SAGE
UNIVERSITY
— BHPAL —

"Dare to be free, dare to go as far as your thought leads, and dare to carry that out in your life."

Er. Sanjeev Agrawal

Chancellor
SAGE University, Indore - Bhopal

From the Chancellor's Desk

To reach the altitude we need a stairway. SAGE University, Bhopal proffers you the ladder to climb up the intent. SAGE always prioritizes supremacy in education and aims at student-oriented learning. SAGE University always marches with the drifting economic scenario for which elite faculty is hand-picked, clinching a blend of experience, knowledge, and skillfulness.

I firmly believe that young blood should be trained to walk on the diverse paths of life fluidly and thus we envision fabricating better human beings, with deep-rooted academics, who are fierce enough to survive the upheavals of the economies of the world.

SAGE University identifies the most suitable candidates and assists them in attaining their desired path in life and helps them achieve their goals. The young minds and the strong pillars of our future are proffered with diverse courses, advanced technologies, and a variety of fields that verify; knowledge is the key to everything. The university is a temple of learning that focuses on empowering the society we live in, with competent and responsible professionals.

We at SAGE always serve as a plinth at the turning point of the students' life as our hard work today will make our aspirants tomorrow better. The university should be the prelude to a new era in the domain of higher education further enrich the traditions of SAGE University. As the Chancellor of the university, I count on the full participation of the students as well as the parents to make the perfect walk of life for the students and have them on the dream chairs. The tour does not end here... for in the years to come, as we traverse the extra mile, we endeavor to make SAGE University a global reference in academia and the industry.

We inherently believe in the dictum "SAGE Hai To Mumkin Hai".

Dr. Prashant Jain

Pro-Chancellor
SAGE University, Indore - Bhopal

From the Pro-Chancellor's Desk

"Education is the most powerful weapon which you can use to change the world." These profound words by Nelson Mandela encapsulate the essence of our approach at SAGE University. As the Pro-Chancellor of the university, I am honored to be a part of an institution that believes in equipping our students with the power of knowledge and education to make a positive impact on the world. In today's highly competitive world, the pursuit of higher education can feel like a battle. However, at SAGE University, we aim to prepare our students as formidable combatants armed with weapons of knowledge. We understand that education is the path to victory, and we are committed to providing you with the tools and resources necessary for success. Practical learning is at the heart of our approach.

We believe that true learning happens when theory is combined with hands-on experience. Therefore, we encourage our students to engage in practical applications of their knowledge, enabling them to navigate real-life challenges with confidence and ease. Our curriculum is designed to bridge the gap between academia and the professional world, ensuring that you are well-prepared for the future. At SAGE University, we go beyond the confines of traditional education and focus on nurturing both soft skills and hard skills. Therefore, we provide comprehensive training and guidance to develop your communication skills, critical thinking, problem-solving capabilities, and emotional intelligence. We believe in shaping students inside out by emphasizing the importance of holistic development. Along with rigorous academic studies, we provide ample opportunities for engagement in extracurricular activities, sports, seminars, competitions, and training programs. These activities help you develop essential life skills, enhance your creativity, foster leadership qualities, and promote teamwork.

As the Pro-Chancellor, I assure you that SAGE University is dedicated to your growth and success. Our faculty members are committed to your academic and personal development. They will serve as mentors, guiding and inspiring you throughout your educational journey. Our staff members are always ready to provide support and create an environment conducive to learning.

Ar. Shivani Agrawal
Executive Director
The SAGE Group

From the Executive Director's Desk

As the Executive Director of SAGE University, it gives me great pleasure to welcome you to our esteemed institution. The turning point brings a lot of muddle, when it comes to choosing the best institute for the higher studies. In such a state of indecision, SAGE University offers with agile, dynamic and forthcoming range of knowledge in the modern world. However, I am confident that SAGE University is the ideal place for your pursuit of knowledge and personal growth. We understand that academics alone cannot fully prepare you for the challenges of the real world.

Therefore, our approach goes beyond traditional book learning. We focus on providing a holistic education that nurtures your overall growth and development. Our aim is not just to help you score well in exams but to empower you to reach your dream positions in life. Our education system is designed to foster both intellectual and personal development. We believe that education should not only reflect progress in academic reports but also greatly influence your overall personality. We provide a nurturing environment that encourages critical thinking, creativity, and problem-solving skills.

Through various experiential learning opportunities, we ensure that you develop the necessary skills to excel in your chosen field.

As Benjamin Franklin wisely said, "An investment in knowledge pays the best interest." We firmly believe that knowledge is a capital asset that will benefit you throughout your life. It is the foundation of a civilized society and an invaluable resource. SAGE University strives to provide you with the best possible capital for your personal and professional growth. We are committed to equipping you with the skills, knowledge, and mindset required to succeed in the ever-evolving global landscape.

The SAGE Story : 40 glorious years of pure excellence

The SAGE Group is a conglomerate business house hailing from central India. It started its journey 40 years ago and ever since then, it has steadily established its prominence in Central India's Real Estate, Education, Electrical Infrastructure, Health Care Industry, and Social causes. The group, under the leadership of Er. Sanjeev Agrawal (CMD, The SAGE Group and Chancellor SAGE University, Bhopal), has been acclaimed nationally and globally for his commitment towards creating a positive impact on society and bringing joy in the lives of thousands of people, whether it be clients, customers, students or something for the society. The SAGE Group encompasses Agrawal Construction Co., SAGE Group of Institution (SIRT) Bhopal, SAGE International School, SAGE University Indore, SAGE University Bhopal, Agrawal Power Private Limited, and Apollo SAGE Hospital. Committed to spreading happiness, the group operates the True SAGE Foundation, offering free education and essential resources to the underprivileged. Under the leadership of Chancellor Er. Sanjeev Agrawal, after the success of SAGE University Indore, SAGE University Bhopal was established in 2020, aiming to provide world-class education to society and innovate the education sector.

SAGE University

Sanjeev Agrawal Global Educational (SAGE) University

SAGE University, Bhopal believes in strategic growth and offers high quality multi-disciplinary education with prime focus on holistic development and imbining values, abilities and skills to take real life decisions. The university takes the challenge of creating the best future and follows the foremost practice in academics. The highly motivated youngsters on the campus are a constant source of pride. SAGE University, Bhopal aims to become one of the leading universities across the globe with an acknowledged reputation for excellence in research and education. With its outstanding academic fraternity, world class teaching standards, and cutting-edge academic programs, SAGE University, Bhopal intends to set a new benchmark in Global Education System. With its thought-provoking learning and exceptional infrastructures, the university proffers the best-in-class facilities for students to secure their future, making the foundation learning centric. The institution polishes the students with smart learning, aiding them in making real-world decisions through practical learning. The institution offers education that is brained up for a lifetime. At SAGE University, Bhopal, we pride ourselves in providing not only quality education but also shape the character of our students. We believe in life-long learning that encompasses continual personal growth of our students emphasizing the importance of community involvement and volunteerism.

School of Advanced Computing

SAGE University's innovative and cutting-edge Advanced Computing programs will be of special interest to students who wish to be a part of a close-knit community of 'thinkers' and 'doers' who have an aptitude for engineering applications, who are interested in research and want to bring about a change in the world. Well-equipped to deliver services as professionals or as entrepreneurs and contribute constructively to the economy of our country. The School of Advanced Computing endeavors to be an important regional, national, and international resource center for the development of computing and its application. The programs are designed in a way that helps the students to enable them to work on current technology as well as make them ready to face any change in technology as per the requirements of the ICT industry. The programs deal with diverse areas like B.Tech in Artificial Intelligence, Cyber Security and Forensics, Data Analytics, and Full Stack Development.

Facilities

Open-air Theatre/Amphitheatre

We offer students a vibrant campus life with a dedicated open-air venue for entertainment performances and outdoor activities, which creates opportunities for a variety of co-curricular and extra activities, contributing to the holistic development of students.

Agricultural Land

SAGE University in Bhopal has 30 acres of agricultural experimental land and 2 acres of hi-tech polyhouses. We prioritize hands-on practical experience for our students by involving them in every stage of agricultural activities, from sowing to harvesting various crops. We conduct research trials of crops like Rice, Wheat, Chickpea, and produce green vegetables & flowers in the polyhouse.

Library

We support students in their academic journey and research endeavors. Our library offers a carefully chosen collection of information sources, selected by experts and available for reference or borrowing. The library provides individual study spaces, group rooms, intensive reading areas, and collaborative workspace to enhance the learning experience for our students.

Hostel Facility/ Student Accommodation

The hostels at SAGE University Bhopal, aims to be a "home away from home," offering motherly care. They are among the best on campus, situated in a peaceful location with lush green surroundings for quiet walks. The separate boys' and girls' hostels ensure top-notch security. The modern architecture of the hostels provides spacious, ventilated rooms with balconies. Various co-curricular activities are organized to promote the overall development of the residents.

Cricket Ground/ Stadium

At SAGE, we understand that Cricket is like a religion in India. Our cricket ground, spanning 18,000 yards, is designed with the love for this popular sport in mind. The stadium infrastructure includes a cricket ground with a natural turf pitch for all the cricket enthusiasts.

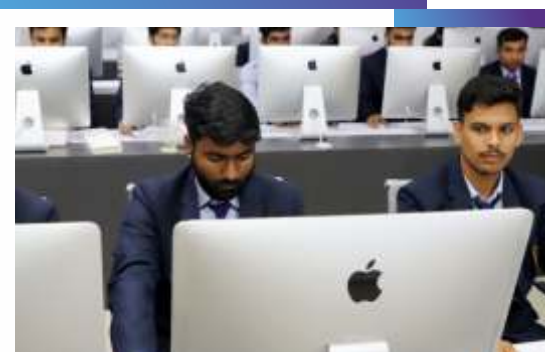

Cafeteria

SAGE's cafeteria is more than just a dining place-it's a place to relax and socialize. With a friendly atmosphere, it serves a variety of traditional South and North Indian dishes made in-house. The nutritious food caters all students with varied preferences, and the welcoming ambiance makes them want to come back for more.

Auditorium

The Royal SAGE Hall is a modern auditorium on campus with professional acoustics and seating for 1200 people. It hosts international and national events, workshops, and cultural events, providing a well-ventilated and spacious venue that enhances the learning experience for quality education.

Information Technology Laboratory

Humans have been dealing with information for a long time. Our information technology lab focuses on studying how to design, implement, and manage computer-based systems that help businesses. Students learn to support operational needs in various industries. We also encourage lifelong learning and professional development through continuing education.

Transportation facilities

We run a fleet of buses to facilitate students and staff to commute to and from various places in Bhopal and nearby areas. All buses can entertain a high capacity effortlessly. The safety and security of the students and faculty are at prime.

Moot Court

Sage University hosts a moot court, where participants engage in simulated court or arbitration proceedings. They draft memorials and participate in oral arguments as part of this co-curricular activity, the counselors also offers their support and solutions.

Laboratories

The university offers advanced labs for hands-on training, fostering a strong academic environment. These labs provide practical exposure and a chance for students to apply what they learn in class. It highlights the training programme offered to researchers for hiring & specific equipment following safety protocol. Regular audits ensure proper facilities and support for students' experiments.

Design & Drawing Studio

We use advanced design techniques for interactive software and emphasize drawing skills in our studio. Our focus is on contemporary art issues and individual creativity. We also explore 3D object and packaging design as part of our advanced graphic design practices.

Counseling services

Mental health is crucial, affecting both physical and mental well-being and thus, we prioritize it by providing a student counselor. Students can discuss any problem they face, and the counselor offers support and solutions.

Legal Aid

Legal aid helps people who can't afford a lawyer or access the court system. It ensures fairness, the right to counsel, and a fair trial, making justice accessible to everyone.

Dance Studio

Welcome to our dance studio, where dreams take flight. In the heart of our university, shining bright. In this sanctuary of creativity and passion, our studio is a place where the body expresses what words cannot say. Come, let's dance the day away.

Music Studio

SAGE University, provides industry-standard equipment to flourish polished students and thus aids with the music studio. Welcome to the territory of melody and sound, where musical dreams in our university abound. This creative facility provides students with a vibrant space to compose, record, and refine their musical talents under the guidance of experienced faculty.

Drama Studio

The university understands the passion of aspiring students and this fosters them with a modern and well-equipped drama studio, for the best exposure of the field. The drama studio provides students with an immersive environment to hone their theatrical skills.

Auditorium

The Royal SAGE Hall is a modern auditorium on campus with professional acoustics and seating for 1200 people. It hosts international and national events, workshops, and cultural events, providing a well-ventilated and spacious venue that enhances the learning experience for quality education.

TV/Film Studio

Student discovers journalism and filmmaking in our advanced studio, emphasizing innovative storytelling, cinematography, and editing. Our program explores contemporary challenges and individual creativity, providing a foundation for a successful media career.

Audio Studio

Dive into our cutting-edge audio studio, ideal for avid recording students. Our program delves into sophisticated recording processes, focusing on current techniques and individual creativity.

Photography Studio

Explore the art of photography in our advanced studio, which focuses on creative techniques and approaches. Our program emphasizes modern day concepts and individual originality, providing a solid foundation for a successful career in photography.

Film Theatre

Here students can learn more about filmmaking techniques. Immerse themselves in the cinematic experience and learn about storytelling and production. We offer a complete journey that combines cinematic technicalities and the art of filmmaking.

MoU's & Tie-ups

The budding graduates can attain knowledge on technological up-gradation, innovation, and competitiveness of an Industry. It helps in valuable inputs in teaching/ training methodology and customizes the curriculum so that the student fits into the Industrial Scenario meaningfully.

It is rated as South Asia's largest B2B Global Education Service and helps in Global Skill Development, Outcome-based International Training, International Internships and Immersions, and Global Career Labs.

The students would benefit as the scope of collaborative activities to be pursued through this Memorandum includes potential research in the areas of Plant Conservation of Endangered Plants, Ornamental Horticulture, Micropropagation, and Microbes for tissue culture, applied research in medicinal plants, and covers wide horizon of Plant Tissue Culture.
