Model and Poster competition for National Conference NCRIMA 2024 held at SIRT.
- Secured a position in the top 1% of all scorers with a score of 85% in the NPTEL 12-week certification exam for "Introduction to Industry 4.0 and Industrial Internet of Things."
- Successfully completed online certification course on "Data Science Foundations", from Great learning
- Reviewed research paper in International Conference on Recent Trends in Engineering, Management and Science [Sagecon2k24] and SERB Granted International Symposium on Modern Technologies of Electronics, Computer and Electrical Engineering for Health (ISMTECEE-2024).

Dr. Khusboo Pachori
Associate Professor, School of Engineering and Technology

- Attended a five-day FDP on “Exploring the Modern Circuits, Devices and System Designs in Nanotechnology” organized by Vellore Institute of Technology, Chennai.
- Attended a five-day FDP on “Implementation of Deep Learning Models for Synthetic Aperture RADAR Imaging Application” organized by Vellore Institute of Technology, Chennai.
- Successfully completed certification on the title “Basic Image Classification with TensorFlow” by Coursera on May 18, 2024
- Successfully completed certification on the title “Deep Learning with PyTorch: Image Segmentation” by Coursera on May 18, 2024

Mrs. Trupti Mayee Patel
Associate Professor, SAGE College of Nursing

- Granted a patent on “Device for Measuring Nerve Damage Due to Diabetic Neuropathy”

Mr. Radheshyam Pattaiya

Associate Professor, SAGE College of Nursing

- Granted a patent on “Device for Measuring Nerve Damage Due to Diabetic Neuropathy”
- Served as a reviewer and contributor for the nursing guide in PCBT Nursing Tutorials, Study, and Publishers in May 2024.

Mr. Ganesh Lal Patidar

Associate Professor, SAGE College of Nursing

- Granted a patent on “Device for Measuring Nerve Damage Due to Diabetic Neuropathy”

Dr. Anamika Rawat

Associate Professor, School of Management

- Reviewed a manuscript titled “How have academicians’ equiposed work-life balance during the pandemic? Evidence from Odisha” submitted for Manthan: Journal of Commerce and Management.
- Invited as a resource person for a 10-day National Level Faculty Refresher Program (FRP) on Quality Teaching and Learning in Higher Education Institutions (HEIs), organized by IOT Academy from May 20 to 31, 2024.
- Successfully completed online certification courses for the Month of Skill Development on:
 - ▶ Introduction to Digital Marketing
 - ▶ Affiliate Marketing
 - ▶ Content Marketing Basics
 - ▶ Affiliate Marketing

Dr. Uday Kumar Gupta

Associate Professor, School of Management

- Appointed as an active review member of the esteemed Journal of Emerging Technologies and Innovative Research (ISSN: 2349-5162), with Member ID 223990.
