

# SAGE University Bhopal

Sanjeev Agrawal Global Educational University, Bhopal believes in strategic growth and offers high-quality multi-disciplinary education with a prime focus on holistic development and imbining values, abilities and skills to take real life decisions. The university takes the challenge of creating the best future and follows the foremost practice in academics. The highly motivated youngsters on the campus are a constant source of pride. SAGE University, Bhopal aims to become one of the leading universities across the globe with an acknowledged reputation for excellence in research and education.

## Computer Lab

Humans have been dealing with information for a long time. Our Computer lab focuses on studying how to design, implement, and manage computer-based systems that help businesses. Students learn to support operational needs in various industries. We also encourage lifelong learning and professional development through continuing education.
