Bachelor of Commerce (B.com) 4 Years Degree Program

Program Educational Objectives (PEOs)

PEO - 1: After the completion of three years' Bachelors in Commerce (B.Com) program, students would gain a thorough understanding of the fundamentals of Commerce.

PEO - 2: The commerce curriculum offers a number of specializations and practical exposure which would equip the student to face the modern-day challenges in commerce and business.

PEO- 3: Industry based projects allow students to gain valuable work experience that will empower students through skill building and hands-on-training.

PEO -4: The all-inclusive outlook of the course offers a number of value-based and job oriented courses ensures that students are well equipped with relevant knowledge and experiential learning.

PEO -5: The curriculum helps students in developing a strong base in functional areas like accounting, taxation, banking, insurance and corporate law to acquire further professional education.

Program Outcomes (POs):

PO 1: Students will gain thorough systematic and subject skills within various disciplines of commerce, business, accounting, economics, finance, auditing and marketing.

PO 2: Students will be able to recognize features and roles of businessmen, entrepreneurs, managers, consultant, which will help learners to possess knowledge and other soft skills and to react aptly when confronted with critical decision making.

PO 3: Students will learn relevant financial accounting skills, both quantitative and qualitative knowledge, that help in their future careers in business.

PO 4: Students will learn and understand about direct tax laws and will be able to apply the theoretical knowledge in tax issues relating to individuals.

PO 5: Students will learn and understand about indirect tax laws and related issues.

PO 6: Learners can also acquire practical skills to work as tax consultant, audit assistant and other financial supporting services.

PO 7: Learners will be able to prove proficiency with the ability to engage in professional courses like CA, CS, ICWA and other courses.

PO 8: Learners will demonstrate relevancy of foundational and theoretical knowledge of their academic major through their active participation in various co-curricular activities and gain practical exposure.

PO 9: Learners can also acquire practical skills to work as assistant with tax consultant, auditors and other financial supporting services.

PO 10: Learners will acquire the skills like effective communication, decision making, problem-solving in day to day business affairs
