SAGE COLLEGE OF NURSING

PEOs

1. Prepare newly graduated nurses with a solid nursing education programme to enable them to work effectively as members of the healthcare team.
2. Prepare novice nurses to take on roles as competent, professional nurses and midwives who provide promotional, curative, preventive, and rehabilitative services.
3. Educate future nurses so they can make decisions on their own in nursing circumstances, uphold the rights of people and groups seeking health, and facilitate their efforts.
4. Prepare graduates to work as a vital member of the medical team in a variety of hospital, community, educational, and research nursing practice settings.
5. Prepare graduates for positions in government and private sectors as teachers, managers, supervisors, and researchers in clinical or community settings.
6. Prepare graduate nurses for effective personal and professional development so that they can make the greatest possible contribution to society as useful and productive individuals, citizens, and nurses.
7. Help graduate nurses to keep pace with latest professional and technological developments and use these for providing nursing care service and for further enhancing their professional education and specialization in nursing.

PSOs

1. Student will be able to provide nursing care to individuals, families, and communities while demonstrating both theoretical knowledge and competency skills.
2. Student will be able to interact politely and effectively with patients, the public, and other healthcare personnel.
3. Student will be able to contribute as much as possible to society as helpful, productive citizens and effective professional nurses.

PROGRAM OUTCOMES:

1. **Patient centred care:** Provide holistic care recognizing individual patient's preferences, values and needs, that is compassionate, coordinated, age and culturally appropriate safe and effective care.

2. **Professionalism:** Demonstrate accountability for the delivery of standard-based nursing care as per the Council standards that is consistent with moral, altruistic, legal, ethical, regulatory and humanistic principles.

3. **Teaching & Leadership:** Influence the behaviour of individuals and groups within their environment and facilitate establishment of shared goals through teaching and leadership

4. **System-based practice:** Demonstrate awareness and responsiveness to the context of healthcare system and ability to manage resources essential to provide optimal quality of care.

5. **Health informatics and Technology:** Use technology and synthesize information and collaborate to make critical decisions that optimize patient outcomes.

SAGE University Bhopal
Chairman, Board of Studies
School of SAGE College of Nursing

Scanned with CamScanner

6. **Communication:** Interact effectively with patients, families and colleagues fostering mutual respect and shared decision making to enhance patient satisfaction and health outcomes.

7. **Teamwork and Collaboration:** Function effectively within nursing and interdisciplinary teams, fostering open communication, mutual respect, shared decision making, team learning and development.

8. **Safety:** Minimize risk of harm to patients and providers through both system effectiveness and individual performance.

9. **Quality improvement:** Use data to monitor the outcomes of care processes and utilize improvement methods to design and test changes to continuously improve the quality and safety of healthcare system.

10. **Evidence based practice:** Identify, evaluate and use the best current evidence coupled with clinical expertise and consideration of patient's preferences, experience and values to make practical decisions.

COURSE AND CURRICULUM

B.Sc. Nursing

FIRST TO EIGHT SEMESTER

Scanned with CamScanner

SAGE College of Nursing

SAGE University, Bhopal

COURSE AND CURRICULUM

The B.Sc. (Nursing) program is a four-year program comprising of eight semesters that is credit and semester based. It is choice based only for elective courses. Competency based curriculum is the main approach that is based on ten core competencies. The courses are categorized into foundational courses, core courses and elective courses.

Curriculum Component

S. No.	Components	Hours				Credits			
		L	T	Practical		L	T	Practical	
				D	C			D	C
1.	Course credits -30 Courses (1-7 Semester)	1800	0	600	3936	90	0	15	36
		5280				141			
2.	Internship (8th Semester) **Apollo SAGE Hospital, Bhopal**	1056				12			
3.	Electives (17 modules) ***3 elective modules to be completed (every module=1 Credit = 20 hours)**	60				3			
	Total	**6396**				**156**			
Non mandatory Credit Courses: Course and Curriculum									
a.	Self-Study	240				12			
b.	Co-curricular Activities (Saturdays)	700				35			
	Total	**940**				**47**			

* L- Lecture, T- Tutorial, P-Practical, D- Demonstration (Lab), C- Clinical (Hospital).
