STUDENT PROGRESSION INDEX/ TRAINING

Hostel

Hostels at SAGE University Bhopal are built with a philosophy of "Home away from home", and provide motherly care. These hostels are some of the best state-of-the-art hostels at the University. It is located in a peaceful location on the university campus. The surroundings of the hostel offer quiet walks in the lush green surrounding vegetation. Separate boys and girls hostel offers the best security to its inhabitants. It is brilliantly designed with modern architecture which provides spacious airy rooms with balconies for residents. Many co-curricular activities are organized in it to facilitate the all-round development of the residents.

Sports Ground

Cricket is a religion to most people in India. The cricket ground at SAGE is built by keeping the love of this favoured sport in mind which is fully capacitated at 18,000 yards. The infrastructure of the stadium includes a cricket ground with a natural turf pitch for cricket fanatics.

Open-Air Theatre

Provides an enjoyable and discrete campus life to its students, SAGE University, Bhopal provides an open-air venue that will be used for entertainment performances and outdoor activities. This will allow scope for better co-curricular and extra activities for the holistic development of the students.

Auditorium

The Royal SAGE Hall on the campus is a state-of-the-art auditorium with a professionally deployed acoustic system and has a seating capacity of about 1200 people. This auditorium has immense pride in having hosted several

International and National Level seminars, workshops, and cultural events. The well-ventilated auditorium is spacious and has all the facilities to enhance the learning process and is a vast space that serves the varied requirements of quality education.

Cafeteria

The cafeteria on campus is not just a food joint but a place to relax, interact, rejuvenate, and take refuge from the daily hectic schedule!!! With its friendly atmosphere, the cafeteria serves traditional, South, and North Indian dishes, all cooked in the in-house kitchens. Food is nutritious and tastes to suit the needs of the diverse student community studying at the university. The whole ambiance of the cafeteria is so soothing and delightful that it tempts you to come here back.

Transport

We run a fleet of buses to facilitate its students and staff to commute to and from various places in Bhopal and nearby areas. All buses can entertain a high capacity effortlessly. The safety and security of the students and faculty are at prime.

Design & Drawing Studio

We are equipped with advanced concepts and techniques of interactive design and interactive software. Multilevel studio emphasizing advanced concepts and processes related to drawing. More emphasis on contemporary art issues and individual directions. Continued exploration of advanced graphic design practices with a primary emphasis on 3D object and packaging design.

Expert Interaction

Students Engaging in a Symphony of Intellectuals

Throughout the year, we organize expert interactions, providing students with opportunities to connect with professionals and leaders in relevant industries. These engagements offer valuable advice, fostering potential employment and business prospects. Our selection includes impactful individuals from various domains, such as politicians, founders, entrepreneurs, managing directors, CEOs, presidents, vice-presidents, editors, artists, and freelancers. These interactions inspire students to take significant steps towards success by gaining insights into current practices and industry issues. Hearing the success stories of these experts helps cultivate the mindset necessary for a successful career.

Cultural Events & Sports Festival

In alignment with fostering holistic student development, SAGE University Bhopal promotes diverse extracurricular pursuits, including arts, culture, and sports activities. The student experience at SUB is a blend of enjoyment and diligence, with a focus on motivating students to engage in a spectrum of opportunities—be it in sports, cultural expressions, arts, or other recreational activities. These endeavors aim to cultivate and showcase their inherent qualities, creativity, and talents, contributing positively to their overall personality. The institute annually orchestrates a mix of competitive and amicable events, serving not only as platforms for skill display but also as avenues for stress relief and a break from continuous study, infusing students with renewed enthusiasm and energy for academic pursuits.

Pedagogy

SAGE University emphasizes exploration, creation, learning, and critical thinking through its SAGE pedagogy. The "Explore and Develop" ideology guides unique career streams and academic programs, fostering practical learning. The focus is on producing employable alumni with strong technical skills, creative problem-solving, and enhanced communication abilities, promoting all-round development.
